My Penguin Year Lindsay McCrae, 2019-11-12 A remarkable memoir (Nature) of life with an emperor penguin colony, gorgeously illustrated with 32 pages of exclusive photography For 337 days, award-winning wildlife cameraman Lindsay McCrae intimately followed 11,000 emperor penguins amid the singular beauty of Antarctica. This is his masterful chronicle of one penguin colony's astonishing journey of life, death, and rebirth—and of the extraordinary human experience of living amongst them in the planet's harshest environment. A miracle occurs each winter in Antarctica. As temperatures plummet 60° below zero and the sea around the remote southern continent freezes, emperors—the largest of all penguins—begin marching up to 100 miles over solid ice to reach their breeding grounds. They are the only animals to breed in the depths of this, the worst winter on the planet; and in an unusual role reversal, the males incubate the eggs, fasting for over 100 days to ensure they introduce their chicks safely into their new frozen world. My Penguin Year recounts McCrae's remarkable adventure to the end of

the Earth. He observed every aspect of a breeding emperor's life, facing the inevitable sacrifices that came with living his childhood dream, and grappling with the personal obstacles that, being over 15,000km away from the comforts of home, almost proved too much. Out of that experience, he has written an unprecedented portrait of Antarctica's most extraordinary residents.

Mrs. Dalloway Virginia Woolf, 2023-12-05 This carefully crafted ebook: Mrs. Dalloway is formatted for your eReader with a functional and detailed table of contents. Mrs Dalloway, Virginia Woolf's fourth novel, offers the reader an impression of a single June day in London in 1923. Clarissa Dalloway, the wife of a Conservative member of parliament, is preparing to give an evening party, while the shell-shocked Septimus Warren Smith hears the birds in Regent's Park chattering in Greek. There seems to be nothing, except perhaps London, to link Clarissa and Septimus. She is middle-aged and prosperous, with a sheltered happy life behind her; Smith is young, poor, and driven to hatred of himself and the whole human race. Yet both share a terror of existence, and sense the pull of death. The world of Mrs Dalloway is evoked in Woolf's famous stream of consciousness style, in a lyrical and haunting language which has made this, from its publication in 1925, one of her most popular novels.
