Pluralistic Sand-Tray Therapy Doreen Fleet,2022 In this book, Fleet provides the first comprehensive guide to implementing sand-tray therapy within a pluralistic framework. Pluralistic Sand-Tray Therapy offers several unique contributions to a theoretical understanding of the therapeutic process, including the dynamic phenomenological field incorporating the concept of phenomenological shift and the introduction to two sand-tray specific mechanisms that aid the therapeutic process by facilitating the client's discovery in a unique way. Theory is applied to practice with step-by-step detailed guidance on how to deliver effective pluralistic sand-tray therapy from the initial appointment to the end of therapy. Each theoretical concept and practical direction is supported by case study findings, including photographs taken during real sessions. This book will be an essential text for academics and students of psychotherapy and counselling seeking to understand the impact and implementation of sand-tray therapy. It also offers a complete guide for practicing counsellors and psychotherapists, including arts and play therapists, who wish to use sand-tray therapy in their work.

I Am Martin Luther King, Jr. Brad Meltzer,2016-01-05 We can all be heroes. That's the inspiring message of this New York Times Bestselling picture book biography series from historian and author Brad Meltzer. Even as a child, Martin Luther King, Jr. was shocked by the terrible and unfair way African-American people were treated. When he grew up, he decided to do something about it--peacefully, with powerful words. He helped gather people together for nonviolent protests and marches, and he always spoke up about loving other human beings and doing what's right. He spoke about the dream of a kinder future, and bravely led the way toward racial equality in America. This lively, New York Times Bestselling biography series inspires kids to dream big, one great role model at a time. You'll want to collect each book.
