The Pole Vault Championship of the Entire Universe

Conor Lastowka, 2018-01-30 Kara Everglades has just finished her first year of high school and is longing for an adventure. So far her only option is an invitation from some upperclassmen to watch them drunkenly race a bunch of bullfrogs in a ditch. To be honest, she was hoping for something a bit more exciting. Her grandfather, Cornelius Everglades, is a renegade who founded his own island micronation. Unfortunately, the rest of the world refuses to acknowledge it (possibly because he's gone about the nation-building process using wildly illegal and unethical means). When Cornelius shows up at Kara's door needing her help and promising an adventure, Kara agrees to go along with his far-fetched plan to put his micronation on the map, even though a) she thought Cornelius was dead, and b) his scheme depends heavily on Kara wearing a mascot costume. If Kara had known about the giant alien spaceship currently speeding toward her grandfather's country with the intent to subjugate and humiliate mankind, she might have reconsidered.

Claw the Giant Ape (Beast Quest #8) Adam Blade, 2011-08-01 One boy's journey to save his village becomes a quest to save the Kingdom. Everyone in Avantia knows the terrors of the jungle: creatures that pluck men from the ground and eat them whole; plants whose rich scents could overwhelm a person at twenty paces. Few dare to enter--and fewer still return. But Tom has no choice. The next stage of his journey lies at the very heart of the

jungle, where a terrible creature resides, evil as the wizard who created him.
