*God Complex Vol. 1: Dogma* Paul Jenkins,2018-07-18 A young forensics investigator finds his worldview turned upside down when a bizarre religious triple homicide introduces him to the Rulers, godlike beings who have ruled humanity since the dawn of time. From writer PAUL JENKINS (SPAWN: RESURRECTION, The Inhumans, Marvel Knights: Sentry) and artist HENDRY PRASETYA (Mighty Morphin Power Rangers), GOD COMPLEX: DOGMA is a

unique spin on ancient mythology with a focus on one man's journey of faith. Collects GOD COMPLEX #1-6

**A History of Pi** Petr Beckmann, 1971 Traces the history of the mathematical constant pi from the stone age through the computer age, discussing the background of the times when pi progressed, and when it did not.

**Feather to Fire** Gregory Colbert, 2008-06 Preface and postf. of v. 1 in English and Japanese; pref. of v. 2-4 in English.

*The New Earth From Above*, 2007-04 A collection of aerial photographs of landforms, people, and buildings, each of which is accompanied by a brief paragraph outlining the history, social influences, or geographical information relating to the picture.

**The Boy in the Field** Margot Livesey, 2020-08-11 A New York Times Notable Book of the Year | An O Magazine Best Book of the Year The New York Times bestselling author of *The Flight of Gemma Hardy* delivers another “luminous, unforgettable, and perfectly rendered” (Dennis Lehane) novel—a poignant and probing psychological drama that follows the lives of three siblings in the wake of a violent crime. One September afternoon in 1999, teenagers Matthew, Zoe, and Duncan Lang are walking home from school when they discover a boy lying in a field, bloody and unconscious. Thanks to their intervention, the boy's life is saved. In the aftermath, all three siblings are irrevocably changed. Matthew, the oldest, becomes obsessed with tracking down the assailant, secretly searching the local town with the victim's brother. Zoe wanders the streets of Oxford, looking at men, and one of them, a visiting American graduate student, looks back. Duncan, the youngest, who has seldom thought about being adopted, suddenly decides he wants to find his birth mother. Overshadowing all three is the awareness that

something is amiss in their parents' marriage. Over the course of the autumn, as each of the siblings confronts the complications and contradictions of their approaching adulthood, they find themselves at once drawn together and driven apart. Written with the deceptive simplicity and power of a fable, *The Boy in the Field* showcases Margot Livesey's unmatched ability to "tell her tale masterfully, with intelligence, tenderness, and a shrewd understanding of all our mercurial human impulses" (Lily King, author of *Euphoria*).

*Heal Your Knees* Robert L. Klapper, Lynda Huey, 2004-07-25 Put an end to knee pain! An esteemed surgeon and a water therapy expert team up to tell you the essentials about your knees, how to get them back into shape, and how to prevent further pain and injury. Through careful explanation, they examine each part of the healing process—from basic function to long-term exercises—guiding you to a pain-free life. With detailed information on a variety of healing options, you will learn how to make the right decisions for your knees, understand when and why surgery is appropriate, and how simple exercise in your living room and in the pool can speed the post-surgical healing process.

**Confusions** Alan Ayckbourn, 2013-12-04 A student edition of five one-act plays by Britain's most popular playwright. Ayckbourn's series of plays for 4-5 actors typify his black comedies of human behaviour. First produced in 1976, the plays are alternately naturalistic, stylised and farcical, but underlying each is the problem of loneliness. The *Mother Figure* shows a mother unable to escape from baby talk; in *The Drinking Companion* an absentee husband attempts seduction without success; in *Between Mouthfuls*, a waiter oversees a fraught dinner encounter. A garden party gets out of hand in *Gosforth's Fete* whilst *A Talk in the Park* is a revue style curtain call piece for the

five actors. Whether the comedies concern marital conflict, infidelity or motherhood and take place on a park bench or at a village fete, the characters are familiar and their cries for help instantly recognisable. Principally he is respected as a radical re-inventor of form Dominic Dromgoole

**Spartacus** Howard Fast,2015-04-15 The best-selling novel about a slave revolt in ancient Rome and the basis for the popular motion picture.

**The Five Books of (Robert) Moses** Arthur Nersesian,2020-07-28 A dramatic, playful, brutal, sweeping, and always entertaining reimagining of New York City history, presaging today's political tyranny. A postmodern masterwork that outdoes Pynchon in eccentricity--and electricity, with all its dazzling prose. --Kirkus Reviews, Starred review A masterwork of modern speculative adventure. --Rain Taxi Review of Books Mr. Nersesian's work is a tale of extremes. The finished product weighs more than 4 pounds. If he stacked all his manuscript pages since he began the book back in 1993 it would stand 6 feet tall, a shade taller than himself, Mr. Nersesian says...Main characters include a fictionalized Robert Moses, the powerful public official who reshaped New York City and its environs, and his brother Paul, an electrical engineer. A difficult relationship between the two has dire consequences. There are also pop-culture favorites from the period, including psychedelic evangelist Timothy Leary; urbanologist Jane Jacobs, and poet Allen Ginsberg. All are intended to show readers how the value of culture erodes in an isolated world. --Wall Street Journal Arthur Nersesian is the Bard of Lower East Side Manhattan...He knows every street corner, every bar, store, book stall, and even the famous 100-year-old Russian shvitz on 10th Street. Nobody does it better. Not Don DeLillo,

not Richard Price, and not William Burroughs. --On the Seawall A sprawling, engrossing Pentateuch of an alternate New York City...Nersesian's binge-worthy odyssey is a singularly wild ride. --Publishers Weekly Nersesian is one of my favorite New York authors; this tome is one to lose yourself in. --Bob Odenkirk, actor, Breaking Bad After a domestic terrorist unleashes a dirty bomb in Manhattan in 1970, making the borough uninhabitable, FBI agent Uli Sarkisian finds himself in a world that is suddenly unrecognizable as the United States is faced with its greatest immigration crisis ever: finding housing for millions of its own citizens. The federal government hastily retrofits an abandoned military installation in the Nevada desert, vast in size. Despite the government's best intentions, as the military pulls out of Rescue City, the residents are increasingly left to their own devices, and tribal warfare fuses with democracy, forming a frightening evolution of the two-party system: the gangocracy. Years after the Manhattan cleanup was supposed to have been finished, Uli travels through this bizarre new New York City, where he is forced to reckon with his past, while desperately trying to get out alive. The Five Books of (Robert) Moses alternates between the outrageous present of Rescue City and earlier in the twentieth century, detailing the events leading up to the destruction of Manhattan. We simultaneously follow legendary urban planner Robert Moses through his early years and are introduced to his equally ambitious older brother Paul, a brilliant electrical engineer whose jealousy toward Robert and anger at the devastation caused by the man's urban renewal projects lead to a dire outcome. Arthur Nersesian's most important work to date examines the political chaos of today's world through the lens of the past. Fictional versions of real historical figures populate the pages, from major politicians and

downtown drag queens to notorious revolutionaries and obscure poets.

**Florida Man** Tom Cooper, 2022-02-08 “A riotous journey into the heart of insanity also known as the State of Florida. Bravo!”—Gary Shteyngart, author of *Lake Success Florida*, circa 1980. Reed Crowe, the eponymous Florida Man, is a middle-aged beach bum, beleaguered and disenfranchised, living on ill-gotten gains deep in the jungly heart of Florida. When sinkholes start opening on Emerald Island, not only are Reed Crowe's seedy businesses—a moribund motel and a shabby amusement park—endangered, but so are his secrets. Crowe, amateur spelunker, begins uncovering artifacts that change his understanding of the island's history, as well as his understanding of his family's birthright as pioneering homesteaders. Meanwhile, there are other Florida men with whom Crowe must contend. Hector “Catface” Morales, a Cuban refugee, trained assassin, and crack-addicted Marielito, is seeking revenge on Reed for stealing his stash of drugs and leaving him for dead (unknownst to Reed) in the wreckage of a plane crash in the Everglades decades ago. Loner and misanthrope Henry Yahchilane, a Seminole native, has something to hide on the island. So does irascible and pervy Wayne Wade, Reed Crowe's childhood friend turned bad penny. Then there are the Florida women, including Heidi Karavas, Reed Crowe's ex-wife, now a globe-trekking art curator, and Nina Arango, a Cuban refugee and fiercely protective woman with whom Reed Crowe falls in love. There are curses. There are sea monsters. There are biblical storms. There's something called the Jupiter Effect. Ultimately, Florida Man is a generation-spanning story about how a man decides to live his life, and how despite staying landlocked and stubbornly in one place, the world nevertheless comes to him.

**100 Ways to Win a Ten-Spot** Paul Zenon, 2007-03 As opposed to

offering up typical magic tricks, this hilarious collection of scams, swindles, bets, and stunts features everyday objects and requires no special skills--just nerve. Some of the scams presented include how to drink from a champagne bottle without opening it, guess the date on a coin as it spins on the table, and pull a 10-dollar bill out from under a beer bottle without touching or knocking over the bottle. This amusing guide claims that a cheater, armed with the right skills, always wins and provides a crash course in conning at cards, pool, bets, and pretty much any activity where a sucker can be cornered into taking a chance.

*Red Scare on Sunset* Charles Busch, 2014-08-27 In Hollywood, film star Mary Dale discovers her husband has succumbed to the power of the local Communist party by way of a method acting class. She further discovers a left-wing plot to abolish the star system. Mary wages a private war not only to save her husband, but to hopefully save her country, turning the McCarthy era on its head.

*You Would Have Told Me Not To* Christopher Coake, 2020-07-28 A “gripping, beautiful, emotionally raw” collection of stories about the things that go wrong between men and women from a PEN Award winner. Arriving in the midst of the #MeToo era, these stories examine the fallout from failed relationships between men and women—partnerships that have crumbled under the weight of betrayal, misplaced hopes, illness, and particularly masculinity at its most toxic and misguided. A man in his mid-thirties receives a call from a woman he barely knows, who informs him that a girl he bedded and dumped in high school has died of cancer. A man who had an affair and left the woman without any warning finds himself working on a demolition job with a younger man who might be their son. Yet another man, obese for years, is left by his wife, loses weight,

and drunk with the power of finally being fit, tries to reconnect with his former spouse—to disastrous ends. And in the title story, a woman summoned to the bedside of her son, who has suffered a gunshot wound, must finally come to terms with the serial infidelities of her charming ex-husband. These fictions ask very contemporary questions: How do ex-spouses learn to live again in proximity to one another? How do we make peace with our bodies and their own worst impulses? How do we learn to turn and face, head-on, the worst mistakes of our younger selves? “One of our best American short story writers, on par with Tobias Wolff and Andre Dubus.” —Dan Chaon, author of *Ill Will* “Engaging . . . rich prose and sharp dialogue.” —Publishers Weekly “The stories in *You Would Have Told Me Not To* read like miniature thrillers . . . expertly suspenseful, emotionally powerful, and delightfully dark. The last one, in particular, punched me in the heart.” —Kristin Roupenian, author of *You Know You Want This*: “Cat Person and Other Stories

**Love and Theft** Stan Parish, 2020-07-28 A breathless adventure both starry-eyed and cool-blooded, both charming and diabolical. --A.J. FINN, #1 New York Times bestselling author of *The Woman in the Window* Crackling with full-throttle tension . . . An electrifying novel. --ROBERT CRAIS, author of the bestselling *Elvis Cole* novels An epic Vegas heist. A high-octane international romance. A charismatic thief forced to orchestrate one final, treacherous job to save his family. When Alex Cassidy and Diane Alison meet at a party in Princeton, New Jersey, the chemistry between them is instant and undeniable. She's a single mother, local fixture, and owner of a successful catering company. He's a single father and weekend homeowner -- and leader of an armed-robbery crew that just pulled off a record-breaking, precision jewel heist in Las Vegas. Neither one

realizes that their lives have overlapped before, and that the shared history they uncover will threaten everyone they love. Swept up in their burgeoning relationship, Diane joins Alex at his beach house in Tulum, where Alex decides to leave his life of crime behind. It begins as a postcard-perfect weekend until an entanglement with a powerful cartel forces Alex to mastermind one final and unthinkably dangerous job. What ensues is an explosive, adrenaline-soaked journey through the moneyed landscapes of Mexico and Europe, where ghosts from the past collide with unexpected perils in the present. As Alex and Diane fight for their lives, they discover that they're not the only ones with secrets--and that those closest to us pose the greatest danger of all. Propulsive, deeply suspenseful, and layered with mesmerizing twists, *Love and Theft* is a sophisticated thriller about the illusion of control and the high price of past transgressions.

100 Cool Mushrooms Michael Kuo, 2010-08-26 Wild, wacky, and weird mushrooms from around the world

*A Passionate Pen* Jill Downie, 1998 ...an extraordinary biography of an extraordinary woman. -- The Globe and Mail Downie gives us an unforgettable view of a working woman's Canada a century ago. -- The Gazette (Montreal)...it reveals much of the humor, joy and misery behind the period's prim and proper facade. -- The Vancouver Sun Published to impressive reviews across the country, *A Passionate Pen* chronicles the wholly fascinating life of Alice Freeman, respectable schoolteacher by day and crusading journalist -- known as Faith Fenton -- by night. Jill Downie uncovers the secret of Faith Fenton, who dared to challenge the suffocating conventions and values of the Victorian era, and yet has all but disappeared from our history. Stylish and richly detailed, *A Passionate Pen* is a story of an extraordinary woman's life and times.

## **100 Best Solitaire Games** Sloane Lee,Gabriel Packard,2019-06-04 A

great how-to-play and strategy guide to 100 of the most classic, interesting, challenging and fun solitaire games.
