Love, Lucas Chantele Sedgwick,2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she’ll never recover. Between her parents’ arguing and the battle she’s fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn’t sure a change of scenery will alter anything, but she’s willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo’s beach house. Once they’re settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that’s when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother’s dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? I Love Jesus, But I Want to Die Sarah J. Robinson,2021-05-11 A compassionate, shame-free guide for your darkest days “A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn’t cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you’re left wondering if God has abandoned you. You just want a way out. But there’s hope. In I Love Jesus, But I Want to Die, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, I Love Jesus, But I Want to Die offers a path toward a rich, hope-filled life in Christ, even when healing doesn’t look like what you expect.

Highcastle Stanislaw Lem,2020-02-18 A playful, witty, reflective memoir of childhood by the science fiction master Stanisław Lem. With Highcastle, Stanisław Lem offers a memoir of his childhood and youth in prewar Lvov. Reflective, artful, witty, playful—“I was a monster,” he observes ruefully—this lively and charming book describes a youth spent reading voraciously (he was especially interested in medical texts and French novels), smashing toys, eating pastries, and being terrorized by insects. Often lonely, the young Lem believed that he could communicate with household objects—perhaps anticipating the sentient machines in the adult Lem's novels. Lem reveals his younger self to be a dreamer, driven by an unbridled imagination and boundless curiosity. In the course of his reminiscing, Lem also ponders the nature of memory, innocence, and the imagination. Highcastle (the title refers to a nearby ruin) offers the portrait of a writer in his formative years.

The Black Jacobins C.L.R. James,2023-08-22 A powerful and impassioned historical account of the largest successful revolt by enslaved people in history: the Haitian Revolution of 1791–1803 “One of the seminal texts about the history of slavery and abolition.... Provocative and empowering.” —The New York Times Book Review The Black Jacobins, by Trinidadian historian C. L. R. James, was the first major analysis of the uprising that began in the wake of the storming of the Bastille in France and became the model for liberation movements from Africa to Cuba. It is the story of the French colony of San Domingo, a place where the brutality of plantation owners toward enslaved people was horrifyingly severe. And it is the story of a charismatic and barely literate enslaved person named Toussaint L’Ouverture, who successfully led the Black people of San Domingo against successive invasions by overwhelming French, Spanish, and English forces—and in the process helped form the first independent post-colonial nation in the Caribbean. With a new introduction (2023) by Professor David

Scott.
