Joseph A. McCullough

Oathmark Joseph A. McCullough, 2020-04-30 Empires have fallen, and the land is broken. The great oathmarks that once stood as testaments to the allegiances and might of nations have crumbled into ruin. In this lost age, fealty and loyalty are as valuable as gold and as deadly as cold iron, and war is ever-present. Created by Joseph A. McCullough, designer of Frostgrave and Frostgrave: Ghost Archipelago, Oathmark is a mass-battle fantasy wargame that puts you in command of the fantasy army you've always wanted, whether a company of stalwart dwarves or a mixed force with proud elves, noble men, and wild goblins standing shoulder-to-shoulder in the battle-line. Fight through an integrated campaign system and develop your realms from battle to battle, adding new territories, recruiting new troop types, and growing to eclipse your rivals... or lose what you fought so hard to gain and fall as so many would-be emperors before you.

Last Days: Zombie Apocalypse Ash Barker, 2018-06-28 Last Days: Zombie Apocalypse is a skirmish-scale miniatures game of survival horror. It pits players against each other in a nightmarish near-future where the dead have returned to life and are feasting on the living. Players build their own factions, representing desperate civilians, military personnel, or hardened survivors, and must explore, scavenge, and fight in order to survive another day. Rival gangs are only one of the dangers they face – mindless zombies wander the streets, driven by insatiable hunger and drawn by the sound of combat! A gang's ability to scavenge is as vital as their combat ability, and players must ensure that they have the resources to survive in this hostile world. Scenarios and campaigns allow you to develop your gang, gain experience and recruit new henchmen to build up your strength or replace the inevitable casualties of the zombie apocalypse.

Jim Henson's Labyrinth: The Novelization Jim Henson, A.C.H. Smith, 2014-04-22 Fourteen-year-old Sarah must reach the center of a dangerous labyrinth within thirteen hours in order to save her

little brother Toby from Jareth, King of the Goblins.

Black Ops Guy Bowers, 2015-10-20 Black Ops is a skirmish wargame of tactical espionage combat that recreates the tension and excitement of modern action-thrillers such as the Bond and Bourne films. The fast-play rules keep all the players in the thick of the action, while the mission generator provides a wide range of options for scenarios – from stealthy extraction or surveillance missions to more overt raids and assaults. Stealth, combat, and technical expertise all have a role to play, and players may recruit a number of different operative types – spies, mercenaries, criminals, hackers, special forces, and many more – to recruit the best possible team for the job. Players may also choose to join a faction – powerful organizations, intelligence agencies, criminal syndicates, militaries, or rebel groups, each with a stake in international affairs. By doing so, their team may receive certain benefits, but may also find itself limited at a crucial time. With the variety offered by the characters, factions, and scenarios, no two games of Black Ops should ever be the same!

Oathmark: Bane of Kings Joseph A. McCullough, 2021-06-24 Time is the bane of all kings. Always does it march forward, bringing change and challenges, wars and disasters, invaders and internal rebellion. This supplement for Oathmark: Battles of the Lost Age, focuses on the passage of time and its effect on a players kingdom. While wars and battle still determine their ultimate fate, many other events can affect the armies of a kingdom. Plagues and blights can reduce access to soldiers from specific territories. Attempted coups can cost a king some of his best generals. On the other hand, unexpected alliances might give a kingdom access to unusual troops, or the birth of a new heir might bring wondrous presents. Along with the rules for the passing of years, this book also presents the option to train your units to fight in special formations, such as phalanxes, shield walls, and skirmish lines. These will allow players to use their existing armies to try out new strategies and tactics to swing their battle in

their favour. This book also includes several new military expeditions, including numerous scenarios, to once again challenge a player's generalship.

Real Hero Shit Kendra Wells, 2022-02 Bastard Prince Eugene has decided on a whim that he will be a HERO . . . much to the dismay of the adventuring party of Michel, Hocus and Ani. But the decision is out of their hands, and they're forced to take him along on their travels. Life on the road is different than Eugene expected, but there's no time to wallow in pouty disappointment; townsfolk are going missing. It's the perfect opportunity for the prince to save the day, and even make his companions some coin! But unfortunately, his royal highness is about to learn the system that kept him safe in his silk-sheeted bed isn't particularly concerned with the well-being of anyone who isn't him. A funny, moving, tongue-in-cheek fantasy adventure!

Oathmark: Battlesworn Joseph A. McCullough, 2020-08-20 A supplement for Oathmark: Battles of the Lost Age, giving players rules for creating elite units of warriors known as battlesworn and charting their progress from battle-to-battle. In the horror and chaos of battle, the outcome can often hang on the briefest of moments. It is at these times that the actions of one unit can make the difference between victory and defeat. Wise kings know this, and realize that it is often prudent to hold back their best units until they can make the greatest difference. These elite units, called the 'battlesworn', are more than just powerful combatants, they are symbols of the glory and honour of a kingdom. All young warriors hope to one day join their ranks and add their oathmarks beside those legendary fighters. This supplement for Oathmark: Battles of the Lost Age contains rules for adding elite units to your armies and charting their progress from battle to battle. Will they grow even more powerful as they gain renown, or be broken in the face of tremendous odds, perhaps someday to be reformed when their kingdom needs them most? Also included are rules for rivers and boats as well as

campaigns, featuring all-new scenarios that will give your battlesworn the chance to lead their kingdom to new heights of power and prestige.

One-Hour Wargames Neil Thomas, 2014-09-03 A fun and practical new approach to wargaming that lets you complete a game in about an hour—includes rule sets and scenarios for most popular periods. One of the biggest problems facing wargamers is finding the time to actually play. Most commercially available games require several hours to set up and see to a conclusion; some can even take a whole day or weekend to complete. Apart from time, lack of space can also keep wargamers from enjoying their favorite pastime. In One-hour Wargames, veteran gamer and rule-writer Neil Thomas has addressed both problems. Now it is practical to play a satisfying game in around an hour on a normal dining table or living room floor. The book contains 8 all-new sets of very simple rules for various periods—from Ancient to WW2—and thirty stimulating scenarios which can be played using any of them. All the rules and scenarios are intended to be played on a 3ft x 3ft battlefield. The rules only require a small number of miniatures, so this really is an ideal way for new gamers, or veterans trying a new period, to get started with minimal investment of time and money. Also ideal for a quick game in the evening with a friend. Also included are sections on campaigns and solo games.

Oathmark: Oathbreakers Joseph A. McCullough, 2020-11-26 Dark necromancers have laid claim to forsaken kingdoms and summoned forth the souls of those who defiled their oathmarks. The dead, once again, march to war. As armies of wraiths and skeletal warriors bring destruction to their lands, the small kingdoms of the Marches also turn to the spirits of the dead. Gathering the most ancient and powerful of oathmarks, they recall the spectral forms of those that died in loyal battle to once again come forth in defence of their kingdoms. With these ethereal warriors joining their ranks, the kings of the Marches may yet

stand. This supplement for Oathmark: Battles of the Lost Age introduces the forces of the dead to the game. Some armies will use dark magic to summon the souls and corpses of traitors from the past, while others will recall the spirits of loyal warriors that gave their lives and willingly fight again. This book also includes expanded rules for characters, which allow you to chart their progress from battle-to-battle, and watch as they grow in rank, responsibility, and power. All of these rules are then incorporated into a campaign featuring new scenarios that together tell of an epic war for survival.
