accompany a major V & A exhibition, 'Cold War  
Modern: Design 1945-1970', this book explores how  
the politics of the Cold War shaped architecture  
and design. Reassessing 'classic' designs and  
introducing many little-known objects.

Her Name is Caroline. Caroline Barron, Written

from her physically and mentally at the hands of  
her parents and others throughout her young life.
