Rune Mysteries Nigel Jackson, Silver RavenWolf, 1999 This witches's rune kit is the creation of artist Nigel Jackson. Rich with symbolic meaning on several levels, the cards can be used for divination, magick, and personal growth.

Achtung-Panzer! Heinz Guderian, 1995 This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

The Burning Tim Madigan, 2013-07-09 "A powerful book, a harrowing case study made all the more so by Madigan's skillful, clear-eyed telling of it." —Adam Nossiter, The New York Times Book Review On the morning of June 1, 1921, a white mob numbering in the thousands marched across the railroad tracks dividing black from white in Tulsa, Oklahoma, and obliterated a black community then celebrated as one of America's most prosperous. 34 square blocks of Tulsa's Greenwood community, known then as the Negro Wall Street of America, were reduced to smoldering rubble. And now, 80 years later, the death toll of what is known as the Tulsa Race Riot is more difficult to pinpoint. Conservative estimates put the number of dead at about 100 (75% of the victims are believed to have been black), but the actual number of casualties could be triple that. The Tulsa Race Riot Commission, formed two years ago to determine exactly what happened, has recommended that restitution to the historic Greenwood Community would be good public policy and do much to repair the emotional as well as physical scars of this most terrible incident in our shared past. With chilling details, humanity, and the narrative thrust of compelling fiction, *The Burning* will recreate the town of Greenwood at the height of its prosperity, explore the currents of hatred, racism, and mistrust between its black residents and neighboring Tulsa's white population, narrate events leading up to and including Greenwood's annihilation, and document the subsequent silence that surrounded the tragedy.

Goetia Pathworking Corwin Hargrove, 2019-05-15 Magick is easier and safer than many people believe, and pathworking is a method that takes you to the essence of power. There are many ways of working with demons. The spirits of Goetia can bring knowledge, manipulate reality, produce changes within yourself, or attract conditions and events that you desire. This is widely known. Demons are famed for their speed, dignity, and willingness to cooperate with you. What is less well known is that incredibly simple pathworking rituals enable you to make easy contact with these demons safely and reliably. Advantages of The Pathworking Method - No difficult words of power to learn or speak. - Nothing to burn, collect, or make. - No sacrifice, reward, or offering is required. - No sigils need to be drawn, and you only need to look at the sigils in this book. - No angels or divine names are used, which makes the magick feel more

reliable for some people. - The method automatically creates the correct state of mind and summons elemental energy. - Pathworking can be performed in complete privacy. - The method is extremely safe and easy to learn. You ask for something, and you get it, without any backlash or payment. You will never have to learn difficult visualisation methods or train in demanding mental techniques. Based on a system of Elemental Imagery, this is a unique way to perform magick. You ask for something, and you get it, without any repercussion or payment. People say you never get something for nothing. Here, you get something because you've performed magick and filled it with your desire. That is enough to get the results you seek, from love and lust, to cursing, influence, illusion, and wealth.

The Burning Tim Madigan, 2003-02 On the morning of June 1, 1921, a white mob numbering in the thousands marched across the railroad tracks dividing black from white in Tulsa, Oklahoma, and obliterated a black community then celebrated as one of America's most prosperous. Thirty-four square blocks of Tulsa's Greenwood community, known then as the Negro Wall Street of America, were reduced to smoldering rubble. With chilling details, humanity, and the narrative thrust of compelling fiction. The Burning re-creates the town of Greenwood at the height of its prosperity, explores the currents of hatred, racism, and mistrust between its black residents and Tulsa's neighboring white population, narrates events leading up to and including Greenwood's annihilation, and documents the subsequent silence that surrounded the tragedy that became known as the Tulsa Race Riot.--Back cover

St. Mary Magdalene Tau Malachi,2012-02-08 In the Gospels of the Bible there are a few comments about Mary Magdalene here and there. But in the Gnostic scriptures that have been discovered, there are tantalizing hints that both her relationship to Jesus and her role among Jesus' disciples may have been profoundly important. Among several schools of Gnostic Christianity, Mary plays an essential role in the revelation of the gospel. Here, for the first time in print, is a Sophian Gospel of St. Mary Magdalene. No secret oral tradition as extensive as this has ever been recorded, and none has ever presented a Gnostic view of Mary Magdalene as she is portrayed in this groundbreaking work—as a powerful holy woman, the innermost disciple and beloved wife of Jesus, and a Christed woman who is coequal with Jesus in the Christ revelation.

Athletico Mince Bob Mortimer,Andy Dawson,2017 For the first book inspired by their popular podcast, Bob Mortimer and Andy Dawson considered

producing an authoritative guide to the past, present and future world of football. But, as in the podcast, they got a bit side-tracked. As well as bringing you some (more or less) completely genuine football facts, Bob and Andy speculate about the lifestyle of baked bean-loving, yellow snake-owning ex-England boss Steve McClaren, and investigate the 'Gangs of the EPL', where football meets infantile bullying. There's also input from the Secret Soccer Superstar - a former player who lifts the lid on what it's really like to be a top, top pro - and the lyrics from some of Bob's most memorable Scottish songs, so that you can sing them to your children, elderly relatives or, indeed, yourself, should you need to be soothed after learning about Robson Green's Extreme Bangers. In summary, it's a bit of a mess - but - it's a beautiful, glorious, hilarious mess and if you're not reduced to at least one convulsion while reading it, Bob and Andy are going to be very disappointed with you.
