Origami Paper 200 Sheets Japanese Dolls 6 (15 Cm) Tuttle Tuttle Studio,2023-09-05 This pack contains 200 high-quality origami sheets printed with Kokeshi Japanese Doll Patterns. Kokeshi dolls have been crafted in Japan for more than 150 years. These children's toys--and later popular souvenirs--are handmade from wood with some delicate painted details. Their most recognized feature is a lack of arms and legs. These illustrations were chosen to enhance the creative work of origami artists and paper crafters. The pack contains 12 patterns unique to this pack, and all of the papers are printed with coordinating colors on the reverse side to provide aesthetically pleasing combinations in origami projects that show both the front and back of the papers. This origami paper pack includes: 200 sheets of high-quality origami paper 12 unique designs Vibrant and bright colors Double-sided color Small 6 x 6 inch squares Instructions for 6 easy origami projects

Japanese Kokeshi Dolls Manami Okazaki,2021-11-09 An inside look at kokeshi dolls: from the skilled woodworkers behind their design to their important cultural significance. Kokeshi are the simple and charming traditional Japanese dolls characterized by their cylindrical shape and lack of arms and legs. Historically made as children's toys in Japan's northern region of Tohoku, they have now become a popular collector's item and have even inspired famous architects and artists. In this visual guide, readers will find: An overview of the different types of dolls How kokeshi dolls are

crafted, including information on tools and woods used Interviews with leading kokeshi craftspeople worldwide Detailed information about both traditional dolls and the modern ones being crafted today An exploration of the cultural significance of kokeshi dolls--both historically and for the areas of northern Japan that rebuilt themselves after their region was decimated by an earthquake and tsunami in 2011 A guide to visiting Japan's kokeshi regions Information on how to buy the dolls--either directly from Japanese artisans or stockists worldwide Filled with artist interviews, gorgeous photos and firsthand travel experience, author Manami Okazaki has created a book to be enjoyed by all--from serious collectors to woodcrafters, interior designers, architects, armchair travelers and anyone with an interest in Japanese culture and travel.

The Little Kokeshi Yukiko Ryburn, 2021-05-07 Little Kokeshi was bored everyday standing on the shelf at the store. One day, she lost her balance and fell off the shelf into the box on the floor. After a while, the delivery truck came and picked up the box that Kokeshi was in. Oh no! Where will Little Kokeshi go? Little Kokeshi's adventure starts now! Kokeshi dolls are wooden dolls that have been made in the Tohoku region of Japan for over 200 years. There are 11 types of traditional Kokeshi dolls. They have various shapes and pattern and each one is made carefully by craftsmen (Kojin) who have inherited the Kokeshi tradition, technique, and culture.

Japanese Washi Paper Crafts Robertta A. Uhl, 2012-11-27 Washi papercrafting

is similar to Japanese origami, but uses higher-quality paper for more permanent-lasting projects. Learn how to fold washi with this fun guide. In Japan, paper and paper crafts are held in popular esteem. The originators of origami, the art of paper-folding, and kirigami, the art of paper-cutting, the Japanese also make their own paper, called washi. A colorful printed paper, washi is used to decorate everything from boxes to dolls. Noted for its strength, durability and flexibility, washi paper is available in a rich array of colors, textures, weights and patterns. Japanese Washi Paper Crafts is a selection of seventeen washi origami designs for decorating commonly available objects, such as milk cartons, boxes and eggs, which can be used in home decor, as gifts, or for special occasions. Every project is shown with clear, step-by-step diagrams. Color photographs show completed projects, as well as imaginative ways for displaying the finished crafts.

Kokeshi Michael Evans, Robert Wolf, 2005 Today, the Kokeshi is the most celebrated of the traditional folk arts of Japan, and the most widely collected. This creatively bound publication attempts an almost impossible task: that of presenting the history, theories, and beliefs regarding the origins of the making of the Kokeshi doll. Today, this wooden, lathe-turned and hand-painted doll is a popular example of the Japanese culture and their society. This 216 page manuscript (6.5625 x 11) with over 180 full-color images discusses the history of the Kokeshi, the original artists of the ten traditional styles, and many of the contemporary artists producing versions

of this most unusual folk art. Relationships between selected traditional and 20th century creative pieces from award-winning master craftsmen are shown and illustrated in full color. To complete this publication, artists' marks, signatures and places of origin are illustrated along with well-known stories about the dolls. In addition, a glossary of terms is included. This book is a wonderful visual reference for the collector or individual who has an appreciation for Japanese crafts. Better yet, it is the only book currently in print in English surveying the subject of the Kokeshi doll. This unique book would be a significant addition to any folk art or toy collector's library and is strongly recommended to retail suppliers of art books in print. This text refers to the only English book in print on the subject. -- Juichi

Lettie Lane Paper Dolls Sheila Young, 1981-01-01 Genteel turn-of-the-century family very popular then and now. 24 paper dolls, 16 plates in full color.

Yuko-chan and the Daruma Doll Sunny Seki, 2012-07-03 **2012 Creative Child Magazine Book of the Year Award Winner!** Yuko-chan and the Daruma Doll, a gorgeous multicultural children's book by author/illustrator Sunny Seki, takes readers on a journey into ancient Japan and the story behind the famous Daruma Doll. Yuko-chan, an adventurous blind orphan, is able to do amazing things. She confronts a burglar in the dead of night and crosses treacherous mountain passes to deliver food to hungry people. During her travels, Yuko-chan trips and tumbles down a snowy cliff. She discovers a strange thing as

she waits for help: her tea gourd, regardless of how she drops it, always lands right-side-up. The tea has frozen in the bottom of the gourd! Inspired by this, she creates the famous Daruma doll toy, which rights itself when tipped--a true symbol of resilience. Thanks to Yuko-chan's invention, the villagers are able to earn a living and feed themselves by selling the dolls. Yuko-chan never gave up, no matter the obstacles she faced, and the Daruma doll is a charming reminder of the power of perseverance. With text in English and Japanese, this book is of special interest to bicultural families.

Kokeshi Manami Okazaki, 2015 Kokeshi are traditional, artisanal Japanese dolls, characterized by their lack of arms or legs. They have become iconic; they reflect simple Japanese aesthetic sensibilities with their simple, elegant and minimalist designs. Kokeshi looks at this culture in depth. It profiles 23 artisans in the remote hot spring villages where they are made and highlights many aesthetic theories and sensibilities that are prevalent in contemporary design, even today. With rare interviews, it will delight fans of wooden crafts and Japanese culture.

The Complete Story of Sadako Sasaki Masahiro Sasaki, Sue DiCicco, 2020-04-07
Independent Publisher Book Award (IPPY) Winner **Middle School Book of the Year-- Northern Lights Book Awards** **Skipping Stones Honor Award Winner** For the first time, middle readers can learn the complete story of the courageous girl whose life, which ended through the effects of war,

inspired a worldwide call for peace. In this book, author Sue DiCicco and Sadako's older brother Masahiro tell her complete story in English for the first time--how Sadako's courage throughout her illness inspired family and friends, and how she became a symbol of all people, especially children, who suffer from the impact of war. Her life and her death carry a message: we must have a wholehearted desire for peace and be willing to work together to achieve it. Sadako Sasaki was two years old when the atomic bomb was dropped on her city of Hiroshima at the end of World War II. Ten years later, just as life was starting to feel almost normal again, this athletic and enthusiastic girl was fighting a war of a different kind. One of many children affected by the bomb, she had contracted leukemia. Patient and determined, Sadako set herself the task of folding 1000 paper cranes in the hope that her wish to be made well again would be granted. Illustrations and personal family photos give a glimpse into Sadako's life and the horrors of war. Proceeds from this book are shared equally between The Sadako Legacy NPO and The Peace Crane Project.

Kabuki Costumes Paper Dolls Ming-Ju Sun, 1996-01-17 Sixteen spectacular costumes reproduced in brilliant color and elegant detail: shogun, geisha, wicked woman, red princess, lion, many more. Informative captions. 2 dolls, 16 costumes on 16 plates.

My Book of Beautiful Oops! Barney Saltzberg, 2017-05-30 Every mistake is an opportunity to make something beautiful. This is the central idea of

Beautiful Oops!, Barney Saltzberg's beloved bestseller—and now My Book of Beautiful Oops!, an interactive journal for young artists, takes that principle into unexpected new directions. A hands-on journal that's meant to be personalized—drawn in, painted on, torn up, smudged, or otherwise artistically wrecked—My Book of Beautiful Oops! is filled with folded, crumpled, die-cut, and lift-the-flap pages that will challenge the reader's sense of play. The friendly green alligator from the first book prompts the reader: Bend a page. Decorate a smudge. Play with splats and spills. Even complete a poem that was accidentally ripped in half. My Beautiful Book of Oops! champions imagination, play, and the courage to express oneself. It's about self-forgiveness, about turning off that inner critic that clamors for perfection. And it's about freedom—the freedom to be creative and follow your curiosity wherever it goes. That's a lesson to celebrate.

Last Kappa of Old Japan Sunny Seki, 2014-01-28 With unique and playful illustrations this multicultural children's book is a classic Japanese fairy tale that young children and parents alike will love. The Last Kappa of Old Japan is a warmly written and beautifully illustrated children's book that introduces many aspects of traditional Japanese culture and folklore, while teaching an important lesson about environmentalism. The story is of a young Japanese farm boy who develops a friendship with a mythical creature—the kappa—a messenger of the god of water. The tale begins in post-Modern Japan when the boy is young and the kappa is healthy and ends when the kappa, now

the last one left on Earth, keeps an important promise to his human friend. A story of love, friendship, and adventure, readers of all ages will enjoy this picture book by award-winning author/illustrator, Sunny Seki.

Yumi Annelore Parot, 2010 Welcome to the colourful world of the Kokeshi, a Japanese inspired French boutique brand that introduces children to a family to traditional Japanese dolls. The Kokeshi were once made from left over pieces of wood, with sculpted hair, and little rounded bodies. Over centuries Kokeshi dolls have been modernised and given colour. Creators have taken more liberties, giving the dolls personalities and beautiful clothing, all the while observing the one founding principle. They are part of a search for beauty and art through simplicity and purity of form. Meet Yumi the youngest of the Kokeshi. She is adventurous and clever. She takes great pride in everything she does, and personifies the universe that artist Annelore Parot has created for her characters. She loves to dress up, go to school, go to parties and solve problems! Help Yumi to find the right Kimono to wear, and learn Japanese phrases. Find Yumi's friends, and then choose an outfit for a dress-up party! Decide the best sushi for Yumi to eat and then fall into a Kokeshi filled dream!

Making Peg Dolls Margaret Bloom (Artisan), 2016 Margaret Bloom's book introduces us to over 60 peg doll characters to keep hands busy. This series of delightful craft projects will inspire all the family to make and play creatively.

Citizen 13660 ,1983 Mine Okubo was one of 110,000 people of Japanese descent--nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. Citizen 13660, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, Mine Okubo: Following Her Own Road, edited by Greg Robinson and Elena Tajima Creef.
