Savior Jennifer I Saviano,2021-03-20 Please read entire description before purchase.*When a Biker with a tortured past, meets a mysterious woman in a dangerous situation, she becomes a light in his dark life that he'll do anything to keep. But she has a dark past of her own. One that is creeping ever closer, threatening to extinguish that light forever....*This is the story of Dean and Vanna. Two star crossed lovers who come to realize that they need each other to survive, in more ways than one. *Dean Keegan is a Vigilante Biker with a tortured past, who makes abusers of women and children pay for their crimes against the innocent. The story begins with Dean at rock bottom, on the verge of giving up after having lost his marriage and about to be thrown out of his club. His personal life is a wreck, but then Dean meets a unique woman named Vanna, who is unbeknownst to him, in hiding from her ex fiance cop currently doing time for nearly killing her years prior. They both have emotional scars and inner demons they're dealing with, that effect their lives and especially their budding relationship.*This is an in depth love story between two damaged characters that takes place in a small country town in a fictionalized region of the Carolina's. *The main story line of this book is wrapped up by the end, with a happily ever after for now (HEAFN), however there is a building story in the background that will continue and carry over into the upcoming Book 2. So technically you could say there is a cliffhanger. *This isn't exactly an insta-love story, but could be considered a mutual insta-lust, that develops into true love. The circumstances around their relationship are unique and complicated at times, especially coming from two different walks of life. Dean and Vanna DO NOT cheat on each other, and though Vanna self identifies as a pagan witch, this is NOT written as a paranormal romance. There are witches in the world, just as there are bikers. It's up to the reader to decide whether or not spells or magic are real. Also, there isn't an extreme age gap (28h/37H)* SAVIOR Book 1, is not your typical MC Romance style book, though the main character is a Biker with connections to an MC. At 660+ pages, it is fast paced, and centers more heavily on the love story than MC politics, for a majority of the book. The MC politics are brewing in the background throughout the story, and will carry over into the sequel.* TRIGGER WARNING: Contains Explicit Adult Content: Sex, Profanity, Violence, Blasphemy, Brief Depictions of Abuse. Not recommended for anyone under the age of 18, or anyone triggered by the above mentioned.

Edwards,2020-05-29 The notion of a person--or even an object--having a double has been explored in the visual arts for ages, and in myriad ways: portraying the body and its soul, a woman gazing at her reflection in a pool, or a man overwhelmed by his own shadow. In this edited collection focusing on nineteenth- and twentieth-century western art, scholars analyze doppelgangers, alter egos, mirror images, double portraits and other pairings, human and otherwise, appearing in a large variety of artistic media. All the Light We Cannot See Anthony Doerr,2014-05-06 *NOW A NETFLIX LIMITED SERIES—from producer and director Shawn Levy (Stranger Things) starring Mark Ruffalo, Hugh Laurie, and newcomer Aria Mia Loberti* Winner of the Pulitzer Prize and National Book Award finalist, the beloved instant New York Times bestseller and New York Times Book Review Top 10 Book about a blind French girl and a German boy whose paths collide in occupied France as both try to survive the devastation of World War II. Marie-Laure lives with her father in Paris near the Museum of Natural History where he works as the master of its thousands of locks. When she is six, Marie-Laure goes blind and her father builds a perfect miniature of their neighborhood so she can memorize it by touch and navigate her way home. When she is twelve, the Nazis occupy Paris, and father and daughter flee to the walled citadel of Saint-Malo, where Marie-Laure's reclusive great uncle lives in a tall house by the sea. With them they carry what might be the museum's most valuable and dangerous jewel. In a mining town in Germany, the orphan Werner grows up with his younger sister, enchanted by a crude radio they find. Werner becomes an expert at building and fixing these crucial new instruments, a talent that wins him a place at a brutal academy for Hitler Youth, then a special assignment to track the Resistance. More and more aware of the human cost of his intelligence, Werner travels through the heart of the war and, finally, into Saint-Malo, where his story and Marie-Laure's converge. Doerr's "stunning sense of physical detail and gorgeous metaphors" (San Francisco Chronicle) are dazzling. Deftly interweaving the lives of Marie-Laure and Werner, he illuminates the ways, against all odds, people try to be good to one another. Ten years in the writing, *All the Light We Cannot See* is a magnificent, deeply moving novel from a writer "whose sentences never fail to thrill" (Los Angeles Times).

From My Self to My Savior Ellen Myers,2004-01-01 The only child of prominent German parents, Ellen Cremer lived an idyllic life in the 1920's high society of Berlin. But with Hitler's rise to power, life changed abruptly - Ellen's father was anti-Nazi, her mother was Jewish. In this capacity, she met her future husband. Years after coming to the States with Ken, Ellen finally faced the claims of Christ, and the fact of her own sin. City of Saviors Rachel Howzell Hall,2017-08-08 A fresh voice in crime fiction. Fast, funny, heartbreaking and wise...Elouise Norton is the best new character you'll meet this year.--Lee Child "Hall deserves to be compared to Kathy Reichs or Patricia Cornwell, and it will not be long before she is recognized as every bit as big a crime writing star."--Daily Mail (UK) Los Angeles Homicide Detective Elouise Norton encounters her toughest case yet in City of Saviors, the fourth installment in the critically acclaimed mystery series from author Rachel Howzell Hall. After a long Labor Day weekend, seventy-three-year-old Eugene Washington is found dead in his Leimert Park home. At first blush, his death seems unremarkable--heatwave combined with food poisoning from a holiday barbecue. But something in the way Washington died doesn't make sense. LAPD Homicide Detective Elouise Lou Norton is called to investigate the death and learns that the only family Washington had was the 6,000-member congregation of Blessed Mission Ministries, led by Bishop Solomon Tate. But something wicked is lurking among the congregants of this church. Lou's partner, Detective Colin Taggart, thinks her focus on the congregation comes from her distrust of organized religion. But Lou is convinced that the murderer is sitting in one of those red velvet pews--and that Bishop Tate may be protecting the wolf in the flock. Lou must force the truth into the light and confront her own demons in order to save another soul before it's too late. Hall has created a strong and likable African American detective who rivals Michael Connelly's Harry Bosch in

grit, intelligence, and tenacity.--Library Journal (starred review) At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Shadow of Christ in the Book of Job C. J. Williams,2017-03-10 The Book of Job has been a rich source of truth and comfort for its readers throughout the ages, but the crowning glory of this book is the prophetic testimony it bears to the sufferings that Jesus Christ would endure as the savior of his people. The Shadow of Christ in the Book of Job examines the historical character of Job as a typological figure, whose experience of suffering leading to glory was meant to portray the work of Christ, and provide assurance and comfort to all who bear affliction in faith.
