Michael Moorcock

Craft: Volume 01 Carla Sinclair, 2006-11-28 CRAFT is the first project-based magazine dedicated to the renaissance that is occurring within the world of crafts. Celebrating the DIY spirit, CRAFT's goal is to unite, inspire, inform and entertain a growing community of highly imaginative people who are transforming traditional art and crafts with unconventional, unexpected and even renegade techniques, materials and tools; resourceful spirits who undertake amazing crafting projects in their homes and communities. Volume 01, the premier issue, features 23 projects with a twist! Make a programmable LED shirt, turn dud shoes into great knitted boots, felt an iPod cocoon, embroider a skateboard, and much more.

Elric The Stealer of Souls Michael Moorcock, 2008-02-19 "The stories here are the raw heart of Michael Moorcock. They are the spells that first drew me and all the numerous admirers of his work with whom I am acquainted into Moorcock's luminous and captivating web." –from the Foreword by Alan Moore, creator of *V for Vendetta* When Michael Moorcock began chronicling the adventures of the albino sorcerer Elric, last king of decadent Melniboné, and his sentient vampiric sword, Stormbringer, he set out to create a new kind of fantasy adventure, one that broke with tradition and reflected a more up-to-date sophistication of theme and style. The result was a bold and unique hero—weak in body, subtle in mind, dependent on drugs for the vitality to sustain himself—with great crimes behind him and a greater destiny ahead: a rock-and-roll antihero who would channel all the violent excesses of the sixties into one enduring archetype. Now, with a major film in development, here is the first volume of a dazzling collection of stories containing the seminal appearances of Elric and lavishly illustrated by award-winning artist John Picacio—plus essays, letters, maps, and other material. Adventures include "The Dreaming City," "While the Gods Laugh," "Kings in Darkness," "Dead God's Homecoming," "Black Sword's Brothers," and "Sad Giant's Shield." An indispensable addition to any fantasy collection, *Elric: The Stealer of Souls* is an unmatched introduction to a brilliant writer and his most famous—or infamous—creation. "The most significant UK author of sword and sorcery, a form he has both borrowed from and transformed." —The Encyclopedia of Fantasy From the Trade Paperback edition.

Phoenix in Obsidian Michael Moorcock, 1988

The Golden Barge Michael Moorcock, 2013-04-11 Jephraim Tallow went naked to his mirror and viewed his strange body - stranger now for the absence of a navel. The blood had gone and so had his navel. Tallow deliberated upon this discovery and then, frowning, returned to bed. A number of hours later, Tallow awoke, put his hand into his mouth and found no blood, slid his large hand down his scrawny length and found no navel. He sighed and arose, donned his sackcloth clothes, opened the door of the hovel and looked out into the dark day full of mist. The mist was coming off the river, close by. This is the story of Jephraim Tallow's obsession with a mysterious golden barge, which he follows down-river, in the belief that, should he be able to board it, the answers to the mystery of his existence will be made clear.

The Steel Tsar Michael Moorcock, 2018-10-04 In his epic adventures in the alternative Twentieth Centuries, Chrononaut Oswald Bastable, member of the League of Temporal Adventurers, has crossed and re-crossed many different time-streams. Some of his previous experiences have been told in *The Land Leviathan* and *The Warlord of the Air*. Now, in what may be the last

communication from him, he tells of a world in which the Bolshevik Revolution never happened... The Steel Tsar finds him travelling backwards in time from a shell-shocked Singapore to a Russian Empire seething with conflict and preyed on by motley bands of rogues and adventurers. Here he meets up with fellow-time-traveler Miss Una Persson, and together they change the course of a history whose legendary deeds exceed the bounds of everyday imagination and glitter in the exuberant land of the eternal present.

The Sword and the Stallion Michael Moorcock, 1974-01
