**GLORY** Kahran Bethencourt, Regis Bethencourt, 2020-10-20  
THE INSTANT NEW YORK TIMES BESTSELLER. From Kahran and Regis Bethencourt, the dynamite husband and wife duo behind CreativeSoul Photography, comes GLORY, a photography book that shatters the conventional standards of beauty for Black children. Featuring a foreword by Amanda Seales With stunning images of natural hair and gorgeous, inventive visual storytelling, GLORY puts Black beauty front and center with more than 100 breathtaking photographs and a collection of powerful essays about the children. At its heart, it is a recognition and celebration of the versatility and innate beauty of black hair, and black beauty. The glorious coffee-table book pays homage to the story of our royal past, celebrates the glory of the here and now, and even dares to forecast the future. It brings to life past, present, and future visions of black culture and showcases the power and beauty of recognizing and celebrating oneself. Beauty as an expression of who you are is power. When we define our own standards of beauty, we take back that power. GLORY encourages children around the world to feel that power and harness it.

The Heart of the Photograph David Duchemin, 2020-03-17

**Learn to ask better, more helpful questions of your work so that you can create stronger and more powerful photographs.**

Photographers often look at an image—one they’ve either already created or are in the process of making—and ask themselves a simple question: “Is this a good photograph?” It’s an understandable question, but it’s really not very helpful. How are you supposed to answer that? What does “good” even mean? Is it the same for everyone?

What if you were equipped to ask better, more constructive

questions of your work so that you could think more intentionally and creatively, and in doing so, bring more specific action and vision to the act of creating photographs? What if asking stronger questions allowed you to establish a more effective approach to your image-making? In *The Heart of the Photograph: 100 Questions for Making Stronger, More Expressive Photographs*, photographer and author David duChemin helps you learn to ask better questions of your work in order to craft more successful photographs—photographs that express and connect, photographs that are strong and, above all, photographs that are truly yours.

From the big-picture questions—What do I want this image to accomplish?—to the more detail-oriented questions that help you get there—What is the light doing? Where do the lines lead? What can I do about it?—David walks you through his thought process so that you can establish your own. Along the way, he discusses the building blocks from which compelling photographs are made, such as gesture, balance, scale, contrast, perspective, story, memory, symbolism, and much more. *The Heart of the Photograph* is not a theoretical book. It is a practical and useful book that equips you to think more intentionally as a photographer and empowers you to ask more helpful questions of you and your work, so that you can produce images that are not only better than “good,” but as powerful and authentic as you hope them to be.

*Soul Food Sunday* Winsome Bingham, 2021-11-16 Granny teaches her grandson to cook the family meal in this loving celebration of food, traditions, and gathering together at the table. A 2022 Coretta Scott King Book Award Illustrator Honor Book. On Sundays, everyone gathers at Granny's for Soul Food. But today, I don't go to the backyard or the great room. I follow Granny instead. "You're a big boy now," Granny says. "Time for you to learn." At Granny's, Sunday isn't Sunday without a big family gathering over a lovingly prepared meal. Old enough now, our narrator is finally invited to help cook the dishes for the first time: He joins Granny in grating the cheese, cleaning the greens, and priming the meat for Roscoe Ray's grill. But just when Granny says they're finished, her grandson makes his own contribution, sweetening this Sunday gathering—and the many more to come. Evocatively written and vividly illustrated, this mouthwatering story is a warm celebration of tradition and coming together at a table filled with love and delicious food.
