Everyone Can Learn Origami Peter Saydak,2017-11-18 The ultimate book for beginners who want to learn origami! In this book you'll learn all the basic folds and techniques through incredibly detailed sets of diagrams and written instructions. After learning the basics you'll find easy to follow instructions showing how to fold 77 traditional origami models including animals, flowers, insects, boxes and much more. By working through this book and folding the different models you'll practice all the different folds and techniques, improving your skills and folding progressively more complex origami. When you reach the end you'll know everything you need to become an origami master! Please note, this book is not for you if you're already an origami expert. If you know how to fold the traditional origami frog from a frog base then you probably already know everything this book can teach you.

Origami Made Simple Russell Wood,2020-04-14 Spark a lifetime of creativity with a few sheets of paper! Discover the art of paper folding with Origami Made Simple. Featuring 40 classic and original origami models, complete with detailed diagrams and written instructions for every step, it's the fastest way for you to start creating eye-catching paper sculptures. If you're new to origami, the iconic yet approachable designs in this book are a great way to hone your skills--and have a blast doing it. Start with straightforward models that take 10 steps or less and work your way up to more complex creations. No matter the level of difficulty, every model is diagrammed for ease of use, with tricky folds highlighted and broken down into multiple steps. This origami book includes: Classic and contemporary--Try your hand at recognizable models, like Crane and Sailboat, as well as original designs, like Cobra and Teapot. Tips and techniques--Pay attention to tips that help you select the right paper, work through tough steps, and add your own creative twist. Symbol glossary--Find a comprehensive guide to standard origami symbols, as well as helpful info on how to read origami diagrams. Fold up some fun with Origami Made Simple!

Origami Birds John Montroll,2013 This compilation of 34 original models by origami master John Montroll offers folders illustrated directions for creating a fabulous array of avian creatures.
