Thomas Riggs

Twelve Years a Slave Solomon Northup, 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Anatomy of Design Steven Heller, Mirko Ilic, 2009-03-01 DIVAnatomy of Design dissects fifty examples of graphic design piece by piece, revealing an array of influences and inspirations. These pieces represent contemporary artifacts that are well conceived, finely crafted, and filled with hidden treasures. Some are overtly complex. Others are so simple that it is hard to believe there's a storehouse of inspiration hidden underneath. The selections include all kinds of design work including posters, packages, and more. Each exhibit is selected for its ubiquity, thematic import, and aesthetic significance, and every page shows how great work is derived from various inspirational and physical sources, some well-known, some unknown./div

The PC Engineer's Reference Book Phil Croucher, 1996

Tourism and War Richard Butler, Wantanee Suntikul, 2013-05-07 This is the first volume to fully explore the complex relationship between war and tourism by considering its full range of dynamics; including political, psychological, economic and ideological factors at different levels, in different political and geographical locations. Issues of peace and tourism are dealt with insofar as they pertain to the effects of war on tourism that emerge after the cessation of hostilities. The book therefore reveals how not only location, but also political strategies, accidents of history, transportation linkages, and economic expediency all have played their role in the development and continuation of tourism before, during, and after wartime. It further shows how the effects of war are seldom if ever simply a negation or reversal of the effects of peace on tourism. The volume draws on a range of examples, from medieval times to the present, to reveal the multi-faceted development of tourism amidst and because of conflict in a wide variety of locations, including the Pacific, Europe, the Middle East, North America, Africa and South East Asia, showing the diverse ways in which tourism and war interacts. In doing so it explores how some locations have been developed as tourist attractions primarily because of war and conflict, e.g. as resting and training places for troops, and others flourished because of the threat of danger from conflicts to more traditional tourist locations. This thought provoking volume contributes to the understanding of the interrelationships between war, peace and tourism in many different parts of the world at different scales. It will be valuable reading for all those interested in this topic as well as dark tourism, battlefield tourism and heritage tourism.

Affective Health and Masculinities in South Africa Hans Reihling, 2020-04-03 Affective Health and Masculinities in South Africa explores how different masculinities modulate substance use, interpersonal violence, suicidality, and AIDS as well as recovery cross-culturally. With a focus on three male protagonists living in very distinct urban areas of Cape Town, this comparative ethnography shows that men's struggles to become invulnerable increase vulnerability. Through an analysis of masculinities as social assemblages, the study shows how affective health problems are tied to

modern individualism rather than African 'tradition' that has become a cliché in Eurocentric gender studies. Affective health is conceptualized as a balancing act between autonomy and connectivity that after colonialism and apartheid has become compromised through the imperative of self-reliance. This book provides a rare perspective on young men's vulnerability in everyday life that may affect the reader and spark discussion about how masculinities in relationships shape physical and psychological health. Moreover, it shows how men change in the face of distress in ways that may look different than global health and gender-transformative approaches envision. Thick descriptions of actual events over the life course make the study accessible to both graduate and undergraduate students in the social sciences. Contributing to current debates on mental health and masculinity, this volume will be of interest to scholars from various disciplines including anthropology, gender studies, African studies, psychology, and global health.

Hypereides Hyperides, David Whitehead, 2000 Professor Whitehead has provided a new translation of the five surviving forensic speeches of the Athenian lawyer-politician Hypereides (390/89-322 BC). Hypereides' importance lies not only in his speeches, but also in his centrality in the political life of ancient Athens, as a contemporary of Demosthenes, and one of the canonical Ten Attic Orators. This book, which includes a general introduction and lavish historical and literary commentary, represents the first complete collection of Hypereides' works in any language.

Tacky Rax King, 2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column *Store-Bought Is Fine*—Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, *Sex and the City*, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in *You Wanna Be On Top*, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. A VINTAGE ORIGINAL

The Bios Companion Phil Croucher, 2001 This text describes the functions that the BIOS controls and how these relate to the hardware in a PC. It covers the CMOS and chipset set-up options found in most common modern BIOSs. It also features tables listing error codes needed to troubleshoot problems caused by the BIOS.

Tropical Plant Science G. K. Berrie, A. Berrie, J. M. O. Eze, 1987

The Engagement of Professional Services Barry Butcher, David Coker, 1995

Tree Shaker Bill Keller, 2008 Without deifying its subject, this biography looks at the life of Nelson Mandela, placing his awe-inspiring political accomplishments into historical context for young readers.

Embrace the Night Karen Chance, 2008-04-01 View our feature on Karen Chance's *Embrace the Night*. Cassandra Palmer may be the world's chief clairvoyant, but she's still magically bound to a master vampire. Only an ancient book called the Codex Merlini possesses the incantation to free Cassie—but harnessing its limitless power could endanger the world... Read Karen Chance's posts on the Penguin Blog.

Yvain Chrétien de Troyes, Chrétien (de Troyes), 1987-09-10 A twelfth-century poem by the creator of the Arthurian romance describes the courageous exploits and triumphs of a brave lord who tries to win back his deserted wife's love

Fresh from the Farm 6pk Rigby, 2006

Guy Laliberté Ian Halperin, 2009 Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night.

It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

St. James Encyclopedia of Popular Culture Thomas Riggs, 2013 The St. James Encyclopedia Of Popular Culture, 2nd ed., updates and augments the over ten-year-old first edition. It includes 3,036 signed essays (300 of them new), alphabetically arranged, and written or reviewed by subject experts and edited to form a consistent, readable, and straightforward reference. The entries cover topics and persons in major areas of popular culture: film; music; print culture; social life; sports; television and radio; and art and performance (which include theater, dance, stand-up comedy, and other live performance). The entries analyze each topic or person's significance in and relevance to American popular culture; in addition to basic factual information, readers will gain perspective on the cultural context in which the topic or person has importance.

The Biblically Defined Process That Brings Fear of the Enemy Into A Person's Life Rachel Little Dove, 2009-03-16 This is Volume Two of The WAR ON FEAR Series. In this book, you will find out what the Bible says about how FEAR originated with mankind. And, you will also see God's foundational solution to FEAR found in the Scriptures. This book was written because we want you learn how to become free from the operation of fear in your life. God Bless you!

Duty and Desire Book Club Edition Anju Gattani, 2021-01-27 To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.
