Don't Fear the Reaper Stephen Graham Jones,2023-02-07 December 12th, 2019, Jade returns to the rural lake town of Proofrock the same day as convicted Indigenous serial killer Dark Mill South escapes into town to complete his revenge killings, in this riveting sequel to *My Heart Is a Chainsaw* from New York Times bestselling author Stephen Graham Jones. Four years after her tumultuous senior year, Jade Daniels is released from prison right before Christmas when her conviction is overturned. Don "The Snake" Prudhomme: My Life Beyond the 1320 Elana Scherr, Don Prudhomme, 2020-10-16 Don The Snake Prudhomme reveals for the first time ever his incredible life and career on and off of the drag strip.

Imagine spending a year with Don The Snake Prudhomme, having coffee together and talking about his life, his racing, his friends, and his family. He'd tell you about how he rose from being a high school drop-out who was painting cars to a respected Top Fuel dragster driver and successful businessman. You'd hear how he toured the country with Tommy Ivo and The Hawaiian Roland Leong, racing all the legends from Big Daddy Don Garlits to The Golden Greek [Chris] Karamesines. He'd say how he met Tom McEwen and recall how they became the Snake and the Mongoose, leading to a career in Funny Cars that netted him four championships in a row. He'd talk about the thrill of first wins and owning his own teams but also the struggles of bad seasons, crashes and fires, broken parts, and broken contracts. Along the way, he'd speak about the people in his life, such as engine-builder Keith Black and NHRA president Wally Parks, and those who were killed in the wild and unpredictable sport of nitro racing. It wouldn't be only racing, though. Prudhomme would share lessons he learned about business and life from such varied sources as a neighbor in Granada Hills to Ford GT40 driver Dan Gurney. He also would talk about the importance of family: how his wife, Lynn, and daughter, Donna, changed his world and how finding out about his African-American roots opened his eyes to a culture and inheritance he'd always wanted. This is the experience you'll get in *Don The Snake Prudhomme: My Life Beyond the 1320*.

The Bear and the People, 2005 The bear and his master stay together through every difficulty until they are parted by death.

The People, No Thomas Frank, 2020-06-23 From the prophetic author of the now-classic *What's the Matter with Kansas?* and *Listen, Liberal*, an eye-opening account of populism, the most important—and misunderstood—movement of our time. Rarely does a work of history contain startling implications for the present, but in *The People, No* Thomas Frank pulls off that explosive effect by showing us that everything we think we know about populism is wrong. Today "populism" is seen as a frightening thing, a term pundits use to describe the racist philosophy of Donald Trump and European extremists. But this is a mistake. The real story of populism is an account of enlightenment and liberation; it is the story of American democracy itself, of its ever-widening promise of a decent life for all. Taking us from the tumultuous 1890s, when the radical left-wing Populist Party—the biggest mass movement in American history—fought Gilded Age plutocrats to the reformers' great triumphs under Franklin Roosevelt and Harry Truman, Frank reminds us how much we owe to the populist ethos. Frank also shows that elitist groups have reliably detested populism, lashing out at working-class concerns. The anti-populist vituperations by the Washington centrists of today are only the latest expression. Frank pummels the elites, revisits the movement's provocative politics, and declares true populism to be the language of promise and optimism. *The People, No* is a ringing affirmation of a movement that, Frank shows us, is not the problem of our times, but the solution for what ails us.
