Daughter of Redwinter Ed McDonald, 2022-06-28 Those who see the dead soon join them. From the author of the critically-acclaimed Blackwing trilogy comes Ed McDonald's Daughter of Redwinter, the first of a brilliant fantasy series about how one choice can change a universe. Raine can see—and speak—to the dead, a gift that comes with a death sentence. All her life she has hidden, lied, and run to save her skin, and she's made some spectacularly bad choices along the way. But it is a rare act of kindness—rescuing an injured woman in the snow—that becomes the most dangerous decision Raine has ever made. Because the woman is fleeing from Redwinter, the fortress-monastery of the Draoihn, warrior magicians who answer to no king, and who will stop at nothing to reclaim what she's stolen. A battle, a betrayal, and a horrific revelation force Raine to enter the citadel and live among the Draoihn. She soon finds that her secret ability could be the key to saving an entire nation. Though she might have to die to make it happen . . . At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Zoo at the Edge of the World Eric Kahn Gale, 2014-08-26 From the author of The Bully Book comes a timeless story about a young boy, his father, and the world that comes between them, which New York Times–bestselling author Peter Lerangis called magical, mysterious, fresh, original, and full of heart. Marlin is not slow, or mute; what he is is a stutterer, and that makes it impossible for him to convince people otherwise. What he is also is a Rackham: the younger son of the world-famous explorer Ronan Rackham, the owner and proprietor of the Zoo at the Edge of the World, a resort where the well-to-do from all over the globe can come to experience the last bit of the wild left at the end of the nineteenth century. In order to impress a powerful duke who comes to visit the zoo, Marlin's father ventures into the jungle and brings back a mysterious black jaguar, the only one in captivity. Everyone is terrified of it, including Marlin—until one night, when the jaguar confers upon him a powerful gift. Soon, Marlin finds himself with a difficult choice to make and, finally, something to say. If only he can figure out how to say it.

Herakut Herakut, Jasmin Siddiqui, Falk Lehmann, 2008 For four remarkably productive years, the graffiti loving and

street art affiliated storytellers, Hera and Akut, have combined their artistic skills and individual specialties in order to create one odd but always exquisitely beautiful, instantly recognizable style: Herakut. It's an extremely contradictory mix of ingredients - Akut's autodidactic but top-level photorealism and Hera's classically educated though Don't-Give-A-Shit-roughness - that results in a surprisingly well-balanced fusion of respect for each other's qualities and the shared urge to capture life's anecdotes with brush and spray can. For the first time this book explores the interpersonal and creative processes behind the duo's murals and canvas paintings, which have attracted the attention of the international art scene.
