Huangqi Zhang

Cut & Assemble Haunted House Matt Bergstrom,2018-08-15 One side of this easy-to-make model features the exterior of a Victorian mansion; the other reveals a busy interior with a basement lab and haunted attic, populated by ghosts, zombies, and other ghouls. Simple instructions.

Night Photography Gabriel Biderman,Tim Cooper,2013-11-13 Are you a night owl looking to make stunning images of streetscapes, fireworks, or the night sky? Do you like to bend time with long exposure photography? Do star trails or lightning strikes inspire you? Then this book is for you! In Night Photography: From Snapshots to Great Shots, photographer Gabriel Biderman brings you the basics of digital night photography—exposure, composition, and light—and how to scout and capture different nocturnal locations once the sun goes down. Gabriel will help you understand the fundamentals and bring your unique artistic expression to any night situation. In this beautifully illustrated guide you will: Focus in the dark and master basic composition rules—and know when to break them Understand metering and switch to manual mode for more control over your exposure Set white balance, understand color temperature, and add flash or slow sync Explore color, light painting, and creative ways to play with light in your images Learn what gear works best for your style of shooting and strategies for operating your equipment in the dark Discover expert techniques for post-processing your nighttime images in Lightroom and Photoshop Beautifully illustrated with large, compelling photos, this book teaches you how to take control of your photography to get the image you want every time. And once you have the shot, show it off and join the book's Flickr group: www.flickr.com/groups/night_fromsnapshotstogreatshots

Widow's Point Richard T. Chizmar,Billy Chizmar,2018-02-28 Longtime residents of Harper's Cove believe that something is wrong with the Widow's Point Lighthouse. Some say it's cursed. Others claim it's haunted. Originally built in 1838, three workers were killed during the lighthouse's construction, including one who mysteriously plunged to his death from the catwalk. That tragic accident was never explained, and it was just the beginning of the terror. In the decades that followed, nearly two dozen additional deaths occurred in or around the lighthouse including cold-blooded murder, suicide, unexplained accidents and disappearances, the slaughter of an entire family, and the inexplicable death of a Hollywood starlet who was filming a movie on the grounds. The lighthouse was finally shuttered tight in 1988 and a security fence was erected around the property. No one has been inside since. Until tonight. Thomas Livingston is the acclaimed author of thirteen books about the supernatural and this evening he will enter the Widow's Point Lighthouse, searching for material for his next bestseller. He will be locked inside for the weekend with no way of contacting the outside world. And although no human has stepped foot inside the structure in nearly three decades, Livingston will not be alone.

Make Your Own Paper Toys ,1984 Detailed instructions for making ten toys from light cardboard.

Who Sees the Lighthouse? Ann Fearnington,2002 In this cumulative rhyme, lighthouses from around the United States are observed by one sailor, two pilots, three gulls, and more.

Paper and Fire Rachel Caine,2016-07-05 The New York Times Bestseller In Ink and Bone, bestselling author Rachel Caine introduced a world where knowledge is power, and power corrupts absolutely. Now she continues the story of those who dare to defy the Great Library—and rewrite history... Jess Brightwell has survived his introduction to the sinister, seductive world of the Library, but serving in its army is nothing like he envisioned. His life and the lives of those he cares for have been altered forever. Embarking on a mission to save one of their own, Jess and his band of allies make one wrong move and suddenly find themselves hunted by the Library's deadly automata and forced to flee Alexandria, all the way to London. But Jess's home isn't safe anymore. The Welsh army is coming, London is burning, and soon Jess must choose between his friends, his family, and the Library, which is willing to sacrifice anything and anyone in the search for ultimate control...

Ghost Brian Mackay-Lyons,Peter Buchanan,2008-05-15 Architecture is a social art. If the practice of architecture is the art of what you can make happen, then I believe that you are only as good as your bullpenthe builders, the engineers, the artisans, the colleagues, the staffwho collaborate with you; those who become possessed by the same urge to build, by the same belief that we are working on something exceptional together. Brian MacKay-Lyons For two weeks each summer, architect Brian MacKay-Lyons uses his family farm on the east coast of Nova Scotia for aspecial event. Among the stone ruins of a village almost four hundred years old, he assembles a community of architects,professors, and students for a design-build internship and educational initiative called Ghost Research Lab. The twoweek projectone week of design and one week of constructionrests on the idea that architecture is not only about building but also about the landscape, its history, and the community. Based on the apprenticeship environment of ancient guilds, where architectural knowledge was transferred through direct experience, Ghost redefines the architectas a builder who cultivates and contributes to the quality of the native landscape. Published to celebrate the event's tenth anniversary, Ghost offers a thorough documentation of the past decade's design-build events including drawings, models, and final photographs of completed structures. Organized chronologically and interwoven with MacKay-Lyons's simple and accessible personal narratives, Ghost also features essays by some of the most eminent figures in architectural criticism, including Christine Macy, Brian Carter, Karl Habermann, Robert Ivy, Kenneth Frampton, Thomas Fisher, Juhani Pallasmaa, Peter Buchanan, and Robert McCarter. In an architectural climatefull of trends and egos, Ghost is the rare manifesto that does not preach but rather inspires quietly with simple ideas that unexpectedly unsettle and arouse.

Stanley at Sea Linda Bailey,2008-02 Stanley and his friends clamber aboard a small red boat--which comes loose from its mooring, heads downriver, floats under a bridge and out to sea.

Outpost Dan Richards,2019-04-04 There are still wild places out there on our crowded planet. Through a series of personal journeys, Dan Richards explores the appeal of far-flung outposts in mountains, tundra, forests, oceans and deserts. Following a route from the Cairngorms of Scotland to the fire-watch lookouts of Washington State; from Iceland's 'Houses of Joy' to the Utah desert; frozen ghost towns in Svalbard to shrines in Japan; Roald Dahl's writing hut to a lighthouse in the North Atlantic, Richards explores landscapes which have inspired writers, artists and musicians, and asks: why are we drawn to wilderness? What can we do to protect them? And what does the future hold for outposts on the edge?

Draplin Design Co. Aaron James Draplin,2016-05-17 A funny, colorful, fascinating tour through the work and life of one of today's most influential graphic designers. Esquire. Ford Motors. Burton Snowboards. The Obama Administration. While all of these brands are vastly different, they share at least one thing in common: a teeny little bit of Aaron James Draplin. Draplin is one of the new school of influential graphic designers who combine the power of design, social media, entrepreneurship, and DIY aesthetic to create a successful business and way of life. Pretty Much Everything is a mid-career survey of work, case studies, inspiration, road stories, lists, maps, how-tos, and advice. It includes examples of his work—posters, record covers, logos—and presents the process behind his design with projects like Field Notes and the “Things We Love” State Posters. Draplin also offers valuable advice and hilarious commentary that illustrates how much more goes into design than just what appears on the page. With Draplin's humor and pointed observations on the contemporary design scene, Pretty Much Everything is the complete package.

Lighthouse Fireflies Anne Margaret Lewis,2005 A boy who lives with his father in a lighthouse captures and releases the king of the fireflies. In return, the fireflies assist when the lighthouse signal fails to operate.

Iqbal and His Ingenious Idea Elizabeth Suneby,2018-05-01 A boy, a science project and an answer to a critical problem. During monsoon season in Bangladesh, Iqbal's mother must cook the family's meals indoors, over an open fire, even though the smoke makes her and the family sick. So when Iqbal hears that his school's science fair has the theme of sustainability, he comes up with the perfect idea for his entry: he'll design a stove that doesn't produce smoke! Has Iqbal found a way to win first prize in the science fair while providing cleaner air and better health for his family at the same time? Sometimes it takes a kid to imagine a better idea – make that an ingenious one!

Visitation Street Ivy Pochoda,2013-07-09 Chosen by Denis Lehane for his eponymous imprint, Ivy Pochoda's Visitation Street is a riveting literary mystery set against the rough-hewn backdrop of the New York waterfront in Red Hook. It's summertime in Red Hook, Brooklyn, a blue-collar dockside neighborhood. June and Val, two fifteen-year-olds, take a raft out onto the bay at night to see what they can see. And then they disappear. Only Val will survive, washed ashore; semi-conscious in the weeds. This shocking event will echo through the lives of a diverse cast of Red Hook residents. Fadi, the Lebanese bodega owner, hopes that his shop will be the place to share neighborhood news and troll for information about June's disappearance. Cree, just beginning to pull it together after his father's murder, unwittingly makes himself the chief suspect, but an enigmatic and elusive guardian is determined to keep him safe. Val contends with the shadow of her missing friend and a truth she buries deep inside. Her teacher Jonathan, a Julliard School dropout and barfly, wrestles with dashed dreams and a past riddled with tragic sins.

The Christmas Carol Charles Dickens,1964

Snowmen at Night Caralyn Buehner,2002-09-23 Have you ever built a snowman and discovered the next day that his grin has gotten a little crooked, or his tree-branch arms have moved? And you've wondered . . . what do snowmen do at night? This delightful wintertime tale reveals all! Caralyn Buehner's witty, imaginative verse offers many amusing details about the secret life of snowmen and where they go at night, while Mark Buehner's roly-poly snowmen are bursting with personality and charm. From the highly successful team that created such winning titles as Fanny's Dream, Snowmen at Night is fabulous, frosty, and fun!

A Long December Richard Chizmar,2022-12-12 In 1996, Richard Chizmar's debut short story collection, Midnight Promises, was a finalist for the World Fantasy Award. Publishers Weekly called it a sterling collection while singling out The Silence of Sorrow as an understated masterpiece. Two years later, Subterranean Press published a mini-collection from Chizmar entitled Monsters and Other Stories. In his introduction, acclaimed genre critic Edward Bryant said, When all is said and done, this book should leave you in utter silence, giving you time and opportunity to contemplate what you just read. Tough storytelling from a tough writer; but a writer who is not calloused. Chizmar possesses a finely honed gift of empathy. With utter grace and loving kindness he'll put you right inside the life (and soul) of the monster. Now, nearly two decades later, Chizmar assembles thirty-five stories, including a previously-unpublished novella, and presents us with A Long December. This massive new collection features more than 150,000 words of Chizmar's very best short fiction and includes 8,000 words of autobiographical Story Notes. Eerie, suspenseful, poignant, the stories in A Long December range from horror to suspense, crime to dark fantasy, mainstream to mystery. As New York Times bestselling author Scott Smith (A Simple Plan, The Ruins) notes: It's an idyllic little world Richard Chizmar has created. Boys fish in the shallows of a winding creek. A father tosses a baseball with his young son in the fading light of a summer day. There's the smell of fresh-cut grass. And then, well...just beneath the surface? There are those missing pets whose collars turn up in a shoebox. Or the disturbing photos the dead can leave behind. Or the terrible thing you might find yourself doing when a long lost brother suddenly returns, demanding money. Chizmar does a tremendous job of peeling back his world's shiny layers, revealing the rot that lies underneath. His stories feel like so many teeth: short and sharp and ready to draw blood.

By Book or By Crook Eva Gates,2015-02-03 Get bound up in murder in the first Lighthouse Library mystery! For ten years Lucy has enjoyed her job poring over rare tomes of literature for the Harvard Library, but she has not enjoyed the demands of her family's social whorl or her sort-of-engagement to the staid son of her father's law partner. But when her ten-year relationship implodes, Lucy realizes that the plot of her life is in need of a serious rewrite. Calling on her aunt Ellen, Lucy hopes that a little fun in the Outer Banks sun—and some confections from her cousin Josie's bakery—will help clear her head. But her retreat quickly turns into an unexpected opportunity when Aunt Ellen gets her involved in the lighthouse library tucked away on Bodie Island. Lucy is thrilled to land a librarian job in her favorite place in the world. But when a priceless first edition Jane Austen novel is stolen and the chair of the library board is murdered, Lucy suddenly finds herself ensnared in a real-life mystery—and she's not so sure there's going to be a happy ending....

Oddgodfrey: The Mostly True Story of a Unicorn That Goes To Sea Leslie Godfrey,Becky Graff,2019-10-29 Harboring a dream to sail across the world's widest ocean, a seasick unicorn gathers his friends and casts off to sea to vomit rainbows and battle self-doubt in a quest to reach the sandy shoreline of beach bonfires and success.

The Collected Stories of Eudora Welty Eudora Welty,1980 Stories as good in themselves and as influential on the aspirations of others as any since Hemingway's.

These stories are honest, and vastly entertaining.

Cozy Days Ira Sluyterman van Langeweyde,2018-10-06 This lavish title presents the best work of Ira Iraville Sluyterman van Langewedye, a popular illustrator beloved for her idyllic paintings.
