**Keeper of the Souls** C. Evelyn-Holland,2018-11-15 Everyone in the small town of Meridian, Mississippi knew that Elizabeth Anne François did spiritual work. Nobody but God and her hapless victims knew anything about the soul snatching. After suffering a devastating loss, Elizabeth goes on a murderous rampage and is forced to flee Mississippi with little more than the clothes on her back. She races toward her destiny in Plainfield, NJ, with the souls of her victims stashed inside little black cauldrons, and a very determined FBI Agent hot on her trail. Nephilim killing machine, Ephraim Armors, is the most hunted male on earth and throughout the Hells. The human authorities want him for murder, racketeering, and conspiracy. Zuet, the fearsome demon who rules over all seven levels of the Hells as The Satan, has placed a bounty on his head for the wanton murder of one of his sons. And Zion Shemyaza, the Mighty King of the Nephilim, seeks his execution for murdering the wife of a Nephilim aristocrat, and for peddling a deadly drug to members of the Nephilim Nation. According to Nephilim intelligence, Armors was last sighted in Plainfield, NJ. It is the long hot summer of 67'. One urban city after the other is running a relay race toward revolution. Melanated humans are setting cities ablaze while battling against institutions erected by overseers that tote guns instead of whips, and legal repression instead of chains. The baton has already been passed to Newark. It is just a matter of time before nearby Plainfield is tagged in, and the fickle finger of fate brings these two broken souls together. And when they do.....

**Achtung-Panzer!** Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Singapore, Clearday(TM) has developed from a small startup into a leading international cosmetic brand in less than a year. But when a draft of the company's latest skin cream advert is leaked, the video goes viral globally for all the wrong reasons.
