Lead with Humility Jeffrey Krames,2014-09-09 How did a relatively unknown priest from Argentina rise so quickly from obscurity to one of the top leaders of the twenty-first century? The answer lies in his humility, as well as the simple principles that have sprung from it. In the years since his election to the highest position in the Catholic Church, Pope Francis has breathed life into an aging institution, reinvigorated a global base, and created real hope for the future. His early

accomplishments have been so remarkable that in 2014, Fortune magazine awarded the top spot of their coveted World's Greatest Leaders list not to a captain of industry or political leader but to the new pontiff. Lead with Humility explores 12 of these principles and shows how other leaders and managers across a broad spectrum can adapt them for the workplace with just as impressive results as our great pope has. These invaluable principles include: Don't stand over your employees--sit down with them Don't judge—assess Take care of people, not lobbies Go where you are needed Temper ideology with pragmatism Don't change--reinvent! Even just a few years in, it is clear to all that Pope Francis's ability to inspire the world is unprecedented in modern times. Lead with Humility reveals the power of his methods, and helps anyone lead with the humility, grace, and authenticity that has elevated the pope to where he is today and had a direct impact in inspiring everyone and everything around him.

Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.
