**Bath Time!** Sandra Boynton,2023-06-20 From the one and only Sandra Boynton, it's bath time for pig in this waterproof storybook that features a squeak-able snout finale! It's a classic tale of pig meets paint. Spattered with colors from a long day at the easel, pig takes to the tub, washcloth in hoof, determined to get all pink and clean. On the last page of this bath book, readers can push on the snout to make a squeaky squeal. Get it? Squeaky clean! Hey! Hey! What do you say! It's time to take a bath today.

*Duncan's Masonic Ritual and Monitor* Malcolm C. Duncan,2005 The purpose of this work is not so much to gratify the curiosity of the uninitiated as to furnish a guide for the neophytes of the Order, by means of which their progress from grade to grade may be facilitated. Every statement in the book is authentic, as every proficient Mason will admit to himself, if not to be public, as he turns over its pages. The non-Masonic reader, as he peruses them, will perhaps be puzzled to imagine why matters of so little real importance to society at large should have been so industriously concealed for centuries, and still more surprised that society should have been so extremely inquisitive about them.-From the Preface.
