**World's Finest** Dave Gibbons,Karl Kesel,Steve Oliff,2020-09-01 Superman and Batman take on their archnemeses — Lex Luthor and the Joker — in this Deluxe Edition of a classic tale from the 1990s by Dave Gibbons (WATCHMEN, GREEN LANTERN CORPS) and Steve Rude (Nexus)! Superman and Batman are the World's Finest heroes, and they couldn't be more different. But they have more in common than they realize. For one, they're both orphans of a sort — one who has lost not just his parents but his world; and another who witnessed the cold-blooded murder of his parents. Now they must come together to battle two of the most feared villains!

**Horseradish** Lemony Snicket,2007 Lemony Snicket's work is filled with bitter truths, like: 'It is always cruel to laugh at people, of course, although sometimes if they are wearing an ugly hat it is hard to control yourself.' Or: 'It is very easy to say that the important thing is to try your best, but if you are in real trouble the most important thing is not trying your best, but getting to safety.' For all of life's ups and downs, its celebrations and its sorrows, here is a book to commemorate it all - especially for those not fully soothed by chicken soup. Witty and irreverent, Horseradish is a book with universal appeal, a delightful vehicle to introduce Snicket's uproariously unhappy observations to a crowd not yet familiar with the Baudelaires' misadventures.

**Twelve Years a Slave** Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other

black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

*Shadows Beneath* Brandon Sanderson, Mary Robinette Kowal, Dan Wells, Howard Tayler, 2014-06-29 From the Hugo Award-winning hosts of the Writing Excuses writing advice show comes a collection of all-new stories of the fantastic, with beautiful illustrations and a behind-the-scenes look at each story's creation. Brandon Sanderson's "Sixth of the Dusk," set in his Cosmere universe shared by the Mistborn books and the #1 New York Times bestselling Stormlight Archive, showcases a society on the brink of technological change. On the deadly island of Patji, where predators can sense the thoughts of their prey, a lone trapper discovers that the island is not the only thing out to kill him. Mary Robinette Kowal's "A Fire in the Heavens" is a powerful tale of a refugee seeking to the near-mythical homeland her oppressed people left centuries ago. When Katin discovers the role the "eternal moon" occupies in the Center Kingdom, and the nature of the society under its constant light, she may find enemies and friends in unexpected places. Dan Wells's "I.E. Demon" features an Afghanistan field test of a piece of technology that is supposed to handle improvised explosive devices. Or so the engineers have told the EOD team that will be testing it; exactly what it does and how it does it are need-to-know, and the grunts don't need to know. Until suddenly the need arises. Howard Tayler's "An Honest Death" stars the security team for the CEO of a biotech firm about to release the cure for old age. When an intruder appears and then vanishes from the CEO's office, the bodyguards must discover why he is lying to them about his reason for pressing the panic button. For years the hosts of Writing Excuses have been offering tips on brainstorming, drafting, workshopping, and revision, and now they offer an exhaustive look at the entire process. Not only does *Shadows Beneath* have four beautifully illustrated fantastic works of fiction, but it also includes transcripts of brainstorming and workshopping sessions, early drafts of the stories, essays about the stories' creation, and details of all the edits made between the first and final drafts. Come for the stories by award-winning authors; stay for the peek behind the creative curtain.

**Ethics beyond Rules** Keith D Stanglin, 2021-08-17 An introduction to ethics that will help Christians rediscover a moral reasoning rooted in Scripture and navigate the ethical crises of our time. How should Christians live? How should we interact with one another? Why do we think the way we do about right and wrong? How should we approach today's complex moral questions? Keith Stanglin realigns our ethical thinking around the central question: What does real love require? applying it to our ethical reasoning on many of the social issues present in today's culture: abortion sexual ethics consumerism technology race and politics Moral evaluation must be based on more than our subjective feelings or the received wisdom or majority opinion of our community. But thinking objectively and reasonably about our ethical commitments is a process that's rarely taught in contemporary education or even in churches. Ethics

Beyond Rules is a clear and accessible introduction for thoughtful Christians who want to lead moral lives—who want to define their moral code by firm biblical standards while acknowledging the complex nature of the issues at hand. Stanglin's love-based framework for moral decision-making engages Scripture and the historic Christian faith, giving Christians the tools to clear-mindedly consider the ethical problems of today and the foundation to confront new issues in the years to come.

The King and I Herbert Breslin,Anne Midgette,2004-10-19 Luciano Pavarotti's longtime manager and friend tells all. All. The King and I is the story of the

thirty-six-year-old business relationship between Luciano Pavarotti and his manager, Herbert Breslin, during which Breslin guided what he calls, justifiably, “the greatest career in classical music.” During that career, Breslin moved Pavarotti out of the opera house and onto the concert (and the world) stage and into the arms of a huge mass public. How he and Pavarotti changed the landscape of opera is one of the most significant and entertaining stories in the history of classical music, and Herbert Breslin relates the tale in a brash, candid, witty fashion that is often bitingly frank and profane. He also provides a portrait of his friend and client—“a beautiful, simple, lovely guy who turned into a very determined, aggressive, and somewhat unhappy superstar”—that is by turns affectionate and satirical and full of hilarious details and tales out of school, with Pavarotti emerging as something like the ultimate Italian male. The book is also enlivened by the voices of other players in the soap opera drama that was Pavarotti’s career, and they are no less uncensored than Herbert Breslin. The last word, in fact, comes from none other than Luciano Pavarotti himself! *The King and I* is the ultimate backstage book about the greatest opera star of the past century—and it’s a delight to read as well.
