**Food Whore** Jessica Tom,2015-10-27 Full of wit and mouth-watering cuisines, Jessica Tom's debut novel offers a clever insider take on the rarefied world of New York City's dining scene in the tradition of *The Devil Wears Prada* meets *Kitchen Confidential*. Food whore (n.) A person who will do anything for food. When Tia Monroe moves to New York City, she plans to put herself on the culinary map in no time. But after a coveted internship goes up in smoke, Tia's suddenly just another young food lover in the big city. But when Michael Saltz, a legendary New York Times restaurant critic, lets Tia in on a career-ending secret—that he's lost his sense of taste—everything changes. Now he wants Tia to serve as his palate, ghostwriting his reviews. In return he promises her lavish meals, a bottomless cache of designer clothing, and the opportunity of a lifetime. Out of prospects and determined to make it, Tia agrees. Within weeks, Tia's world transforms into one of luxury: four-star dinners, sexy celebrity chefs, and an unlimited expense account at Bergdorf Goodman. Tia loves every minute of it...until she sees her words in print and Michael Saltz taking all the credit. As her secret identity begins to crumble and the veneer of extravagance wears thin, Tia is forced to confront what it means to truly succeed—and how far she's willing to go to get there.

*My Crochet Doll* Isabelle Kessedjian, 2013-12-12 Make adorable crochet dolls with over fifty unique patterns for clothes and accessories. With a range of clothing and accessory patterns, dress up your doll for home and abroad, from basic underwear and shoes to dresses, dungarees, sweaters, coats, and hats. As well as wardrobe essentials, you can create accessories to match each outfit, including a teddy for bedtime, a bucket for the beach, cakes for the kitchen, and even a penguin for the North Pole! There's a range of dressing-up costumes, with an adorable bear suit and a fun superhero mask and cape. The cute mini suitcase pattern is the perfect for storing all of your dolls belongings and it doubles up as a bed too! Be aware that crochet terms in the United States are different from those in the U.K. This can be confusing as the same terms are used to refer to different stitches under each system. All crochet patterns in this book are written in U.K. and European terms. U.S. crocheters must take care that they work the correct stitches. One way to tell which system is being used in other patterns is that the American system starts with a single crochet, which the U.K. system doesn't have; so patterns with "sc" in them can be identified as American patterns.
