The Western Desert of Egypt Cassandra Vivian,2008 Already the most comprehensive guide ever for desert and oasis travel in Egypt west of the Nile, *The Western Desert of Egypt: An Explorer's Handbook* has now been fully revised and updated for the latest generation of twenty-first century desert adventurers. Fully illustrated with some 50 maps and plans and over 270 drawings, the guide covers both the natural history and the human history of the desert and the oases. It then explores chapter by chapter the oases of Kharga, Dakhla, Farafra, Bahariya, Fayoum, and Siwa, and the desert areas of al-Diffa (the northern, semiarid edge of the desert), the Darb al-Arbain caravan route in the south, and Uwaynat (including Gilf Kebir) in the southwest. Descriptions of routes, sites, people, and places are complemented by practical information on places to stay, eat, and fill your gas tank. Global positioning system (GPS) waypoints are provided as an aid to

navigation on many routes--though for the sake of conservation and the protection of unguarded antiquities they are not given for remote sites. Almost encyclopedic in its scope, this is the one guide that belongs on the bookshelf, dashboard, or rucksack of every Western Desert traveler.

Star Wars: Leia, Princess of Alderaan Claudia Gray, 2017-09-01 Explore the beginning of Leia's participation in the Rebellion and the origin of her friendship with Amilyn Holdo from The Last Jedi! Sixteen-year-old Princess Leia Organa faces the most challenging task of her life so far: proving herself in the areas of body, mind, and heart to be formally named heir to the throne of Alderaan. She's taking rigorous survival courses, practicing politics, and spearheading relief missions to worlds under Imperial control. But Leia has worries beyond her claim to the crown. Her parents, Brea and Bail, aren't acting like themselves lately; they are distant and preoccupied, seemingly more concerned with throwing dinner parties for their allies in the

Senate than they are with their own daughter. Determined to uncover her parents' secrets, Leia starts down an increasingly dangerous path that puts her right under the watchful eye of the Empire. And when Leia discovers what her parents and their allies are planning behind closed doors, she finds herself facing what seems like an impossible choice: dedicate herself to the people of Alderaan (including the man she loves) or to the galaxy at large, which is in desperate need of a rebel hero...

US Heavy Cruisers 1941-45 Mark Stille, 2014-04-20 Designed and produced under the regulations of the Washington Naval Treaty, the heavy cruisers of the Pensacola, Northampton, Portland, New Orleans and Wichita classes were exercises in compromise. While they possessed very heavy armament – the Pensacolas, for example, carrying a main battery of ten 8" guns – this came at the cost of protection – armor was the same thickness as a gun cruiser, and incapable of protecting the vessels from enemy 8" fire. As the classes evolved, these flaws began to be corrected, with the main battery being reduced, and increased protection being added to the vital areas of the ship. Despite

these drawbacks, the pre-war heavy cruiser classes served with distinction throughout World War II.

The Force Unleashed Campaign Guide Sterling

Hershey, Owen K. C. Stephens, Peter

Schweighofer, Rodney Thompson, 2007-11 Unleash the

Force and fight the Empire. The Emperor has swept away the last vestiges of the Old Republic. Darth Vader and his dark apprentice hunt down the surviving Jedi one by one, but a few escape capture and find refuge on backwater worlds. Fewer still reach deep into the Force, unleashing powers beyond their wildest imaginings. Meanwhile, other brave heroes rise to oppose the tyranny of the Empire, heralding the birth of the Rebellion. This campaign guide draws its inspiration from *The Force Unleashed*, a revolutionary new video game from Lucasfilm, Ltd. It presents a complete campaign setting during the period between Episode III: *Revenge of the Sith* and Episode IV: *A New Hope*. The guide offers exciting new character options and Force powers for players as well as adventure content, campaign seeds, and ready-to-play adversaries for Gamemasters. This supplement is designed for use with the *Star Wars Roleplaying Game Saga Edition* core rulebook.
