The Williamite Wars in Ireland John Childs,2007-08-20 The comprehensive defeat of the Jacobite Irish in the Williamite conflict, a component within the pan-European Nine Years' War, prevented the exiled James II from regaining his English throne, ended realistic prospects of a Stuart restoration and partially secured the new regime of King William III and Queen Mary created by the Glorious Revolution. The principal events - the Siege of Londonderry, the Battles of the Boyne and Aughrim, and the two Sieges and Treaty of Limerick - have subsequently become totems around which opposing constructions of Irish history have been erected. Childs argues that the struggle was typical of the late-seventeenth century, principally decided by economic resources and attrition in which the 'small war' comprising patrols, raids, occupation of captured regions by small garrisons, police actions against irregulars and attacks on supply lines was more significant in determining the outcome than the set-piece battles and sieges.

Destined (Book #4 in the Vampire Journals) Morgan Rice,2011 DESTINED is Book #4 of the Bestselling series THE VAMPIRE JOURNALS, which begins with book #1, TURNED—a FREE download! In DESTINED (Book #4 in the Vampire Journals), Caitlin Paine wakes to discover herself back in time. She finds herself in a cemetery, on the run from a mob of villagers, and seeks refuge in the ancient cloisters of Assisi, in the countryside of Umbria, Italy. There, she learns of her destiny and her mission: to find her father and the ancient vampire Shield needed to save mankind. But Caitlin's heart still pines for her lost love: Caleb. She desperately needs to know if he has survived their trip back in time. She learns that her mission requires her to go to Florence, but if she wants to pursue matters of the heart, she must go to Venice. She chooses Venice. Caitlin is overwhelmed at what she finds. Venice of the eighteenth century is a surreal place, men and women dressed in elaborate costumes and masks, celebrating an endless, lavish party. She is thrilled to discover and reunite with some of her close friends, and to be welcomed back into their coven. And she is excited to join them in Venice's Grand Ball, the most important costume dance of the year, where she hopes, once again, to find Caleb. But Caitlin is not the only one who can travel back in time: Kyle soon arrives, too, and is determined to hunt her down and kill her once and for all. Sam, too, arrives, determined to save his sister before it is too late. At the Ball, Caitlin searches everywhere, and finds no sign of Caleb. That is, until the very last dance. She dances with a masked man who takes her heart away, and she feels certain that it is him. But as the partners change, she loses him again. Or does she? Caitlin soon finds herself torn between the two loves of her life, and discovers that she has to be careful what she wishes for. Her joy at finding what she wants might just come mixed with tragedy and heartbreak. In a climactic, action-packed ending, Caitlin finds herself up against true evil, Rome's ancient vampire coven, and the most powerful vampire coven that ever existed. Surviving will demand all her skills, as she finds herself battling for her very life. She will have to sacrifice more than ever, if she is to save the one she loves.... Books #3--#11 in THE VAMPIRE JOURNALS are now also available! Morgan Rice's new trilogy, THE SURVIVAL TRILOGY, a post apocalyptic thriller, is now also available for sale. And Morgan's new epic fantasy series, the #1 Bestselling THE SORCERER'S RING, comprising 10 books and counting, is now also available--with the first book, A QUEST OF HEROES, as a FREE download!

The Call of Cthulhu H. P. Lovecraft,2023-08-31 The Call of Cthulhu by H. P. Lovecraft is a short story by American writer H. P. Lovecraft. Written in the summer of 1926, it was first published in the pulp magazine Weird Tales in February 1928. Plot: The story consists of three interconnected parts, and is presented as notes belonging to Francis Thurston, a Boston resident investigating the ancient deity Cthulhu. The first part, The Horror in Clay, concerns a mysterious clay bas-relief depicting Cthulhu. Thurston finds the bas-relief among the belongings of his great-uncle Professor Angell. The bas-relief was created by sculptor Henry Wilcox in March 1925 while half-asleep. At the time Wilcox was haunted by mysterious visions of Cyclopean cities. Angell also discovered reports of local residents — primarily artists, sculptors, architects, and others of a sensitive psyche — experiencing similar nightmares during that period. The next morning, Wilcox was amazed by his creation and took it to Angell, who noted that the bas-relief was reminiscent of a figurine seized by police from members of a New Orleans religious sect in 1907. In the second chapter, The Tale of Inspector Legrasse, police officer John Legrasse reports at an archaeological society's symposium on his participation in a raid of a sect worshipping Cthulhu, from which the figurine was confiscated. The sect's actions were described as depraved and blasphemous. Local residents feared the sect's orgies, and claimed that human sacrifices were made at these orgies. A team of officers led by Legrasse arrived at the scene in search of several missing squatters. The police detained several sect members, but interrogation yielded little result, as the degraded and insane members stubbornly defended the truth of their cult. One sectarian, Old Castro, proclaimed that Cthulhu's time would come when the stars take a certain position. A phrase chanted by the sect turns out to have been previously

used by a tribe of Eskimos, as revealed by one of the symposium's participants.

Being Dragonborn Mike Piero,Marc A. Ouellette,2021-09-28 The Elder Scrolls V: Skyrim is one of the bestselling and most influential video games of the past decade. From the return of world-threatening dragons to an ongoing civil war, the province of Skyrim is rich with adventure, lore, magic, history, and stunning vistas. Beyond its visual spectacle alone, Skyrim is an exemplary gameworld that reproduces out-of-game realities, controversies, and histories for its players. Being Dragonborn, then, comes to signify a host of ethical and ideological choices for the player, both inside and outside the gameworld. These essays show how playing Skyrim, in many ways, is akin to playing 21st century America with its various crises, conflicts, divisions, and inequalities. Topics covered include racial inequality and white supremacy, gender construction and misogyny, the politics of modding, rhetorics of gameplay, and narrative features.
