**Paratextualizing Games** Benjamin Beil, Gundolf S. Freyermuth, Hanns Christian Schmidt, 2021-11-30 Gaming no longer only takes place as a ›closed interactive experience‹ in front of TV screens, but also as broadcast on streaming platforms or as cultural events in exhibition centers and e-sport arenas. The popularization of new technologies, forms of expression, and online services has had a considerable influence on the academic and journalistic discourse about games. This anthology examines which paratexts gaming cultures have produced - i.e., in which forms and formats and through which channels we talk (and write) about games - as well as the way in which paratexts influence the development of games. How is knowledge about games generated and shaped today and how do boundaries between (popular) criticism, journalism, and scholarship have started to blur? In short: How does the paratext change the text?

*Twelve Years a Slave* Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Northup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

**Life's Devices** Steven Vogel, 2020-03-31 This entertaining and informative book describes how living things bump up against non-biological reality. My immodest aim, says the author, is to change how you view your immediate surroundings. He asks us to wonder about the design of plants and animals around us: why a fish swims more rapidly than a duck can paddle, why healthy trees more commonly uproot than break, how a shark manages with such a flimsy skeleton, or how a mouse can easily survive a fall onto any surface from any height. The book will not only fascinate the general reader but will also serve as an introductory survey of biomechanics. On one hand, organisms cannot alter the earth's gravity, the properties of water, the compressibility of air, or the behavior of diffusing molecules. On the other, such physical factors form both constraints with which the evolutionary process must contend and opportunities upon which it might capitalize. Life's Devices includes examples from every major group of animals and plants, with references to recent work, with illustrative problems, and with suggestions of experiments that need only common household materials.

**Mestiza Blood** V. Castro, 2022-01-25 A short story collection of nightmares, dreams, desire and visions centered around the Chicana experience. The stunning, star-reviewed V. Castro weaves urban legend, folklore, life experience and heartache in this intimate anthology of modern horrors. From the lauded author of *The Queen of the Cicadas* (which picked up starred reviews from PW, Kirkus and Booklist who called her a dynamic and innovative voice) comes a short story collection of nightmares, dreams, desire and visions focused on the Chicana experience. V. Castro weaves urban legend, folklore, life experience and heartache in this personal journey beginning in south Texas: a bar where a devil dances the night away; a street fight in a neighborhood that may not have been a fight after all; a vengeful chola at the beginning of the apocalypse; mind swapping in the not so far future; satan who falls and finds herself in a brothel in Amsterdam; the keys to Mictlan given to a woman after she dies during a pandemic. The collection finishes with two longer tales: *The Final Porn Star* is a twist on the final girl trope and slasher, with a creature from Mexican folklore; and *Truck Stop* is an erotic horror romance with two hearts: a video store and a truck stop.
