Total Competition Ross Brawn,Adam Parr,2017-10-17 From Ross Brawn—one of the most successful figures in Formula One auto racing—comes a compelling insider’s account of what it takes to win, featuring practical advice for overcoming obstacles and becoming a champion both on and off the racetrack. Formula One racing is a wildly popular global sport with millions of fans and billions more engineering dollars at stake. For four decades, Ross Brawn has been one of the most innovative technical directors and team principals in the high-stakes world of Formula One. He is considered the most successful competitor in the history of Formula One to date, and “the closest thing there is to a certifiable genius” (The Wall Street Journal). Leading Benetton, Ferrari, Honda, and Mercedes, he has worked with legendary drivers such as Michael Schumacher, Jenson Button, and Lewis Hamilton to make them Grand Prix champions. Now, in this fascinating book, presented as a frank conversation between Brawn and fellow Formula One competitor Adam Parr, Brawn reflects upon his career, shares the philosophies and methods that led to his success, and offers lessons that every leader working with teams—at work, play, or home—can use to achieve their own goals, too. Brawn and Parr share details about the unique pressures of Formula One racing and the intense, cutthroat world they inhabited, where coming in second place is never good enough. Just as Phil Knight recounted his accomplishments and devastating setbacks in the building of the Nike brand in the New York Times bestseller *Shoe Dog*, this book also provides a blueprint for leading teams, imparting lessons such as “Embrace Humility,” “Invest in People and Culture,” “Strive for Simplicity, Manage Complexity,” and much more.

Murray Walker: Unless I'm Very Much Mistaken Murray Walker,2003 The voice of motor racing and much loved public figure - and the man responsible for introducing millions of viewers to the previously inaccessible world of Formula 1 - tells the story of his incident-packed life, with a brand new chapter on his globetrotting adventures since retirement. Murray Walker is a national treasure. When the man who made famous the catch phrase 'Unless I'm very much mistaken... I AM very much mistaken!!!' announced that he was retiring as ITV's Grand Prix commentator, the media reacted as if the sport itself was losing one of its biggest stars. His reputation for mistakes was the making of Walker. He was the fan who happened to be given the keys to the commentary box - and never wanted to give them back. His high-octane delivery kept viewers on the edge of their seats, while his passion for talking about the sport he loved was matched by an all-encompassing knowledge gained through hours of painstaking research before every race. In his book he writes about his childhood and the influence that his father, British motorcycle champion Graham Walker, had on his career. Failing to match his father's achievements on the track after active service in World War II, he made a successful career for himself in advertising which catapulted him to the top of his profession. An offer from the BBC to take over the commentary seat for their F1 broadcasts was too good to turn down, and it wasn't long before the infamous 'Murrayisms' enlivened a sport which until then had been shrouded in a cloak of unfathomable technical jargon and mind-numbing statistics. He also talks about the biggest changes in the sport over the last 50 years, in particular the safety issues which came to the fore after the tragic death of Ayrton Senna, which he witnessed first hand. His partnership with James Hunt behind the microphone is the subject of some hilarious anecdotes, while his views on drivers past and present such as Stirling Moss, Jackie Stewart, Damon Hill and Michael Schumacher make for fascinating reading.

full, inside story of the 1994 season, including the death of Ayrton Senna, the Hockenheim fire, and disqualifications as the Benetton and Williams teams battled for the Drivers' Championship. The final showdown came in Adelaide, the last race of the season, with the controversial accident when Schumacher of Benetton and Hill of Williams collided. Matchett's story of the frantic and unending behind-the-scenes activity in the effort to be the fastest and best in the world is a fascinating account of the high-pressure world of Formula One motor racing.

Advantage Hollywood Ashok Amritraj, 2013-08-16 An inspirational story of making it against all odds. What are the chances that a shy, insecure kid from India could become one of the most successful producers in Hollywood? Ashok Amritraj arrived in Los Angeles from Chennai with little more than a winning personality and a dazzling tennis game, honed at the U.S. Open and Wimbledon. He had fallen in love with movies as a child and now fell in love with Hollywood. He longed to make the motion picture business his career. But how? Thirty years later, Ashok has become one of the most successful producers in Hollywood. He has made over a hundred films with global revenues in excess of \$1 billion. From Chennai to Wimbledon to Hollywood, this is a gripping tale of grit and determination and of overcoming extraordinary obstacles. In the tradition of classic movie-industry tales, the people who walk through these pages include Frank Sinatra, Sidney Poitier, Sandra Bullock, Steve Martin, Dustin Hoffman, Sylvester Stallone, Angelina Jolie, Bruce Willis and many more.

The Mechanic's Tale Steve Matchett, 2010-12-16 Essential reading for anyone interested in life behind-the-scenes at Formula One. Formula One Grand Prix mechanic Steve Matchett takes the reader on a compelling journey through his life in the pit-lane, from his beginnings as a young apprentice, through his time at Ferrari and BMW to his later success with Benetton. He gives eye-witness views of the great drivers, including Michael Schumacher, Nigel Mansell, Alain Prost and Ayrton Senna. He also talks of key Benetton personalities, and explains how the team was transformed into a strong, competitive organisation, winning three World Championships. His determination and frustration in trying - and eventually succeeding - to break into the high-pressure world of Formula One leaps off the page.

Watching the Wheels Damon Hill, 2016-08-30 The full and frank autobiography of F1 legend Damon Hill. 2016 marks the twentieth anniversary of Damon Hill's coronation as Formula One World Champion. For the first time ever he tells the story of his journey through the last golden era of the sport when he took on the greats including Ayrton Senna and Michael Schumacher and emerged victorious as World Champion in 1996, stepping out of the shadow of his legendary father Graham Hill. Away from the grid, *Watching the Wheels: The Autobiography* is an astonishingly candid account of what it was like to grow up as the son of one of the country's most famous racing drivers. It also tells the unflinching story of dealing with the grief and chaos that followed his father's tragically early death in an aircraft accident in 1975, when Damon was 15 years old. Formula One drivers have always been aware of their mortality, and the rush that comes with the danger of racing was as intoxicating for Hill as it had been for his father's generation, until he came face-to-face with catastrophe when his team-mate, Ayrton Senna, was killed in 1994. The swirling emotions that Hill was faced with in light of the death of Senna was a defining moment for his generation of drivers and for the first time ever Hill talks candidly about the impact that Senna had on his life, even as he watched his own son step into motor racing.
