Schubert's Winter Journey Ian Bostridge, 2015-01-27 An exploration of the world's most famous and challenging song cycle, *Schubert's Winter Journey* (*Winterreise*), by a leading interpreter of the work, who teases out the themes—literary, historical, psychological—that weave through the twenty-four songs that make up this legendary masterpiece. Completed in the last months of the young Schubert's life, *Winterreise* has come to be considered the single greatest piece of music in the history of *Lieder*. Deceptively laconic—these twenty-four short poems set to music for voice and piano are performed uninterrupted in little more than an hour—it nonetheless has an emotional depth and power that no music of its kind has ever equaled. A young man, rejected by his beloved, leaves the house where he has been living and walks out into snow and darkness. As he wanders away from the village and into the empty countryside, he experiences a cascade of emotions—loss, grief, anger, and acute loneliness, shot through with only fleeting moments of hope—until the landscape he inhabits becomes one of alienation and despair. Originally intended to be sung to an intimate gathering, performances of *Winterreise* now pack the greatest concert halls around the world. Drawing equally on his vast experience performing this work (he has sung it more than

one hundred times), on his musical knowledge, and on his training as a scholar, Bostridge teases out the enigmas and subtle meanings of each of the twenty-four lyrics to explore for us the world Schubert inhabited, his biography and psychological makeup, the historical and political pressures within which he became one of the world's greatest composers, and the continuing resonances and affinities that our ears still detect today, making Schubert's wanderer our mirror.

Michael Schumacher is the author of six books. He has written 25 documentaries on Great Lakes shipwrecks, including three about the Edmund Fitzgerald. In his ballad, Mr. Lightfoot sang about the Fitz's final tense moments, when the waves turn minutes to hours: Now the hours have lengthened into years and years into decades-but the allure of this doomed ship and its missing men remains as strong as ever.-Wall Street Journal

The Lost Painting Jonathan Harr, 2005-10-25 Told with consummate skill by the writer of the bestselling, award-winning A Civil Action, The Lost Painting is a remarkable synthesis of history and detective story. An Italian village on a hilltop near the Adriatic coast, a decaying palazzo facing the sea, and in the basement, cobwebbed and dusty, lit by a single bulb, an archive unknown to scholars. Here, a young graduate student from Rome, Francesca Cappelletti, makes a discovery that inspires a search for a work of art of incalculable value, a painting lost for almost two centuries. The artist was Caravaggio, a master of the Italian Baroque. He was a genius, a revolutionary painter, and a man beset by personal demons. Four hundred years ago, he drank and brawled in the taverns and streets of Rome, moving from one rooming house to another, constantly in and out of jail, all the while painting works of transcendent emotional and visual power. He rose from obscurity to fame and wealth, but success didn't alter his violent temperament. His rage finally led him to commit murder, forcing him to flee Rome a hunted man. He died young, alone, and under strange circumstances. Caravaggio scholars estimate that between sixty and eighty of his works are in existence today. Many others-no one knows the precise number-have been lost to time. Somewhere, surely, a masterpiece lies forgotten in a storeroom,

or in a small parish church, or hanging above a fireplace, mistaken for a mere copy. Prizewinning author Jonathan Harr embarks on an spellbinding journey to discover the long-lost painting known as The Taking of Christ—its mysterious fate and the circumstances of its disappearance have captivated Caravaggio devotees for years. After Francesca Cappelletti stumbles across a clue in that dusty archive, she tracks the painting across a continent and hundreds of years of history. But it is not until she meets Sergio Benedetti, an art restorer working in Ireland, that she finally manages to assemble all the pieces of the puzzle. Praise for *The Lost Painting* “Jonathan Harr has gone to the trouble of writing what will probably be a bestseller . . . rich and wonderful. . . . In truth, the book reads better than a thriller. . . . If you're a sucker for Rome, and for dusk . . . [you'll] enjoy Harr's more clearly reported details about life in the city.”—The New York Times Book Review “Jonathan Harr has taken the story of the lost painting, and woven from it a deeply moving narrative about history, art and taste—and about the greed, envy, covetousness and professional jealousy of people who fall prey to obsession. It is as perfect a work of narrative nonfiction as you could ever hope to read.”—The Economist
