Big Bosoms and Square Jaws Jimmy McDonough,2006-06-27 Russ Meyer, cult hero, creator of the sexploitation film, and the man the Wall Street Journal called the King Leer of Hollywood, made movies that filled the big screen with "big bosoms and square jaws." In the first candid and fiendishly researched account of the late cinematic instigator's life, Jimmy McDonough shows us how Russ Meyer used that formula to turn his own crazed fantasies into movies that made him a millionaire and changed the face of American film forever. This former WWII combat photographer immortalized his personal sexual obsession upon the silver screen, creating box-office gold with *The Immoral Mr. Teas* in 1959. The modest little film pushed all preexisting limits of on-screen nudity, and with its success, the floodgates of what was permitted to be shown on film were thrust open, never to be closed again. Russ Meyer ignited a true revolution in filmmaking, breaking all sex, nudity, and violence taboos. In a career that spanned more than forty years, Meyer created a body of work that has influenced a legion of filmmakers, fashionistas, comic book artists, rock bands, and even the occasional feminist. Bringing his anecdote- and action-packed biographical style to another renegade of popular culture, New York Times bestselling author of *Shakey* Jimmy McDonough offers a wild, warts-and-all portrait of Russ Meyer, the director, writer, producer, and commando moviemaking force behind the sexploitation classics *Vixen*, *Beyond the Valley of the Dolls*, *Faster, Pussycat! Kill! Kill!* and many others. *Big Bosoms and Square Jaws* blows the lid off the story of Russ Meyer, from the beginning to his recent tragic demise, creating in the process a vivid portrait of a past America.

The Flagellants Carlene Hatcher Polite,1967 *The Flagellants* is the story of the romantic relationship between Ideal and Jimson. After a brief prologue establishing Ideal's childhood connection to a black community called the Bottom, the novel unfolds as a series of arguments between the couple, representing the historical gender conflicts between black men and women.--eNotes.

Flying the Hump Otha Cleo Spencer,1992 Forfatteren, der i perioden 1941-1946 var amerikansk pilot, beretter om de livsvigtige transportflyvninger, der under 2. verdenskrig fandt sted med militære forsyninger og personel fra Indien og Burma over Himalaya-bjergene til Kina.

Grave Bound T. R. Graves,2013-03-04 Emily Riddle has lived her entire life inside a patriarchal commune led by her father. There are many rules, but the most important one, 'keep it in the commune', is the most difficult for her to follow... especially since the only people willing to champion her cause live on the outside. When Emily learns her father has promised her to Lorenzo, a perverted man who has plans for her that extend well beyond marriage and kids, she rebels. Regardless of the consequences, she refuses to marry someone who'd rather beat her than caress her. A day of hooky that starts out as a tiny act of defiance - sneaking out of the commune for a swim - turns into a day filled with hope. After spending time with Levi, a man camping near the lake, she finds what true romance looks like and catches a glimpse into a future that's filled with love and admiration rather than hate and submission. That tiny peek is enough to change the course of Emily's existence and makes it nearly impossible for her to go back to the commune and pretend she'll ever be able to tolerate the life chosen for her instead of the life she longs for. One that includes Levi. Fighting to escape the commune, its leaders, and her fiancé proves to be more dangerous than Emily expected. The secrets she knows, as the leader's daughter, will either follow her to the grave or send her - and Levi - there.
