If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27 Unimaginable loss yields to the power of human connection in

this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years

later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

From Ashes Molly McAdams, 2012-12-11 Aside from her dad, who passed away when she was six, Cassidy Jameson has only ever trusted one man: her best friend, Tyler. He's Tyler's cousin. Gage Carson was excited to share an apartment off campus with his cousin. He didn't mind that Tyler was bringing the mysterious friend he'd heard about since they were kids . . . until the most beautiful girl he's ever seen jumps out of his cousin's Jeep. There's something about Cassi that makes Gage want to give her everything. Too bad Tyler has warned him that she's strictly off-limits. Despite everything keeping them apart, Cassi and Gage dance dangerously close to the touch they've both been craving. But when disaster sends her running into Tyler's arms, Cassi will have to decide whether to face the demons of her past . . . or to burn her chance at a future with Gage.

Jugaad Time Amit S. Rai, 2019-02-05 In India, the practice of jugaad—finding workarounds or hacks to solve problems—emerged out of subaltern strategies of negotiating poverty, discrimination, and violence but is now celebrated in management literature as a disruptive innovation. In *Jugaad Time* Amit S. Rai explores how jugaad operates within contemporary Indian digital media cultures through the use of the mobile phone. Rai shows that despite being co-opted by capitalism to extract free creative labor from the workforce, jugaad is simultaneously a practice of everyday resistance, as workers and communities employ hacks to oppose corporate, caste, and gender power. Locating the tensions surrounding jugaad—as both premodern and postdigital, innovative and oppressive—Rai maps how jugaad can be used to undermine neoliberal capitalist media ecologies and nationalist politics.

The Hookup Kristen Ashley, 2017-12-19 When the new girl in town, Eliza "Izzy" Forrester decides to hit the local drinking hole, she's not ready to meet the town's good, solid guy. She's definitely not prepared to engage in her very first hookup with him. Then Izzy wakes up the next morning in Johnny Gamble's bed and good girl Izzy finds she likes being bad for Johnny. Even so, Izzy feels

Johnny holding her at arm's length. But Johnny makes it clear he wants more and Izzy already knows she wants as much of hot-in-bed, sweet-out-of-it Johnny Gamble. Floating on air thinking this is going somewhere, Izzy quickly learns why Johnny holds distant. He's in love with someone else. Someone who left him and did it leaving him broken. Whoever was up next would be runner up, second best. Knowing the stakes, Izzy will take what she can get from the gentleman that's Johnny Gamble. And even knowing his heart might never mend, Johnny can't seem to stay away from Izzy. Until out of nowhere, his lost love comes back to town. He's not going back, but Johnny still knows the right thing to do is let Izzy go. And Izzy knew the stakes, so she makes it easy and slips through his fingers. But that's before Johnny realizes Eliza moved to town to escape danger that's been swirling around her. And that's why Johnny decides to wade in. That and the fact Eliza Forrester makes breakfast with a canary singing on her shoulder and fills out tight dresses in a way Johnny Gamble cannot get out of his head.
