Paper Sculpture Richard Sweeney,2021-11-28 Paper is readily available and inexpensive in comparison to other sculptural media, and can be manipulated with a set of simple tools. It is a tactile medium, which can be formed into three-dimensional shapes quickly and immediately through folding and cutting. This hands-on element is something I feel is important -- it allows the artist to engage immediately with the material, resulting in something physical and tangible. It is, perhaps, these factors that make it so appealing, not only as a tool to apply in different fields, such as model making for architecture, but as an activity for its own sake. A section of this book is dedicated to a selection of the techniques I use in the creation of my work, and which I demonstrate in my workshops. My aim is to show the basic principles of form-making in paper, which can then be expanded on and explored as the reader wishes. Also included are my sources of inspiration and details of my working practice, which shows the evolution of an initial idea into a final artwork. I hope this book offers an insight into my work, while offering inspiration to those who wish to explore the creative potential of paper.

Spencer Sweeney Priya Bhatnagar,2015 Painter, DJ and nightlife promoter Spencer Sweeney (born 1973) has been an indelible and essential part of New York City's cultural landscape for almost two decades, connecting to longstanding roots in the city's music, art and life after dark. While many mourn the loss of the NYC they love, Sweeney has never fallen out of love with his city. This huge but affordable volume is filled with the evidence: pages of fascinating interviews with fellow faithfuls such as Alex Bag, Larry Clark, Abel Ferrara, John Giorno, Mary Heilmann, Harmony Korine, Johan Kugelberg, Jim Lambie, Glenn O'Brien, Will Oldham, Elizabeth Peyton, Rob Pruitt and Tony Shafrazi; archival photos documenting the countless moments, both legendary and obscure; and of course, hundreds of Sweeney's colorful paintings that synthesize life in New York in the second decade of the new century.

And Our Faces, My Heart, Brief as Photos John Berger,2011-07-13 Berger reveals the ties between love and absence, the ways poetry endows language with the assurance of prayer, and the tensions between the forward movement of sexuality and the steady backward tug of time. He recreates the mysterious forces at work in a Rembrandt painting, transcribes the sensorial experience of viewing lilacs at dusk, and explores the meaning of home to early man and to the hundreds of thousands of displaced people in our cities today. *And Our Faces, My Heart, Brief as Photos* is a seamless fusion of the political and personal.

Art and Faith Makoto Fujimura,2021-01-05 From a world-renowned painter, an exploration of creativity's quintessential—and often overlooked—role in the spiritual life “Makoto Fujimura's art and writings have been a true inspiration to me. In this luminous book, he addresses the question of art and faith and their reconciliation with a quiet and moving eloquence.”—Martin Scorsese “[An] elegant treatise . . . Fujimura's sensitive, evocative theology will appeal to believers interested in the role religion can play in the creation of art.”—Publishers Weekly Conceived over thirty years of painting and creating in his studio, this book is Makoto Fujimura's broad and deep exploration of creativity and the spiritual aspects of “making.” What he does in the studio is theological work as much as it is aesthetic work. In between pouring precious, pulverized minerals onto handmade paper to create the prismatic, refractive surfaces of his art, he comes into the quiet space in the studio, in a discipline of awareness, waiting, prayer, and praise. Ranging from the Bible to T. S. Eliot, and from Mark Rothko to Japanese Kintsugi technique, he shows how unless we are making something, we cannot know the depth of God's being and God's grace permeating our lives. This poignant and beautiful book offers the perspective of, in Christian Wiman's words, “an accidental theologian,” one who comes to spiritual questions always through the prism of art.

The Dynamics of Doctrine Timothy T. Lupfer,1981 This paper is a case study in the wartime evolution of tactical doctrine. Besides providing a summary of German Infantry tactics of the First World War, this study offers insight into the crucial role of leadership in facilitating doctrinal change during battle. It reminds us that success in war demands extensive and vigorous training calculated to insure that field commanders understand and apply sound tactical principles as guidelines for action and not as a substitute for good judgment. It points out the need for a timely effort in collecting and evaluating doctrinal lessons from battlefield experience. --Abstract.

The Autobiography of a Garden Andrew Raftery,2016 The autobiography of a garden is a set of twelve plates by Andrew Raftery. Based on drawings and paintings of the artist working in his garden during the twelve months of the calendar year, the images were engraved on copperplates. From the copper they were printed onto special decals that were then applied to the twelve earthenware plates, 12.5 inches in diameter, designed by the artist to receive the images. Each month is identified on the reverse by an engraved backstamp. The plates were produced at the Rhode Island School of Design between 2012 and 2016 in an edition of 80. They were first exhibited from September through November 2016 at the Ryan Lee Gallery in New York City.--page [1].

Owl Song at Dawn Emma Claire Sweeney,2016-07-01 “Tender and unflinching, a beautifully observed novel about familial love and stoicism in the face of heartbreak.”—Carys Bray, award-winning author of *The Museum of You* Maeve Maloney is a force to be reckoned with. Despite nearing 80, she keeps Sea View Lodge just as her parents did during Morecambe's 1950s heyday. But now only her employees and regular guests recognize the tenderness and heartbreak hidden beneath her spikiness. Until, that is, Vincent shows up. Vincent is the last person Maeve wants to see. He is the only man alive to have known her twin sister, Edie. The nightingale to Maeve's crow, the dawn to Maeve's dusk, Edie would have set her sights on the stage—all things being equal. But, from birth, things never were. If only Maeve could confront the secret past she shares with Vincent, she might finally see what it means to love and be loved—a lesson that her exuberant yet inexplicable twin may have been trying to teach her all along. *Stylist Magazine* Top “Books to Read on a Staycation” “Funny, heartbreaking and truly remarkable.”—Susan Barker, *New York Times* bestselling author “I found the novel most poignant and tender in its depiction of disability, without a whiff of sentimentality . . . it crept under my skin and will stay there for a long time.”—Emma Henderson, Orange Prize-shortlisted author of *Grace Williams Says It Loud* “Amazing: fierce, intelligent, compassionate and deeply moving . . . an important and very beautiful book.”—Edward Hogan, Desmond Elliot Prize-winning author of *Blackmoor* “Fresh, poignant and unlike anything else.”—Jill Dawson, Whitbread and Orange Prize-shortlisted author of *The Crime Writer*

Billy Wilder on Assignment Billy Wilder,2022-10-25 A Times Literary Supplement Book of the Year, chosen by Tom Stoppard A revelation.—Marc Weingarten, Washington Post Acclaimed film director Billy Wilder’s early writings—brilliantly translated into English for the first time Before Billy Wilder became the screenwriter and director of iconic films like Sunset Boulevard and Some Like It Hot, he worked as a freelance reporter, first in Vienna and then in Weimar Berlin. Billy Wilder on Assignment brings together more than fifty articles, translated into English for the first time, that Wilder (then known as Billie) published in magazines and newspapers between September 1925 and November 1930. From a humorous account of Wilder's stint as a hired dancing companion in a posh Berlin hotel and his dispatches from the international film scene, to his astute profiles of writers, performers, and political figures, the collection offers fresh insights into the creative mind of one of Hollywood’s most revered writer-directors. Wilder’s early writings—a heady mix of cultural essays, interviews, and reviews—contain the same sparkling wit and intelligence as his later Hollywood screenplays, while also casting light into the dark corners of Vienna and Berlin between the wars. Wilder covered everything: big-city sensations, jazz performances, film and theater openings, dance, photography, and all manner of mass entertainment. And he wrote about the most colorful figures of the day, including Charlie Chaplin, Cornelius Vanderbilt, the Prince of Wales, actor Adolphe Menjou, director Erich von Stroheim, and the Tiller Girls dance troupe. Film historian Noah Isenberg's introduction and commentary place Wilder’s pieces—brilliantly translated by Shelley Frisch—in historical and biographical context, and rare photos capture Wilder and his circle during these formative years. Filled with rich reportage and personal musings, Billy Wilder on Assignment showcases the burgeoning voice of a young journalist who would go on to become a great auteur.

Photo-poetics Jennifer Blessing,2015 Emerging photographers working in a contemporary art context This catalogue presents an important new trend in contemporary photography, offering an opportunity to define the concerns of a younger generation of artists and contextualize them within the history of art and culture. Drawing on the legacies of conceptual and commercial photography, these artists pursue a largely studio-based approach to still-life photography that centers on the representation of objects, often printed matter such as books, magazines and record covers. The result is images imbued with poetic and evocative personal significance--a sort of displaced self-portraiture--that resonate with larger cultural and historical meanings. Driven by a deep interest in the medium of photography, these artists investigate the nature, laws and magic of film photography at the moment of its disappearance in our digital age. They attempt to rematerialize the photograph through meticulous printing, using film and other disappearing photo technologies, and by creating photo-sculptures and installations. Artists include Claudia Angelmaier, Erica Baum, Anne Collier, Moyra Davey, Leslie Hewitt, Elad Lassry, Lisa Oppenheim, Erin Shirreff, Kathrin Sonntag and Sara VanDerBeek.

LA Graffiti Black Book David Brafman,2021-04-13 This collection of unique works by 150 Los Angeles graffiti and tattoo artists represents an unprecedented collaboration across the city’s diverse artistic landscape. Many graffiti artists carry sketchbooks, called black books, and they ask crew members and others whose work they admire to inscribe their books with lettering or drawings. A few years ago, the Getty Research Institute invited artists, including Angst, Axis, Big Sleeps, Chaz, Cre8, Defer, EyeOne, Fishe, Heaven, Hyde, Look, ManOne, and Prime, to consider the idea of a citywide graffiti black book. During visits to the Getty Center, the artists viewed rare books related to calligraphy and letterforms, including works by Albrecht Dürer and Leonardo da Vinci. The artists instantly recognized the connections to their own practices and were particularly drawn to a liber amicorum (book of friends), a form of autograph book popular in the seventeenth century. Passed from hand to hand, it was filled with signatures, poetry, and coats of arms, like a black book from another era. Inspired by this meeting of minds across centuries, these artists became both creators and curators, crafting their own pages and inviting others to contribute. Eventually 150 Los Angeles artists decorated 143 individual pages. These were bound together into an exquisite artists’ book that became known as the Getty Graffiti Black Book. This publication reproduces each page from the original artists’ book and recounts the story of an unprecedented collaboration across the diverse artistic landscape of Los Angeles.

About Alice Calvin Trillin,2006-12-26 In Calvin Trillin’s antic tales of family life, she was portrayed as the wife who had “a weird predilection for limiting our family to three meals a day” and the mother who thought that if you didn’t go to every performance of your child’s school play, “the county would come and take the child.” Now, five years after her death, her husband offers this loving portrait of Alice Trillin off the page–his loving portrait of Alice Trillin off the page–an educator who was equally at home teaching at a university or a drug treatment center, a gifted writer, a stunningly beautiful and thoroughly engaged woman who, in the words of a friend, “managed to navigate the tricky waters between living a life you could be proud of and still delighting in the many things there are to take pleasure in.” Though it deals with devastating loss, About Alice is also a love story, chronicling a romance that began at a Manhattan party when Calvin Trillin desperately tried to impress a young woman who “seemed to glow.” “You have never again been as funny as you were that night,” Alice would say, twenty or thirty years later. “You mean I peaked in December of 1963?” “I’m afraid so.” But he never quit trying to impress her. In his writing, she was sometimes his subject and always his muse. The dedication of the first book he published after her death read, “I wrote this for Alice. Actually, I wrote everything for Alice.” In that spirit, Calvin Trillin has, with About Alice, created a gift to the wife he adored and to his readers.
