Silver, Sword, and Stone Marie Arana, 2020-08-18 Winner, American Library Association Booklist's Top of the List, 2019 Adult Nonfiction Acclaimed

writer Marie Arana delivers a cultural history of Latin America and the three driving forces that have shaped the character of the region: exploitation (silver), violence (sword), and religion (stone). "Meticulously researched, [this] book's greatest strengths are the power of its epic narrative, the beauty of its prose, and its rich portrayals of character...Marvelous" (The Washington Post). Leonor Gonzales lives in a tiny community perched 18,000 feet above sea level in the Andean cordillera of Peru, the highest human habitation on earth. Like her late husband, she works the gold mines much as the Indians were forced to do at the time of the Spanish Conquest. Illiteracy, malnutrition, and disease reign as they did five hundred years ago. And now, just as then, a miner's survival depends on a vast global market whose fluctuations are controlled in faraway places. Carlos Buergos is a Cuban who fought in the civil war in Angola and now lives in a quiet community outside New Orleans. He was among hundreds of criminals Cuba expelled to the US in 1980. His story echoes the violence that has coursed through the Americas since before Columbus to the crushing savagery of the Spanish Conquest, and from 19th- and 20th-century wars and revolutions to the military crackdowns that convulse Latin America to this day. Xavier Albó is a Jesuit priest from Barcelona who emigrated to Bolivia, where he works among the indigenous people. He considers himself an Indian in head and heart and, for this, is well known in his adopted country. Although his aim is to learn rather than proselytize, he is an inheritor of a checkered past, where priests marched alongside conquistadors, converting the natives to

Christianity, often forcibly, in the effort to win the New World. Ever since, the Catholic Church has played a central role in the political life of Latin America—sometimes for good, sometimes not. In this “timely and excellent volume” (NPR) Marie Arana seamlessly weaves these stories with the history of the past millennium to explain three enduring themes that have defined Latin America since pre-Columbian times: the foreign greed for its mineral riches, an ingrained propensity to violence, and the abiding power of religion. *Silver, Sword, and Stone* combines “learned historical analysis with in-depth reporting and political commentary...[and] an informed and authoritative voice, one that deserves a wide audience” (The New York Times Book Review).

The Silver Sword David Zindell, 2008-04 Valashu and his companions continue on the quest to find The Lightstone. Many battles, much introspection, and a strong love subplot complicate our hero's journey.

The Silver Sword Angela Elwell Hunt, 2009-09-22 The auburned-haired O'Connor women share a bond far deeper than their striking physical appearance: These courageous, high-spirited women all push against societal limits in this exciting historical, romantic novel that spans generations and countries. It is said that as Cahira, daughter of the great Irish king Rory O'Connor, lay dying of a wound from a Norman blade, she beseeched God that others would follow her calling. To Kathleen O'Connor, Cahira's story was nothing more than a fable--until research divulged that the tale was true. As a stunned Kathleen realizes that she herself bears the mark of Cahira, she wonders if she is destined to continue the legacy. To uncover the answers, Kathleen delves into the past to find the truth about the Heirs of Cahira O'Connor. It

is a journey that carries her across generations, from the battlefields of 13th-century Ireland to the castles of 15th-century Prague, and through a past filled with peril, courage, vengeance, love, and sacrifice beyond anything she has ever known.

The Lightstone David Zindell, 2019-06-20 A born warrior who cannot bear to go to war, a master of the sword who cannot kill his enemies without feeling the pain of death himself Valashu Elahad, seventh son of a king and a descendent of the Valari Star People who settled the world of Ea long ago, comes to manhood in late in the Age of the Dragon. It is a dark time of war and the dashed dreams of long-lost ages. The peoples of Ea have forgotten their purpose of becoming immortal Elijin, who, in turn, through disciplines of the body and spirit, evolve into the Galadin: great, luminous beings who can never be killed. They have also mostly forgotten how to use the lost gelstei jewels that power the interstellar civilization they know little of. Val, who is blessed (or cursed?) with empathy for all living things, would like nothing more than to become a great scholar, play his flute, and learn of these matters. But once again Morjin, the fallen Elijin, is seeking the way to free Angra Mainyu, the Lord of Lies imprisoned on the world of Damoom for a million years. Once again, the free peoples of Ea will be called to fight to the death if they do not want to see their world destroyed. Strangely, though, it is also a time of light. For the earth and sun have once again entered the Golden Band and Ea's greatest king has called a quest to find the Lightstone: the great golden gelstei that can restore the ruined civilization that Ea has become. Fate impels Val to set out with his companions into the heart of darkness in order to recover the Lightstone. Greatness of soul is needed in order even to perceive the golden cup, and this Val must achieve before fighting the most desperate of fights. First, though, he must recover the silver gelstei, the silver sword Alkaladur, for the silver points the way to the gold. This will not be easy. For Morjin seeks all the gelstei, the golden cup most of all, and he hounds Val all

across Ea. Val knows that he must someday face the fallen angel in battle, but he is afraid because a great scryer has foretold that: His fate is yours. If you kill him, you kill yourself The Lightstone: Part Two: The Silver Sword is the second volume of Book 1 of the internationally acclaimed Ea Cycle. If you enjoy fast-paced adventure, a startling new cosmology, and an intricately-made world as rich as Tolkien's and with all the magic of an Arthurian romance, you'll love this book. Buy The Lightstone today to join in an ancient and timeless quest.

The Sword and the Spark C. E. Groom, 2022-01-21 In this Shakespeare-inspired tale of betrayal and murder, one man's heroic quest becomes a battle for the soul of an empire—and his own. Mace Ealdor is a revered member of the Order of the Silver Sword, mortals who possess the Spark of the Celestials. For centuries, the Silver Swords have been the guardians of the empire of Danim, but when Mace embarks on a quest to right the wrongs of the monarchy amid a decades-long civil war, his noble ambitions soon threaten everything he seeks to protect. Friends become enemies, heroes become villains, and the only path to salvation rests in the will of the Stars themselves.

The Silver Sword L. T. Suzuki, 2011 In this sequel to *The Magic Crystal*, having survived their first big misadventure thanks more to luck than skill, fate conspires once again to force Princess Rose, Tag and Cankles to embark on another perilous quest. This time, Loken the nefarious, shape-shifting Sprite steals away with the dreamstone that is imbued with the power to make

wishes come true. Fearing the Sprite will deliver the magic crystal to the evil Sorcerer, Tag and Cankles undertake this mission with the reluctant Princess in tow. Armed with nothing more than sheer determination and an old, cherished sword, the three unlikely friends must move in secret. Tag must find the courage to meet his destiny head-on as they race against time toward the treacherous Dragon Lands to hunt down Loken. They must stop him before he hands the magic crystal to the malevolent Sorcerer so he can use it to unleash its true powers on this realm, a terrible magic that will allow Dragonite's dreams to come true, while immersing the world in a terrifying nightmare.

The Lightstone David Zindell, 2007-05-01 On the island continent of Ea it is a dark time of chaos and war. Morjin, immortal fallen angel and Lord of Lies, seeks to enslave the entire world. His dreaded assassins are everywhere and land after land falls under his evil power. The one thing that has the potential to destroy him is an object that has been lost for ages: the fabulous Lightstone that legend tells was crafted by the ancient Star people. A call is sent out by one of the major rulers still free of Morjin's grip to all those who oppose the dreaded sorcerer. It is nothing less than a quest to find the Lightstone and give Men hope after ages of despair. It is a quest that none have seen the like of in ten generations. And most believe is doomed to fail. What hero is man enough, brave enough...or foolish enough to embark on such a mad quest? Valashu Elahad, the seventh and youngest Valeri prince of the royal house of Mesh is such a man. With his faithful companion Maram by his side Valashu will journey to the farthest reaches of Ea to try and reclaim this mystical object, to free the world of Morjin's evil and save his people from sure destruction. Along the way he will discover truths about

friendship, courage...and love. And the terrible truth about the being who threatens to sunder his world.

Silversword Phyllis A. Whitney, 2017-08-29 In the Hawaiian Islands, a divorcée is threatened by a dangerous deception from her past, in this novel from “a superb and gifted storyteller” (Mary Higgins Clark). Hawaiian-born Caroline Kirby was only six years old when her parents died under mysterious circumstances, and she was shuttled off to live with her grandmother in San Francisco. Now, after years under the strict governance of the old woman, followed by an unhappy marriage, the young, newly single Caroline is anxious to return to the lush vistas of her island home, reunite with her long-lost relatives, and above all, finally defy her eccentric grandmother’s sinister warning to never question the past and never, ever go home again. At first, Maui is even more splendid than she remembered, and family and acquaintances more inviting than she could have dreamed—including David Reed, a childhood friend who now offers the possibility of a new romance. But soon, in the imposing shadow of the Haleakala volcano, where her parents met their fate, Caroline begins to fear that her entire world has been built on a lie, and everyone she has come to trust is guarding a long-dormant secret so shocking it could not only change her life, but end it. From the Edgar and Agatha Award-winning “Queen of the American gothics” (The New York Times), *Silversword* is a novel filled with “ever-reliable scenic suspense” (Kirkus Reviews). This ebook features an illustrated biography of Phyllis A. Whitney including rare images from the author’s estate.
