Friedrich Wilhelm Nietzsche

The Nice House on the Lake (2021-) #1 James Tynion IV,2021-06-01 Everyone who was invited to the house knows Walter-well, they know him a little, anyway. Some met him in childhood; some met him months ago. And Walter’s always been a little...off. But after the hardest year of their lives, nobody was going to turn down Walter’s invitation to an astonishingly beautiful house in the woods, overlooking an enormous sylvan lake. It’s beautiful, it’s opulent, it’s private-so a week of putting up with Walter’s weird little schemes and nicknames in exchange for the vacation of a lifetime? Why not? All of them were at that moment in their lives when they could feel themselves pulling away from their other friends; wouldn’t a chance to reconnect be...nice? With *Something Is Killing The Children* and *The Department of Truth*, James Tynion IV has changed the face of horror in modern comics - now get ready for his most ambitious story yet, alongside his Detective Comics partner Álvaro Martínez Bueno!

Thus Spake Zarathustra Friedrich Wilhelm Nietzsche,2003 Zarathustra was Nietzsche's masterpiece, the first comprehensive statement of his mature philosophy, and the introduction of his influential and well-known (and misunderstood) ideas including the overman or superman and the will to power. It is also the source of Nietzsche's famous (and much misconstrued) statement that God is dead. Though this is essentially a work of philosophy, it is also a masterpiece of literature, a cross between prose and poetry. A considerable part and parcel of Nietzsche's genius is his ability to make his language dance, and this is what becomes extraordinarily difficult to translate. It has been almost 40 years since Hollingdale's version for Penguin and almost 50 since Kaufmann's. However, anyone who appreciates the German original knows that these translations are merely adequate. While earlier translators have smoothed out the rough edges, cut corners and sometimes omitted troublesome passages outright, this one honors and respects the original as no other. Kaufmann and others are guilty of the deplorable tendency to improve on the original. Much is lost by this means, to say nothing of the interior rhythms, the grace notes, the not always graceful but omnipresent and striking puns and wordplays. And in not a few instances the current translation improves on Kaufmann's use of English or otherwise clarifies what Nietzsche is really saying
