Build! A Knight's Castle Annalie Seaman, 2015-10-06 Enter the enthralling medieval world of castles attacked and defended by brave and noble knights! This interactive puzzle-in-a-book invites kids ages 7 and up to pop out and assemble a stand-up castle complete with knights and battle equipment. Like real archaeologists, kids will interpret clues from medieval documents, paintings, maps, and ground surveys. They can then apply their knowledge to excavate the site of a besieged castle and reconstruct both the castle and the battle scene, figuring out how the pieces of wall fit together, what's located inside the courtyard, how a trebuchet works, and much more. With the final setup of warring knights on horseback, the battle comes to life! This book offers hours of imaginative play so fascinating that kids won't even notice how much they're learning.

Build! Annalie Seaman, 2015-09-01 Think like an archaeologist with this fun paper-craft title! Readers are given information about how archaeologists uncover remains, and use secondary sources. They are then given visual and textual clues about the site of a medieval castle, which was the location of a sieged battle. The final part of the book contains the press-out pieces to recreate a paper model of the castle and the historic battle, complete with siege engines and defending and attacking forces. The reader must use their new-found knowledge of how the castle was laid out, and what siege engines looked like to figure out how to piece the paper scene together
