Richard Nixon: the Man Behind the Mask Gary Allen,1971

The Nixon Presidency Kenneth W. Thompson,1987 This Nixon portrait provides a comprehensive view of the Nixon presidency based on extensive oral histories with some twenty-two intimates of the former President. Co-published with the Miller Center of Public Affairs.

From: the President Richard Milhous Nixon,1989

Pat and Dick Will Swift,2014-08-05 A nuanced study of the partnership between the 37th President and his wife argues that the couple endured political and intimate disappointments throughout their 53-year marriage but ultimately shared genuine affection and compromises, in an account based on recently released wartime letters and close associate interviews.

Ike and Dick Jeffrey Frank,2013-02-05 Dwight D. Eisenhower and Richard Nixon had a political and private relationship that lasted nearly twenty years, a tie that survived hurtful slights, tense misunderstandings, and the distance between them in age and temperament. Yet the two men brought out the best and worst in each other, and their association had important consequences for their respective presidencies. In *Ike and Dick*, Jeffrey Frank rediscovers these two compelling figures with the sensitivity of a novelist and the discipline of a historian. He offers a fresh view of the younger Nixon as a striving tactician, as well as the ever more perplexing person that he became. He portrays Eisenhower, the legendary soldier, as a cold, even vain man with a warm smile whose sound instincts about war and peace far outpaced his understanding of the changes occurring in his own country. Eisenhower and Nixon shared striking characteristics: high intelligence, cunning, and an aversion to confrontation, especially with each other. *Ike and Dick*, informed by dozens of interviews and deep archival research, traces the path of their relationship in a dangerous world of recurring crises as Nixon's ambitions grew and Eisenhower was struck by a series of debilitating illnesses. And, as the 1968 election cycle approached and the war in Vietnam roiled the country, it shows why Eisenhower, mortally ill and despite his doubts, supported Nixon's final attempt to win the White House, a change influenced by a family matter: his grandson David's courtship of Nixon's daughter Julie—teenagers in love who understood the political stakes of their union.

Together you'll explore pencil drawing as a serious medium—not just a preliminary step in painting ... Calle begins with a brief history of the development of pencil and its use by past masters. His discussion of types of pencils, paper surfaces, fixatives and erasers sets the stage for a series of demonstrations of various picture projects. You'll do trial renderings of key sections of a picture, plan the direction of your strokes, and make corrections. You'll also practice drawing the head, hands,

and figure; learn how to handle perspective, compositions, shadows, and textures; and find advice on using photographs and other drawing aids. Above all, you'll learn how to convey through your drawings a sense of purpose and the feeling of movement, emotion, or direction.

Mercenaries of Gor John Norman,2014-04-01 Tarl Cabot is caught up in intrigues and rivalries on the planet of Gor in this science fantasy adventure. On Gor, there are numerous mercenary companies—some larger, some smaller—whose services may be purchased or bid upon for given periods of time. The allegiance of these companies is to their pay and their captains. The forces of Cos and Tyros, powerful maritime ubarates, and their allies have now beached upon the mainland and are utilizing the city of Torcodino as a repository for supplies, in preparation to march on a nigh-undefended and unprepared Ar. Should Ar fall, the disinterested tolerances and neutralities, and even the balance of power long sustained between Ar and the great maritime ubarates—things that made the existence of the independent companies possible—will vanish, a development threatening the very existence of the independent companies. But when Cabot arrives in Ar, it is a city rife with doubt, dissension, and treason. To whom shall the letters be delivered, and whom can he trust? Rediscover this brilliantly imagined world where men are masters and women live to serve their every desire. Mercenaries of Gor is the 21st book in the Gorean Saga, but you may enjoy reading the series in any order.

A Remarkable Mother Jimmy Carter,2008-04-01 A Remarkable Mother is President Carter's loving, admiring, wry homage to Miss Lillian Carter, who championed the underdog always, even when her son was president. A registered nurse, pecan grower, university housemother, Peace Corps volunteer, public speaker, and renowned raconteur, Miss Lillian ignored the mores and prejudices of the racially segregated South of the Great Depression years. She was an avid supporter of the Brooklyn Dodgers (because she happened to attend the first major league baseball game in which Jackie Robinson, from Cairo, Georgia, played), was a favored guest on television talk shows (usually able to steal the microphone from hosts such as Johnny Carson and Walter Cronkite), and an important role model for the nation. Jimmy Carter's mother emerges from this portrait as redoubtable, generous, and forward-looking. He ascribes to her the inspiration for his own life's work of commitment and faith.
