The World of WearableArt Martin De Ruyter,2009

One of the most interesting cultural phenomena in New Zealand over the past 20 years has been the spectacular success of the World of WearableArt. This an annual competition and award show that explores the intersection between fashion and art, through a genre popularly known as wearable art. This unique event, which draws an audience in Wellington of around 35, 000 people, has encouraged an explosion of creative activity, inspiring a wide range of fashion designers, artists, costume makers and other craft artists from all over the world to participate. The garments are constructed from an extraordinary array of materials - car parts, wood shavings, zips, silk, potato chip packets, seaweed, slices of toast, old telephone parts, paper clips, corrugated iron, gloves, feathers - the list is endless. THE WORLD OF WEARABLEART is the second edition of this truly original visual design sourcebook. Completely revised with all new photographs, it features the best garments that have been entered over recent years in a remarkable celebration of the diversity and creativity of wearable art.

The Dark Underworld D L Blade,2019-05-06 繁體中文
While the first book of this series introduced you to the characters and the fascinating world the author has created; this book brings the story to a whole new level. Family is more than blood; they're people you would shed blood for. East Greenwich is a town shrouded in secrets. A fact that Mercy is scarred emotionally and physically by.

Since her Awakening and joining the coven, Mercy had to sever all ties her previous body harbored; including her feelings for Dorian and Caleb-so she could channel her full witch powers to protect the coven. It doesn't make them any less of a target when dark forces are baring their fangs in the shadows. When one of their own is attacked; the entire coven is prepared to track down the immortal-or mortal-responsible. A new vampire clan has made Providence their hunting ground; their leader is someone a little too close to home for Mercy. No one is safe. Even Angels fall. Bodies of the innocent are crowding the morgue. Tensions rise between them as they race to investigate the intentions behind this murderous killing spree. Mercy is far from the woman she used to be before her Awakening-shoulder to shoulder; she'll stand against this threatening darkness. For the coven; her family. Not all will survive the fight. As Elements align-strength and sacrifice combine. Author Notes & Disclaimer: Violence, mild language, non-graphic intimacy scene and attempted rape scene. This will be a three-book series. It is recommended to read book one, 'The Dark Awakening' before reading book two. Their final battle will conclude in book three, and will be released in the fall of 2019 or spring of 2020
