Twelve Years a Slave Solomon Northup,2024-01-04 Filmatized in 2013 and the official recipient of three Oscars, Solomon Northup's powerful slave narrative 'Twelve Years a Slave' depicts Nortup's life as he is sold into slavery after having spent 32 years of his life living as a free man in New York. Working as a travelling musician, Northup goes to Washington D.C, where he is kidnapped, sent to New Orleans, and sold to a planter to suffer the relentless and brutal life of a slave. After a dozen years, Northup escapes to return to his family and pulls no punches, as he describes his fate and that of so many other black people at the time. It is a harrowing but vitally important book, even today. For further reading on this subject, try 'Uncle Tom's Cabin' by Harriet Beecher Stowe. Solomon Northup (c.1807-c.1875) was an American abolitionist and writer, best remembered for his powerful race memoir 'Twelve Years a Slave'. At the age of 32, when he was a married farmer, father-of-three, violinist and free-born man, he was kidnapped in Washington D.C and shipped to New Orleans, sold to a planter and enslaved for a dozen years. When he gained his freedom, he wrote his famous memoir and spent some years lecturing across the US,on behalf of the abolitionist movement. 'Twelve Years a Slave' was published a year after 'Uncle Tom's Cabin' by Harriet Beecher Stowe and built on the anti-slavery momentum it had developed. Northup's final years are something of a mystery, though it is thought that he struggled to cope with family life after being freed.

Achtung-Panzer! Heinz Guderian,1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

I Will Survive Gloria Gaynor,2014-03-11 I Will Survive is the story of Gloria Gaynor, America's Queen of Disco. It is the story of riches and fame, despair, and finally salvation. Her meteoric rise to stardom in the mid-1970s was nothing short of phenomenal, and hits poured forth that pushed her to the top of the charts, including Honey Bee, I Got You Under My Skin, Never Can Say Goodbye, and the song that has immortalized her, I Will Survive, which became a #1 international gold seller. With that song, Gloria heralded the international rise of disco that became synonymous with a way of life in the fast lane - the sweaty bodies at Studio 54, the lines of cocaine, the indescribable feeling that you could always be at the top of your game and never come down. But down she came after her early stardom, and problems followed in the wake, including the death of her mother, whose love had anchored the young singer, as well as constant battles with weight, drugs, and alcohol. While her fans always imagined her to be rich, her personal finances collapsed due to poor management; and while many envied her, she felt completely empty inside. In the early 1980s, sustained by her marriage to music publisher Linwood Simon, Gloria took three years off and reflected upon her life. She visited churches and revisited her mother's old Bible. Discovering the world of gospel, she made a commitment to Christ that sustains her to this day.

Loop of Jade Sarah Howe,2015-05-07 *WINNER OF THE T. S. ELIOT PRIZE 2015* *WINNER OF THE SUNDAY TIMES / PETERS FRASER + DUNLOP YOUNG WRITER OF THE YEAR AWARD 2015* *SHORTLISTED FOR THE FORWARD PRIZE FOR BEST FIRST COLLECTION 2015* There is a Chinese proverb that says: ‘It is more profitable to raise geese than daughters.’ But geese, like daughters, know the obligation to return home. In her exquisite first collection, Sarah Howe explores a dual heritage, journeying back to Hong Kong in search of her roots. With extraordinary range and power, the poems build into a meditation on hybridity, intermarriage and love – what meaning we find in the world, in art, and in each other. Crossing the bounds of time, race and language, this is an enthralling exploration of self and place, of migration and inheritance, and introduces an unmistakable new voice in British poetry.

Tacky Rax King,2021-11-02 An irreverent and charming collection of deeply personal essays about the joys of low pop culture and bad taste, exploring coming of age in the 2000s in the age of Hot Topic, Creed, and frosted lip gloss—from the James Beard Award-nominated writer of the Catapult column Store-Bought Is Fine” Tacky is about the power of pop culture—like any art—to imprint itself on our lives and shape our experiences, no matter one's commitment to good taste. These fourteen essays are a nostalgia-soaked antidote to the millennial generation's obsession with irony, putting the aesthetics we hate to love—snakeskin pants, Sex and the City, Cheesecake Factory's gargantuan menu—into kinder and sharper perspective. Each essay revolves around a different maligned (and yet, Rax would argue, vital) cultural artifact, providing thoughtful, even romantic meditations on desire, love, and the power of nostalgia. An essay about the gym-tan-laundry exuberance of Jersey Shore morphs into an excavation of grief over the death of her father; in You Wanna Be On Top, Rax writes about friendship and early aughts girlhood; in another, Guy Fieri helps her heal from an abusive relationship. The result is a collection that captures the personal and generational experience of finding joy in caring just a little too much with clarity, heartfelt honesty, and Rax King's trademark humor. Forensic Investigator Esther McKay,2009-08-03 FORENSIC INVESTIGATOR Geoff Bernasconi had always been passionate about his job as a policeman in rural New South Wales and, from the earliest days of his career, went the extra mile, both for victims of crime and for their families. But one night in 1984, he was called to investigate the scene of an horrific car accident in which an entire family had been wiped out - and which it was impossible for him to forget. Geoff's day-to-day working life became a catalogue of tragedies, some of which involved people close to him, and he found himself spiralling downwards in the grip of post-traumatic stress disorder. When Esther McKay, fellow forensic investigator and author of the best-selling Crime Scene, heard that Geoff has been awarded maximum compensation for his suffering, she knew immediately this was a story that needed to be told. This is a harrowing account of what it is like to work on the front-line of crime and tragedy as a forensic investigator. But it is also the inspiring story of someone who has been exposed to sights and experiences many of us can hardly even imagine, yet has emerged from the darkness to begin his journey to recovery.
