The Republican Takeover of Congress Dean McSweeney,John E. Owens,2016-07-27 An electoral earthquake hit the American political landscape in 1994. As the Republican Party won control of the House of Representatives for the first time since 1954 and control of the Senate for the first time since 1986, the longest uninterrupted period of single party rule in the entire history of the United States Congress came to an end. The new congressional majorities were the most conservative in 50 years and immediately proceeded to dominate the political agenda in Washington. Scholars from Britain and the United States document these momentous developments, evaluating their impact on America's political institutions and political culture and their significance for the future development of American politics and government.

Girl Waits With Gun Amy Stewart,2015-09-01 NATIONAL BESTSELLER. The first in the Kopps Sisters Novel Series, Girl Waits with Gun is an enthralling novel based on the forgotten true story of one of the nation's first female deputy sheriffs. Constance Kopp doesn't quite fit the mold. She towers over most men, has no interest in marriage or domestic affairs, and has been isolated from the world since a family secret sent her and her sisters into hiding fifteen years ago. One day a belligerent and powerful silk factory owner runs down their buggy, and a dispute over damages turns into a war of bricks, bullets, and threats as he unleashes his gang on their family farm. When the sheriff enlists her help in convicting the men, Constance is forced to confront her past and defend her family - and she does it in a way that few women of 1914 would have dared. A New York Times Editors' Choice "A smart, romping adventure, featuring some of the most memorable and powerful female characters I've seen in print for a long time. I loved every page as I followed the Kopp sisters through a too-good-to-be-true (but mostly true!) tale of violence, courage, stubbornness, and resourcefulness."-Elizabeth Gilbert
