Mark Jacobson

Eiji Tsuburaya: Master of Monsters August Ragone, 2007-11 Behind-the-scenes hero to anyone who's thrilled by giant monsters duking it out over Tokyo, Eiji Tsuburaya was the visual effects mastermind behind Godzilla, Ultraman, and numerous Japanese science fiction movies and TV shows beloved around the world. The first book on this legendary film figure in English, this highly visual biography details his fascinating life and career, featuring hundreds of film stills, posters, concept art, and delightful on-set photos of Tsuburaya prompting monsters to crush landmark buildings. A must-have for fans, this towering tribute also features profiles of Tsuburaya's film collaborators, details on his key films and shows (most available on DVD), and features on the enduring popularity of the characters he helped create.

Japan's Favorite Mon-star Steve Ryfle, 1998 Bigger, badder, and more durable than Hollywood's greatest action heroes, Godzilla emerged from the mushroom cloud of an H-bomb test in 1954 to trample Tokyo. More than 40 years later, he reigns as the undisputed monarch of movie monsters, with legions of fans spanning several generations and countless international boundaries.

The Undersea Warship: a Fantastic Tale of Island Adventure by Oshikawa Shunro Shunro Oshikawa, 2019-03-20 A pirate attack on a steamship to Japan plunges a globetrotting young man and a boy into a fight for survival on the sea and then on a mysterious island with unexpected inhabitants. Witness this tale of survival when electric lights and submarines defined cutting-edge technology. This island adventure was penned by Oshikawa Shunro, a father of Japanese science fiction, in the tradition of Jules Verne.

Fat White Vampire Blues Andrew Fox, 2003-07-01 He's undead, overweight, and can't get a date Vampire, nosferatu, creature of the night—whatever you call him—Jules Duchon has lived (so to speak) in New Orleans far longer than there have been drunk coeds on Bourbon Street. Weighing in at a whopping four hundred and fifty pounds, swelled up on the sweet, rich blood of people who consume the fattiest diet in the world, Jules is thankful he can't see his reflection in a mirror. When he turns into a bat, he can't get his big ol' butt off the ground. What's worse, after more than a century of being undead, he's watched his neighborhood truly go to hell—and now, a new vampire is looking to drive him out altogether. See, Jules had always been an equal opportunity kind of vampire. And while he would admit that the blood of a black woman is sweeter than the blood of a white man, Jules never drank more than his fair share of either. Enter Malice X. Young, cocky, and black, Malice warns Jules that his days of feasting on sisters and brothers are over. He tells Jules he'd better confine himself to white victims—or else face the consequences. And then, just to prove he isn't kidding, Malice burns Jules's house to the ground. With the help of Maureen, the morbidly obese, stripper-vampire who made him, and Doodlebug, an undead cross-dresser who (literally) flies in from the coast—Jules must find a way to contend with the hurdles that life throws at him . . . without getting a stake through the heart. It's enough to give a man the blues.

Mushroom Clouds and Mushroom Men Peter H. Brothers, 2009 Here, for the first time in English print, is the inspiring story of a humble and soft-spoken man who became one of the most-prolific directors in the history of fantasy films. Raised in a primitive Japanese village by a Buddhist monk, Ishiro Honda fell in love with films at a young age and soon enrolled in film school with the intent of one day becoming a director. Called to enlist in the Imperial Japanese Army during World War II, he returned with a knowledge of the futility of war and a dread of the atomic age. A dedicated craftsman who directed over 80 films during a remarkable 60-plus year career, Honda is undeservedly remembered mostly as the greatest director of the famous Japanese monster film series; however, he was in fact much more. Utilizing a wide-variety of source material never before assembled into one volume, *Mushroom Clouds and Mushroom Men* is an objective critical analysis and definitive study of a man whose fantasy films -- when seen in their original versions -- are beautiful nightmares of quality and subtext which transcend the visceral thrill of watching monsters destroying cities. Honda's admirers include George Lucas, Martin Scorsese and Steven Spielberg and his films are masterpieces of entertainment that have enthralled audiences for generations . . . and will for generations to come.

The Iron Ship K. M. McKinley, 2015-05-26 Merchant, industrialist and explorer Trassan Kressind has an audacious plan – combining the might of magic and iron in the heart of a great ship to navigate an uncrossed ocean, seeking the city of the extinct Morfaan to uncover the secrets of their lost sciences. Ambition runs strongly in the Kressind family, and for each of Trassan's siblings fate beckons. Soldier Rel is banished to a vital frontier, bureaucrat Garten balances responsibility with family loyalty, sister Katriona is determined to carve herself a place in a world of men, outcast Guis struggles to contain the energies of his soul, while priest Aarin dabbles in forbidden sorcery. The world is in turmoil as new money brings new power, and the old social order crumbles. And as mankind's arts grow stronger, a terror from the ancient past awakens... This highly original fantasy depicts a unique world, where tired gods walk industrial streets and the tide's rise and fall is extreme enough to swamp continents. Magic collides with science to create a rich backdrop for intrigue and adventure in the opening book of this epic saga.

An Alien Heat Michael Moorcock, 2013-08-15 The universe is dying; at the End of Time the last remnants of Humanity live amoral lives of decadence, constantly seeking new diversions and sensations. So when Mrs Amelia Underwood is mysteriously transported to the End of Time Jherek Carnelian decides to fall in love with her, but when Amelia returns to her own period of history, Jherek follows her and finds himself plunged into the strange world of Victorian London.

The Buzzing Jim Knipfel, 2007-12-18 Meet Roscoe Baragon—crack reporter at a major (well, maybe not that major) metropolitan newspaper. Baragon covers what is affectionately called the Kook Beat—where the loonies call and tell him in meticulously deranged detail what it's like to live in their bizarre and lonely world. Lately Baragon's been writing stories about voodoo curses and alien abductions; about fungus-riddled satellites falling to earth and thefts of plumbing fixtures from SRO hotels by strange aquatic-looking creatures. Not exactly New York Times material. Maybe it's the radioactive corpse that puts him over the edge. Or maybe it's the guy who claims to have been kidnapped by the state of Alaska! But Baragon is now convinced that a vast conspiracy is under way that could take the whole city down—something so deeply strange that it could be straight out of one of the old Japanese monster movies that he watches every night before he goes to sleep. But stuff like this only happens in the movies. Right? *The Buzzing* marks the fictional debut of the acclaimed author of *Slackjaw*. It is a novel of deep paranoia and startling originality. And it could certainly never happen. Right? Right?

The Hollow Lands Michael Moorcock, 1974 His love for Amelia Underwood, a reluctant time-traveler from Victorian England, compels Jherek Carnelian to do some time-traveling of his own in hopes of being reunited with object of his obsession.

Moby Dick by Herman Melville Herman Melville, 2021-01-21 This book holds an important place among the World Classics.

Gojira Mark Jacobson, 1997-12 Once a normal monitor lizard, Gojira was transformed into a giant lizard by an atomic test after WWII. Meanwhile, in an Okinawa hospital, Komodo—the world famous coma boy—reawakens for the first time since the Hiroshima blast nine years before. Together, the lizard and orphan venture forth to discover their identities in a world in which neither belongs. The story of their journey is geek love on a truly epic scale.

Image of the Beast ; Blown Philip José Farmer, 2001 Surreal & confrontational LA tale following a Private investigator's attempts to track down his partner's killer. Here combined with its sequel: *Blown*.

Transformers: Dark of the Moon: Rising Storm John Barber, 2011 Originally published as *Transformers: Dark of the moon--Rising storm #1-4--T.p. verso*.

A Messiah at the End of Time, Or, The Transformation of Miss Mavis Ming Michael Moorcock, 1978

The Eye of Winter's Fury Michael J. Ward, 2015-06-16 The cold north awaits you ... War is coming to Valeron. From the west, the blood-thirsty Wiccans burn and pillage their way towards the capital - where an ill and ineffectual king is beset on all sides by the scheming of ambitious men. His youngest son, Prince Arran, untested in combat and naïve to ways of the world, is sent on a fool's

errand - to convince a cowardly lord to honour his oath and defend the realm from its enemies. But the real threat is yet to be revealed ... You are Prince Arran, son of Leonidas and second heir to the throne of Valeron. They call you the ghost prince - the sickly boy who haunts the palace library, filling your head with dreams of high adventure. Now, as the shadows lengthen and danger threatens your beleaguered kingdom, you must finally prove yourself. It is time to take up your hallowed sword, Duran's Heart, and forge your own destiny in a cruel and savage world - one that has no mercy for weakling princes. No happy endings. Will you defy fate and become a great hero of legend? You decide in this epic fantasy adventure - one where you make the decisions. The cold north awaits you ... are you ready for the challenge?

The Jennifer Morgue Charles Stross, 2009-01-06 Bob Howard, geekish demonology hacker extraordinaire for The Laundry, must stop ruthless billionaire Ellis Billington from unleashing an eldritch horror, codenamed Jennifer Morgue, from the ocean's depths for the purpose of ruling the world...

The Best of Rod Serling's Twilight Zone Scripts Rod Serling, 2014 The best 10 of the 92 Twilight Zone Scripts Rod Serling wrote as chosen by Carol Serling.

Without Warning John Birmingham, 2013-01-04 In Kuwait, American forces are locked and loaded for the invasion of Iraq. In Paris, a covert agent is close to cracking a terrorist cell. And just north of the equator, a sailboat manned by a drug runner and a pirate is witness to the unspeakable. In one instant, all around the world, everything will change. A wave of inexplicable energy slams into the continental United States. America as we know it vanishes. From a Texas lawyer who happens to be in the right place at the right time to an engineer in Seattle who becomes his city's only hope, from a combat journalist trapped in the Middle East to a drug runner off the Mexican coast, *Without Warning* tells a fast, furious story of survival, violence, and a new, soul-shattering reality.

The Heike Story Eiji Yoshikawa, 2011-04-10 The Heike Story is a modern translation of a Japanese classic. Kyoto in the twelfth century was a magnificent city, but crime, disorder, and lust were rampant. The people were abused by the nobility, while armed Buddhist monks terrorized court and commoner alike. In despair, the Emperor called upon the Heike and Genji clans to quell civil disturbances. Although the clans succeeded, they quarreled over the spoils of war and plunged the country into a century of warfare. The Heike Story describes the rise to power of Kiyomori of the Heike clan during this turbulent time. From a youth sunk in poverty, Kiyomori eventually rose to become the Emperor's Chief Councilor. Although he was a gentle, enlightened man, he left a trail of bloodshed and ruin in his wake. The strange twists of Kiyomori's fate are the core of this epic novel. Its exotic atmosphere, narrative power, pageantry, and poetry will enthrall readers and provide an entertaining introduction to an important source of Japanese culture. This new edition features a foreword by Dr. Davinder Bhowmik that introduces this celebrated author and book to modern readers.

Sadako at the End of the World Koma Natsumi, 2020-11-17 In a world torn apart by an apocalypse, two lonely little girls chance upon a strange video. To their surprise and joy, a girl with long black hair named Sadako climbs out of the TV...But little do they know that Sadako is a vengeful ghost who will kill them in a week! In order to help their new friend, these two sweet, innocent girls begin a journey to the end of the world to look for more victims friends. Can their bond with Sadako help her find peace and finally break the curse? Or will this tale have a tragic ending...?

Very Detailed Gotengo Submarine Battleship Paper Model.jpg Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Very Detailed Gotengo Submarine Battleship Paper Model.jpg PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be

stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Very Detailed Gotengo Submarine Battleship Paper Model.jpg PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Very Detailed Gotengo Submarine Battleship Paper Model.jpg free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be

discovered right at your fingertips.

FAQs About Very Detailed Gotengo Submarine Battleship Paper Model.jpg Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Very Detailed Gotengo Submarine Battleship Paper Model.jpg is one of the best book in our library for free trial. We provide copy of Very Detailed Gotengo Submarine Battleship Paper Model.jpg in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Very Detailed Gotengo Submarine Battleship Paper Model.jpg. Where to download Very Detailed Gotengo Submarine Battleship Paper Model.jpg online for free? Are you looking for Very Detailed Gotengo Submarine Battleship Paper Model.jpg PDF? This is definitely going to save you time and cash in something you should think about.
