I don't know why they creak they just do. But this spring the weirdest thing happened to me, first I meet a blonde girl who I can't seem to talk to forcing me to run away. Then the next thing that happens is I get in this fight with this human, Alan, and I never see him again. But as for the girl I could've sworn I saw her in a passing car as I went with my family in July to Zombie World. Yep, it's DisneyWorld for zombies. Fast forward to the end of the summer, in mid-August and they announce on the news that they are going to integrate the schools, all of them. Well, my parents weren't too thrilled by that. Dad feels that humans and zombies shouldn't share the same space and Mom is too shocked by it to know how to feel. But both of them used to be human, so I can't understand what the big fuss is over. They integrate the schools, mine in particular, and luck would have it that I would run into my bully and the blonde girl on the same day. Her name is Amy and I met her in Algebra class, she sat right behind me. As for him, I was trying out for tight end and he was the one I would have to butt heads with. But I got back at him that day and threw a football at his back which made me quarterback in coach's eyes. His name is Alan and he continued to give me hell by teasing me and such, but I had the greatest zombie revenge ever in store for him. A night he'd never forget. Don't have kindle? No worries!
