Citizen 13660 , 1983 Mine Okubo was one of 110,000 people of Japanese descent—nearly two-thirds of them American citizens -- who were rounded up into protective custody shortly after Pearl Harbor. Citizen 13660, her memoir of life in relocation centers in California and Utah, was first published in 1946, then reissued by University of Washington Press in 1983 with a new Preface by the author. With 197 pen-and-ink illustrations, and poignantly written text, the book has been a perennial bestseller, and is used in college and university courses across the country. [Mine Okubo] took her months of life in the concentration camp and made it the material for this amusing, heart-breaking book. . . . The moral is never expressed, but the wry pictures and the scanty words make the reader laugh -- and if he is an American too -- blush. -- Pearl Buck Read more about Mine Okubo in the 2008 UW Press book, Mine Okubo: Following Her Own Road, edited by Greg Robinson and Elena Tajima Creef. <http://www.washington.edu/uwpress/search/books/ROBMIN.html>

Twelve Years a Slave Solomon Northup, 2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807–c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US, on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

A Principled Stand Gordon K. Hirabayashi, 2013-06-30 In 1943, University of Washington student Gordon Hirabayashi defied the curfew and mass removal of Japanese

Americans on the West Coast, and was subsequently convicted and imprisoned as a result. In *A Principled Stand*, Gordon's brother James and nephew Lane have brought together his prison diaries and voluminous wartime correspondence to tell the story of *Hirabayashi v. United States*, the Supreme Court case that in 1943 upheld and on appeal in 1987 vacated his conviction. For the first time, the events of the case are told in Gordon's own words. The result is a compelling and intimate story that reveals what motivated him, how he endured, and how his ideals changed and deepened as he fought discrimination and defended his beliefs. *A Principled Stand* adds valuable context to the body of work by legal scholars and historians on the seminal *Hirabayashi* case. This engaging memoir combines Gordon's accounts with family photographs and archival documents as it takes readers through the series of imprisonments and court battles Gordon endured. Details such as Gordon's profound religious faith, his roots in student movements of the day, his encounters with inmates in jail, and his daily experiences during imprisonment give texture to his storied life.
