The Magician's Hat Malcolm Mitchell, 2018-02-27 A magician introduces children to the fantastical powers of books in this delightful and encouraging read by a Super Bowl champion and literacy crusader. This is not your typical afternoon at the library—a magician invites kids to reach into his hat to pull out whatever they find when they dig down deep. Soon—poof!—each child comes away with something better than they could've imagined—a book that helps them become whatever they want to be, and makes their dreams come true through pages and words, and the adventures that follow. But each child can't help but wonder, What's really making the magic happen? Praise for *The Magician's Hat* "Malcolm Mitchell is changing the world through the power of reading." —Dav Pilkey, bestselling creator of the Dog Man and Captain Underpants series "The Magician's Hat will cast its spell on you!" —Jeff Kinney, bestselling author of the Diary of a Wimpy Kid series "New England Patriot and literacy advocate Mitchell proves to have a touch of magic as an author as well as on the field . . . Perhaps youngsters who think they are more interested in football than reading will take the message to heart." —Kirkus Reviews

Modern Roots Alain Dieckhoff, Natividad Gutiérrez, 2017-07-05 Interest in the study of national identity as a collective phenomenon is a growing concern among the social and political sciences. This book addresses the scholarly interest in examining the origins of ideologies and social practices that give historical meaning, cohesion and uniqueness to modern national communities. It focuses on the various routes taken towards the construction of cultural authenticity as an inspirational purpose of nation-building and reveals the diversity of the themes, practices and symbols used to encourage

self-identification and communalty. Among the techniques explored are the dramatization of suffering and tragedy, the exaltation of heroes and deeds, the evocation of landscape, nature and the arts and the delimitation of collective values to be pursued during reconstruction in post-war periods.

Old Judge Priest Irvin S. Cobb, 2023-09-11 If so be you have read divers earlier tales of my telling you already know the setting for the opening scene here. You are to picture first the big bare room, high-ceiled and square of shape, its plastering cracked and stained, its wall cases burdened with law books in splotched leather jerkins; and some of the books stand straight and upright, showing themselves to be confident of the rectitude of all statements made therein, and some slant over sideways against their fellows to the right or the left, as though craving confirmatory support for their contents...fFROM TEH BOOKS.

The Evans File Diana Xarissa, 2022-01-19 Bessie Cubbon is surprised and disappointed when she learns that Andrew Cheatham isn't going to be staying in the holiday cottage next to her home on Laxey Beach when he visits the island in February. For the next week of cold case unit meetings, he's decided to stay in a hotel in Ramsey. It isn't until the first meeting that Bessie learns the reason why. Police Inspector Nathan Fuller has come to the island with Andrew, to work with the unit on one of his cold cases that has always troubled him. It's bad enough that he's keeping Andrew away from Bessie. He's also rude and bad-tempered. Before Bessie can dig too deeply

into Nathan's case, though, she's promised to help Elizabeth Quayle advertise her party planning business at a wedding showcase event in Douglas. Elizabeth's former boyfriend, Andy Caine, is there with his fiancée, Jennifer Johnson. Tensions are high, and things go from bad to worse when Jennifer suddenly disappears right after the showcase. Can Bessie help locate the missing woman? Can she convince Andy that Jennifer is wrong for him? And can she find time to help the cold case unit work out what really happened to Owen Evans, ten years after his murder?
