Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

One Degree of Change Larry Jackson, 2015-01-23 This book was written for the person who understands that there is so much more for them to accomplish but just can't seem to breakthrough. One of the traps in life is being satisfied with a 211 degree life. This is a very good life and many would characterize it as a successful life. But for the person who should be living at 212 degrees they feel like the oyster with sand in its shell, very agitated. Many times they can't put their finger on what is wrong or what is needed. Even the Christian living a good life before God can feel that something is missing. The thing missing is their purpose. They love the Lord and all that He provides but they realize there is more they should be doing for Him. If you feel like you are not walking in your purpose then this is the book for you! One Degree of Change: How to Succeed Now! will open your heart and mind to just how close you really are to accomplishing what the Lord has designed you for. It will provide much needed answers for your advancement. Because you are only one degree from the success you desire.

A Storm of Horses Ruth Sanderson, 2022-02-14 An inspiring picture book about Rosa Bonheur, the most famous and best-selling painter of her century In a stunning ode to underrepresented women everywhere, award-winning illustrator Ruth Sanderson tells the untold story of French artist Rosa Bonheur in this picture book biography. Rosa Bonheur was born in 1822 in France at a time when young women had limited options beyond being a wife and mother. But Rosa wouldn't stand for this. She wore pants, rode horses astride, and often broke society's rules. She wanted to be a famous painter just like her father. Female artists at the time were encouraged to paint domestic scenes of children and family, but Rosa was determined to capture the unbridled wild beauty of horses. Her masterpiece *The Horse Fair* was eight feet high and sixteen feet wide. Rosa went on to become the most celebrated artist of her time with paintings purchased by art collectors, museums, and galleries around the world. With the decline in popularity of realistic painting, Rosa's trailblazing story was almost forgotten. Revel at the bravery and fortitude of young Rosa as you take in Ruth Sanderson's immaculate rendition of her life and artistry.

Now, these remarkable editorials have been gathered together in a single indispensable book, [which] will encourage thoughtful people everywhere to oppose the brazen acts of a man who is patently unfit to preside over the American republic.--Back cover.

They want to see any trace of Henry's death disappear like yesterday's paper. So Teddy sets out to find the truth. With the help of Summer McCracken, a fiesty girl with secrets of her own, the two narrow down their prime suspects. Is it Martin Del Gato, FunJungle's head of operations who hates kids and hates animals even more? Or J.J McCracken, the owner of FunJungle and and hates animals even more? Or J.J McCracken, the owner of FunJungle and Summer's father, who has more concern for the dough he's raking in than the animals in the zoo? As their investigation goes on, Teddy gets squeezed on all sides to quit asking questions or Henry won't be the only animal in the zoo to turn up dead. The deeper Teddy and Summer get, they had better make sure they want to know what they want to know because when it comes to hippo homicide, the truth can't be kept in a cage!
