The Buffalo Head R. M. Patterson, 2011-02-01 The wildest, loveliest and least-travelled region of Alberta was R.M. Patterson's home territory in the 1930s and '40s. The Buffalo Head ranch was located in the foothills of the majestic Canadian Rockies. With the mountains as a backdrop, this dude ranch hosted visitors from around the world. Patterson bought it from its founder, a wild Italian named George Pocaterra, and explored the steep valleys and high mountain passes. Patterson's tales of the ranch in The Buffalo Head culminate with a fantastic story of meeting a growling grizzly while crossing the Continental Divide in an October snowstorm.

Original Grin Ron English, 2019-07-16 Through his highly subversive art Ron English (b. 1959) has bombed the global landscape with striking and often unsettling imagery. He coined the term POPaganda to describe his signature and darkly satirical renderings of corporate branding icons. Ranging from superhero mythology to pillars of art history, his work is populated with a vast and constantly growing arsenal of original characters such as MC Supersized, the obese fast-food mascot featured in the hit movie *Supersize Me*; and Abraham Obama, which fused America's 16th and 44th Presidents, an image that was posited by the media as having directly impacted the 2008 election. His cameo on *The Simpsons* secured his position as America's premier pop iconoclast. This book is the first complete retrospective of English's work, compiling his paintings, illustrations, toys, sculpture, street art, and agit-pop. Additionally, it contains a lengthy and comprehensive interview with the artist conducted exclusively for this publication.

If Anything Happens I Love You Will McCormack, Michael Govier, 2022-09-27  
Unimaginable loss yields to the power of human connection in this simple, moving story from the filmmakers of the eponymous Oscar-winning film. An elegy on grief. Heavy pain exquisitely rendered. Kirkus Starred Review Based on the Academy Award-winning animated short by the same name, *If Anything Happens I Love You* is a young adult graphic novel that follows two parents as they reckon with the loss of their young daughter, Rose, in a school shooting. Readers follow Rose from "above" as she watches her parents slowly break down under the weight and pain of their loss. Throughout the novel, Rose's soul seeks to help her parents reconnect. We learn who Rose was and how much life she lived in her short time. By incorporating a wide range of characters, her boyfriend, teacher, and her cat, Rose is able to introduce healing into the lives of the people she left behind. *If Anything Happens I Love You* may be a story about loss, but in it we see ourselves—in the grief, the pain, and, most importantly, in the fight toward human connection, love, and acceptance.

**The Art of Exile** Sarah K. Lukas, Clare Harris, 1998 The Tibetan Homes Foundation in Mussoorie, India, was established in 1962 under the direction of His Holiness the Dalai Lama. It was formed as an emergency measure to receive the waves of refugee children arriving from Tibet, escaping persecution. Along with a standard English curriculum, THF has created a traditional living environment and classes that are designed to foster the knowledge and preservation of Tibetan culture. A painting club was established in 1995 by the Friends of Tibetan Women's Association to provide these children with a creative way to share their stories of leaving Tibet, their remembrances of home, and to give new and colorful expression to their lives as exiles in India. *The Art of Exile: Paintings by Tibetan Children in India* is a moving collection of interviews, photographs, and paintings from

the children of Tibet-in-exile. It reveals the deep personal struggles and triumphs of these brave and vibrant individuals. It also illuminates the depth of commitment by the Tibetan people to keep their unique culture and language alive. Visually it presents often remarkably accomplished works of art, many that derive from the ancient thangka tradition of Tibet.

It demonstrates how to interpret paleontological research through the lens of an artistic depiction with examples. There are over 250 illustrations feature pencil drawings, gouache, oil paint, and digital media. Step-by-step projects demonstrate the use of both traditional and digital media, the use of unique techniques and sources of reference, and building up dinosaur anatomy from basic shapes. *Achtung-Panzer!* Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

Hat Pins E. Eckstein,2008-03-04 Hats replaced bonnets as headgear for women around the 1890s and hat pins were needed to secure the hats firmly; they

were essential for the larger hats worn around 1910-12. The hat-pin industry expanded rapidly, producing pins of many materials, styles and qualities. Hat pins were necessary for everyday wear as well as for sports and motoring. Suffragettes used them as offensive weapons and were not allowed to wear them when they appeared in court. By-laws prohibited hat pins from being worn with protruding unprotected points and contemporary cartoons poked fun at their use.
