Women of Walt Disney Imagineering Julie Svendsen, Elisabete Erlandson, Karen Connolly Armitage, Katie Olson, Becky Bishop, Maggie

Elliott, Peggie Fariss, Paula Dinkel, Pam Rank, Lynne Macer Rhodes, Kathy Rogers, Tori Atencio McCullough, 2022-03-15 A dozen female Imagineers recount their trailblazing careers! Capturing an era--and preserving the stories they have told their daughters, their mentees, their husbands, and their friends--a dozen women Imagineers have written personal stories from their decades designing and building the Disney world-wide empire of theme parks. Illustrated with the women's personal drawings and photos in addition to archival Imagineering images, the book represents a broad swath of Imagineering's creative disciplines during a time of unprecedented expansion. Intertwined with memories of Disney legends are glimpses of what it takes behind the scenes to create a theme park, and the struggles unique to women who were becoming more and more important, visible and powerful in a workplace that was overwhelmingly male. Each chapter is unique, from a unique Imagineer's perspective and experience. These women spent their careers telling stories in three dimensions for the public. Now they've assembled their stories in print, with the hope that their experiences will continue to entertain and illuminate.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie Supersize Me; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on The Simpsons secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.
