Cubs in the Tub Candace Fleming, 2020-08-04 Fred and Helen Martini longed for a baby, and they

ended up with dozens of lion and tiger cubs! Snuggle up to this purr-fect read aloud about the Bronx Zoo's first female zoo-keeper. When Bronx Zoo-keeper Fred brought home a lion cub, Helen Martini instantly embraced it. The cub's mother lost the instinct to care for him. Just do for him what you would do with a human baby, Fred suggested...and she did. Helen named him MacArthur, and fed him milk from a bottle and cooed him to sleep in a crib. Soon enough, MacArthur was not the only cub bathed in the tub! The couple continues to raise lion and tiger cubs as their own, until they are old enough to return them to zoos. Helen becomes the first female zookeeper at the Bronx zoo, the keeper of the nursery. This is a terrific non-fiction book to read aloud while snuggling up with your cubs! Filled with adorable baby cats, this is a story about love, dedication, and a new kind of family. Gorgeously patterned illustrations by Julie Downing detail the in-home nursery and a warm pallet creates a cozy pairing with Candace Fleming's lovely language. Backmatter includes a short biography of Helen Martini and a selected bibliography. By Schism Rent Asunder David Weber, 2008-07-22
The sequel to the New York Times best seller *Off Armageddon Reef* The world has changed. The mercantile kingdom of Charis has prevailed over the alliance designed to exterminate it. Armed with better sailing vessels, better guns and better devices of all sorts, Charis faced the combined navies of the rest of the world at Darcos Sound and Armageddon Reef, and broke them. Despite the implacable hostility of the Church of God Awaiting, Charis still stands, still free, still tolerant, still an island of innovation in a world in which the Church has worked for centuries to keep humanity locked at a medieval level of existence. But the powerful men who run the Church aren't going to take their defeat lying down. Charis may control the world's seas, but it barely has an army worthy of the name. And as King Cayleb knows, far too much of the kingdom's recent good fortune is due to the secret manipulations of the being that calls himself Merlin—a being that, the world must not find out too soon, is more than

human. A being on whose shoulders rests the last chance for humanity's freedom. Now, as Charis and its archbishop make the rift with Mother Church explicit, the storm gathers. Schism has come to the world of Safehold. Nothing will ever be the same... in David Weber's *By Schism Rent Asunder*. Safehold Series 1. Off Armageddon Reef 2. By Schism Rent Asunder 3. Building Suburbia Dolores Hayden, 2009-11-04 A lively and provocative history of the contested landscapes where the majority of Americans now live. From rustic cottages reached by steamboat to big box stores at the exit ramps of eight-lane highways, Dolores Hayden defines seven eras of suburban development since 1820. An urban historian and architect, she portrays housewives and politicians as well as designers and builders making the decisions that have generated America's diverse suburbs. Residents have sought home, nature, and community in suburbia. Developers have cherished different dreams, seeking profit from economies of scale and increased suburban densities, while lobbying local and federal government to reduce the risk of real estate speculation. Encompassing environmental controversies as well as the complexities of race, gender, and class, Hayden's fascinating account will forever alter how we think about the communities we build and inhabit.
