**World Building** Marta Boni,2017 Thanks to modern technology, we are now living in an age of

multiplatform fictional worlds, as television, film, the Internet, graphic novels, toys, and more facilitate the creation of diverse yet compact imaginary universes, which are often recognizable as brands and exhibit well-defined identities. This volume, situated at the cutting edge of media theory, explores this phenomenon from both theoretical and practical perspectives, uncovering how the construction of these worlds influences our own determination of values and meaning in contemporary society.

**Sissy Dreams: From Boyfriend to Girlfriend** Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

The Beautiful Math of Coral E. Ozie, 2021-04-26 Coral, Fernando, and coral reefs have something in common—they are lost in the space in which they reside. Fresh to college and feeling like life has always been against her, Coral leaves her Nigerian parents hoping to escape the thing she hates most . . . art. As she stumbles deeper into the world of STEM, she meets Fernando who brings her into a whirlwind of unfamiliar experiences. Embracing a newfound place, they learn that STEM has always

been with them through life's intangibles. Together, they wrestle with their pasts as Coral struggles to be seen and belong. Ultimately, Coral and Fernando discover they are just like the beautiful creatures in the sea-coral reefs. Written through the experiences of an author with insight into science, mathematics, engineering, and art, E. Ozie's *The Beautiful Math of Coral* is a luminous coming-of-age novel moving through the love, heartbreak, and humorous banter of finding one's place in the world.

**Unchained Mind** Ricardo G. Williams, 2017-03-15 I took a three-year break from work to explore the topic of peace, love, and success. I spent the time analyzing my thoughts and the effects my thoughts had on my emotional state of mind. The things I found out were quite intriguing. I came to the realization that many of us are not living to our full potential. We live with a measured joy. We keep our happiness in check. Our smiles are met with a restriction from our breath, which makes it short-lived. We seldom breathe fully because our breath is interrupted by the depth of our thoughts. We never really let go fully. We are bound by layers of chains that have entangled our thinking chains from an uncertain future, chains of work, chains of relationships, chains of our finances, too many chains to

mention. My time away from work gave me the opportunity to explore how to break the chains. I admit that even a broken chain is not permanently broken but can be easily reunited if old habits are not changed. My book focuses on the actions we can take to break chains and keep them broken. My book explores how our thoughts control our destiny. It teaches thought control and the importance of silence. It teaches how to overcome fear, anger, negative thoughts, stress, and hatred. You will learn how to nurture your emotions, embrace moments, and the importance of spiritual peace. I will teach you how to live in thankfulness, with compassion, while activating love.

**Moments of Grace** Laurie Blefeld, 2018-04-18 Sharing our stories, who we are, what we love, how we feel, why we fear, connects us to one another. Weaving moments of grace with spiritual practices that have grounded her through life's challenges, Laurie Blefeld invites the reader into her sacramental stories. You will find yourself in Laurie's stories and reclaim bits and pieces of your own. Our days are a stream of moments - some devastating, some down to earth and some filled with ineffable meaning. Laurie Blefeld has written a book full of tender moments that warm the heart and remind us to be

grateful for and conscious of how laced with grace our lives really are. This is a book to enjoy and treasure.-Gunilla Norris, author of *Sheltered in the Heart* and *Companions on the Way: A Little Book of Heart-full Practices* Laurie's transformational stories, told in her authentic and lyrical voice, are evocative of the highs and lows in everyone's life. Laurie's generous prose connects us to her family's living history - and through it to our own. She is a natural spiritual teacher. *Moments of Grace* is luminous, warm, comforting and filled with such good practices.- Dr. Joan Borysenko, from the Foreword

**Antoine of Oregon : A Story of the Oregon Trail** James Otis, 1912 **Antoine of Oregon : A Story of the Oregon Trail** The author of this series of stories for children has endeavored simply to show why and how the descendants of the early colonists fought their way through the wilderness in search of new homes. The several narratives deal with the struggles of those adventurous people who forced their way westward, ever westward, whether in hope of gain or in answer to the call of the wild, and who, in so doing, wrote their names with their blood across this country of ours from the Ohio to the

Columbia. To excite in the hearts of the young people of this land a desire to know more regarding the building up of this great nation, and at the same time to entertain in such a manner as may stimulate to noble deeds, is the real aim of these stories. In them there is nothing of romance, but only a careful, truthful record of the part played by children in the great battles with those forces, human as well as natural, which, for so long a time, held a vast 4 portion of this broad land against the advance of home seekers. With the knowledge of what has been done by our own people in our own land, surely there is no reason why one should resort to fiction in order to depict scenes of heroism, daring, and sublime disregard of suffering in nearly every form.

**Tree Shaker** Bill Keller,2008 Without deifying its subject, this biography looks at the life of Nelson Mandela, placing his awe-inspiring political accomplishments into historical context for young readers.

**Trichier** Alessandra Ceretto,

**Yvain** Chretien de Troyes,Chrétien (de Troyes),1987-09-10 A twelfth-century poem by the creator of the Arthurian romance describes the courageous exploits and triumphs of a brave lord who tries to

win back his deserted wife's love

**Broke and Patriotic** Francesco Duina, 2018-10-16 Why are poor Americans so patriotic? They have significantly worse social benefits compared to other Western nations, and studies show that the American Dream of upward mobility is, for them, largely a myth. So why do these people love their country? Why have they not risen up to demand more from a system that is failing them? In *Broke and Patriotic*, Francesco Duina contends that the best way to answer these questions is to speak directly to America's most impoverished. Spending time in bus stations, Laundromats, senior citizen centers, homeless shelters, public libraries, and fast food restaurants, Duina conducted over sixty revealing interviews in which his participants explain how they view themselves and their country. He masterfully weaves their words into three narratives. First, America's poor still see their country as the last hope for themselves and the world: America offers its people a sense of dignity, closeness to God, and answers to most of humanity's problems. Second, America is still the land of milk and honey: a very rich and generous country where those who work hard can succeed. Third, America is the freest

country on earth where self-determination is still possible. This book offers a stirring portrait of the people left behind by their country and left out of the national conversation. By giving them a voice, Duina sheds new light on a sector of American society that we are only beginning to recognize as a powerful force in shaping the country's future.

**Johnny Got His Gun** Dalton Trumbo,2013-11-15 The Searing Portrayal Of War That Has Stunned And Galvanized Generations Of Readers An immediate bestseller upon its original publication in 1939, Dalton Trumbo?s stark, profoundly troubling masterpiece about the horrors of World War I brilliantly crystallized the uncompromising brutality of war and became the most influential protest novel of the Vietnam era. Johnny Got His Gun is an undisputed classic of antiwar literature that?s as timely as

ever. ?A terrifying book, of an extraordinary emotional intensity.?--The Washington Post Powerful. . .  
an eye-opener. --Michael Moore Mr. Trumbo sets this story down almost without pause or punctuation  
and with a fury amounting to eloquence.--The New York Times A book that can never be forgotten by

**A Life Less Ordinary** John Hodge,1997 He's a down-on-his-luck janitor with aspirations of writing  
the great American trash novel. She's the spoiled, sharp-tongued boss's daughter, always looking for a  
creative way to spice up her boring life. Normally, these two would never meet, but a higher power has  
different plans for both of them. The major motion picture from 20th Century Fox starring Ewan  
McGregor, Cameron Diaz and Holly Hunter hits the box office in October.
