. Blizzard Entertainment

The Art of World of Warcraft . Blizzard Entertainment,2015-06-16 Timed to the twentieth anniversary of the blockbuster Warcraft franchise, The Art of World of Warcraft celebrates the groundbreaking art of the complete series to date. In the ten years since its inception, World of Warcraft® has revolutionized the role-playing genre, creating the immense world of Azeroth and filling it with iconic characters and legendary weapons and environments. Featuring interviews with key developers and telling the complete story of the game's evolution, this fully illustrated book vibrantly displays the renowned artwork at the heart of the franchise. Including never-before-seen art from the latest World of Warcraft expansion, Warlords of Draenor, The Art of World of Warcraft will contain hundreds of drawings and concept art, forming the ultimate tribute to the epic gaming franchise.

The World of Warcraft Pop-Up Book Matthew Reinhart,2019-10-21 Built by bestselling paper engineer Reinhart, this pop-up book brings the most-loved locations of Warcraft to life. Each page unfolds into an eye-popping treat, depicting iconic sites with brand-new art and interactive pieces.

World of Warcraft: The Shattering Christie Golden,2010-10-19 In her New York Times bestseller, The Shattering, Christie Golden delivers a sensational tie-in to the newest World of Warcraft game expansion. Thrall, wise shaman and the warchief of the Horde, has sensed a disturbing change... Long ago, Azeroth's destructive native elementals raged across the world until the benevolent titans imprisoned them within the Elemental Plane. Despite the titans' intervention, many elementals have ended up back on Azeroth. Over the ages, shaman like Thrall have communed with these spirits and, through patience and dedication, learned to soothe roaring infernos, bring rain to sun-scorched lands, and otherwise temper the elementals' ruinous influence on the world of Azeroth. Now Thrall has discovered that the elementals no longer heed the shaman's call. The link shared with these spirits has grown thin and frayed, as if Azeroth itself were under great duress. While Thrall seeks answers to what ails the confused elements, he also wrestles with the orcs' precarious future as his people face dwindling supplies and growing hostility with their night elf neighbors. Meanwhile, King Varian Wrynn of Stormwind is considering violent action in response to mounting tensions between the Alliance and the Horde, a hard-line approach that threatens to alienate those closest to him, including his son, Anduin. The conflicted young prince has set out to find his own path, but in doing so, he risks becoming entangled in political instability that is setting the world on edge. The fate of Azeroth's great races is shrouded in a fog of uncertainty, and the erratic behavior of the elemental spirits, troubling though it is, may only be the first ominous warning sign of the cataclysm to come.

World of Warcraft: Stormrage Richard A. Knaak,2010-02-23 When the world of Azeroth was young, the god-like titans brought order to it by reshaping its lands and seas. Throughout their great work, they followed a magnificent design for what they envisioned Azeroth would become. Although the titans departed Azeroth long ago, that design endures to this day. It is known as the Emerald Dream, a lush and savagely primal version of the... WORLD OF WARCRAFT Many are the mysteries surrounding the Emerald Dream and its reclusive guardians, the green dragonflight. In times past, druids have entered the Dream to monitor the ebb and flow of life on Azeroth in their never-ending quest to maintain the delicate balance of nature. However, not all dreams are pleasant ones. Recently the Emerald Nightmare, an area of corruption within the Emerald Dream, began growing in size, transforming the Dream into a realm of unimaginable horror. Green dragons have been unexpectedly caught up in the Nightmare, emerging from it with shattered minds and twisted bodies. Druids who have entered the darkening Dream lately have found it difficult -- sometimes even impossible -- to escape. Nor are these the Nightmare's only victims: more and more people are being affected. Even Malfurion Stormrage, first and foremost of the druids on Azeroth, may have fallen victim to this growing threat. As uncontrollable nightmares spread across the world, a desperate quest begins to find and free the archdruid. Soon nature's enemies will learn the true meaning of the name STORMRAGE

The Dragon Queen Alice Borchardt,2002-02-19 Arthur turned and strode toward us. He was magnificent, and I will never forget that, in that moment, I first loved him. And I believe--had I known what the future held for us: all the trouble, torment, battle, and grief of our lives--I still believe that I would have yielded my heart into his keeping as I did then . . . In a sweeping epic of the imagination, Alice Borchardt enters the wondrous realm of Arthurian legend and makes it her own. The Dragon Queen is the first volume in a trilogy of novels that boldly re-imagines Camelot--and casts Guinevere as a shrewd, strong-willed, magical warrior queen. Born into a world of terrible strife, where war is constant and weapons are never far from the hands of men or women, Guinevere, daughter of a mighty pagan queen, is a threat to her people and a prize to the dreaded sorcerer Merlin. Sent into hiding, she grows up under the protection of a shapeshifting man-wolf and an ornery Druid. But even on the remote coast of Scotland, where dragons feed and watch over her, she is not safe from the all-seeing High Druid Merlin. He knows the young beauty's destiny, and he will stop at nothing to prevent what has been foretold. For if Guinevere becomes Queen and Arthur, King, they will bring a peace to the land that will leave the power-hungry Merlin a shriveled magician in a weary cloak. Yet Guinevere possesses power of her own--dazzling power to rival even that of Merlin. Summoned from her home by forces she cannot fathom, she travels from the Underworld to an Otherworld of the Past, at each step calling on ancient powers to aid her way. When young Guinevere proves her mettle to an embarrassed Merlin, even her faithful dragon protectors cannot prevent the evil that the sorcerer rains down. Seeking revenge, Merlin banishes Arthur to a world from which the only escape is death. Now Guinevere must face Merlin's wrath without him--and prove that she is worthy of being Arthur's Queen. From the glass-roofed Great Hall at Tintigal to the lush garden forts of Wales, Alice Borchardt details the travels of Guinevere in a rich fabric of prose. The Dragon Queen is a novel of great emotional depth, timeless romance, and soul-stirring adventure.

World of Warcraft Christie Golden,2020-10-20 For over a quarter of a century, Warcraft and World of Warcraft players have been treated to a treasure trove of artifacts, gear, weaponry, and trinkets of both awe and amusement. Now players can get an in-depth look at the items they have collected...and the fearsome powers they hold. From the shining towers of Silvermoon to the sulfurous Blackrock Mountain to the white stone castles of Stormwind, the Eastern Kingdoms are vast and full of wonder. Every corner of the majestic isle contains countless stories, treasures, and more than a few secrets that some would prefer stay buried. Follow Spymaster Mathias Shaw and Captain Flynn Fairwind on an expedition across the Eastern Kingdoms for king and country as they chronicle its history and catalog the weapons, armor, and powers untold that are scattered across this sprawling dominion. Penned by New York Times bestselling author and Blizzard Entertainment writer Christie Golden, Exploring Azeroth: The Eastern Kingdoms is your first step on a truly remarkable journey across the beloved lands of Azeroth

World of Warcraft: Chronicle Volume 1 BLIZZARD ENTERTAINMENT,2016-03-15 World of Warcraft: Chronicle Volume 1 is a journey through an age of myth and legend, a time long before the Horde and the Alliance came to be. This definitive tome of Warcraft history reveals untold stories about the birth of the cosmos, the rise of ancient empires, and the forces that shaped the world of Azeroth and its people. This ebook features twenty-five full-page paintings by World of Warcraft artist Peter Lee, as well as a cosmology chart, half a dozen maps charting changes through time, and other line art illustrations by Joseph Lacroix, and marks the first in a multipart series exploring the Warcraft universe; from the distant past to the modern era.
