From All of Us to All of You The Disney Christmas Card Jeff Kurtti,2018-10-02 One of the nicest things about the holiday season is exchanging greetings with our many friends, for these messages from all over the world represent the true spirit of Christmas in many different ways. -Walt Disney Imagine how special that greeting might be if sent by none other than Walt Disney! Early in the history of the Walt Disney Studios, annual Christmas themed greeting cards were created, their designs and illustrations by such legendary Disney Studio artists as Tom Wood, Hank Porter, Bob Moore, Mary Blair, John Hench, and Paul Wenzel. Over eight decades, the artists also fashioned annual seasonal art for merchandise and advertisements, and in support of motion pictures, television programs, and the Disney Parks and Resorts. *From All of Us to All of You: The Disney Christmas Card* features beloved characters and moments from these rarely seen and seldom-published examples of vintage Disney imagery. Gift-wrapped and sparkling in the spirit of the season, this one-of-a-kind collection of familiar, festive, fun, and feeling holiday art shines a light on a remarkable body of work and the people who created it, all while celebrating that most wonderful time of the year.

Disney During World War II John Baxter,2014-10-28 *Disney During World War II* encompasses the full range of material created by the Disney studio during the war, including ground-breaking training and educational films for the military and defense industries, propaganda and war-themed shorts and features, home front poster art, and the stunning military unit insignia that provided those serving in the armed forces with a morale-boosting reminder of home. The book makes it clear how deeply Walt invested himself in the cause by patriotically placing his studio at the disposal of Uncle Sam. Replete with period graphics, *Disney During World War II* showcases Walt Disney's largely unheralded sacrifices in the pursuit of Allied victory, showing the inner workings of a wholesome family entertainment studio transformed almost overnight into a war plant where even the studio's stable of established characters were temporarily reinvented as warriors and team-oriented, patriotic American citizens.

Tess is eating a hot dog when the Boardwalk's roller coaster—the Devil's Elbow—jumps the track, hangs for a moment in the air, and then plummets to the ground. One of Tess's classmates is dead on impact, two are forever maimed, and over twenty others are taken to the hospital. It's the worst tragedy Santa Luisa has ever seen, but it's only the beginning./divDIV /divDIVAs people rush to help, Tess spies a black-suited figure running away from the crowd. The crash was no accident. Five more teens will suffer before the killer is through, and Tess may be about to put herself on the list of victims./divDIV /divDIVThis ebook features an illustrated biography of Diane Hoh including rare photos and never-before-seen documents from the author's personal collection./div

The Black Lizard Big Book of Black Mask Stories Otto Penzler, 2012-05-09 An unstoppable anthology of crime stories culled from Black Mask magazine the legendary publication that turned a pulp phenomenon into literary mainstream. Black Mask was the apotheosis of noir. It was the magazine where the first hardboiled detective story, which was written by Carroll John Daly appeared. It was the slum in which such American literary titans like Dashiell Hammett and Raymond Chandler got their start, and it was the home of stories with titles like "Murder Is Bad Luck," "Ten Carets of Lead," and "Drop Dead Twice." Collected here is best of the best, the hardest of the hardboiled, and the darkest of the dark of America's finest crime fiction. This masterpiece collection represents a high watermark of America's underbelly. Crime writing gets no better than this. Featuring • Deadly Diamonds • Dancing Rats • A Prize Fighter Fighting for His Life • A Parrot that Wouldn't Talk Including • Dashiell Hammett's The Maltese Falcon as it was originally published • Lester Dent's Luck in print for the first time
