Yes, the fairies of the far north had joined with Santa and in this special story you will soon find out why All year long Santa had been planning for this special day and it was now almost time as he walked towards the fireplace where he would sit every night with his favorite group of elves who were in command of making sure the right toys were being made and that the absolute correct wishes would be fulfilled on Christmas day. His precious reindeer and his elite team of magical elves would command an army of workers throughout the year, and the toy factory ran twenty-four hours a day to make sure they would not fail this Christmas.As usual, Santa did his rounds around the elf village in the very far North Pole, making sure that everything was in perfect order. That the sleigh was in good working condition, that the reindeer were well-rested, and also that every single toy was accounted for according to the long list that
