Greg Stolze, Kenneth Hite

Grim War Greg Stolze,Kenneth Hite,2010-07-01 Grim War is a Wild Talents roleplaying game sourcebook of superpowered mutants, nefarious sorcerers, and the ordinary men and women trying to control them all. Written by Wild Talents co-authors Greg Stolze and Kenneth Hite, and illustrated by Todd Shearer, Grim War introduces a fascinating and weird new system of spirit-summoning magic. Sorcerous characters can wield fantastic power-if they are willing to pay the price. Grim War details dozens of bizarre and sometimes terrifying spirits and the harrowing spells required to treat with them. Grim War brings the company rules of Greg Stolze's Reign to the superpowered action of Wild Talents (you need Reign to use the company rules), allowing players to join, influence or oppose a dozen fully-detailed sorcerous cabals and mutant factions.

Typographic Systems of Design Kimberly Elam,2007-05-03 Typographic organization has always been a complex system in that there are so many elements at play, such as hierarchy, order of reading, legibility, and contrast. In Typographic Systems, Kim Elam, author of our bestselling books, Geometry of Design and Grid Systems, explores eight major structural frameworks beyond the gridincluding random, radial, modular, and bilateralsystems. By taking the reader through exercises, student work, and professional examples, Elam offers a broad range of design solutions. Once essential visual organization systems are understood the designer can fluidly organize words or images within a structure, combination of structures, or a variation of a structure. With clarity and substance, each systemfrom the structured axis to the nonhierarchical radial arrayis explained and explored so that the reader comes away with a better understanding of these intricate complex arrangements. Typographic Systems is the seventh title in our bestselling Design Briefs series, which has sold more than 100,000 copies worldwide.

Breakfast of Champions Kurt Vonnegut,1973 The author questions the condition of modern man in this novel, depicting a science fiction writer's struggle to find peace and sanity in the world.

Sons of Gruumsh Christopher Perkins,2005 The first full-length Forgotten Realms adventure in three years! This adventure showcases the classic high fantasy for which the Forgotten Realms setting is known. Sons of Gruumsh features an epic quest to prevent war between the orcs of Thar and the cities of the Moonsea. Though set in the Forgotten Realms, Dungeon Masters can place this adventure anywhere in the Realms, or easily adapt it for their own D&D(R) campaigns. This adventure features encounters written to facilitate the use of D&D Miniatures and is designed for 4th-level characters.
